

M. D. OF GREENVIEW NO. 16
POLICY & PROCEDURES MANUAL

Section:
**ENGINEERING &
ENVIRONMENTAL
SERVICES**

POLICY NUMBER: EES 17

POLICY TITLE: MUNICIPAL ENGINEERING STANDARDS

Page 1 of 2

Date Adopted by Council / Motion Number:

11.10.553

PURPOSE:

To provide a design standards framework for Municipal engineering and projects, as well as for proposed development by external parties.

POLICY:

1. All projects will be evaluated and assessed for compliance with current “Municipal Engineering Design and Construction Standards” manual.
2. Developers will be required to construct projects in accordance with the current standards unless Council provides an exemption to conditions specific to the development under consideration.
3. The standards manual will be updated annually.
4. All standards will be assessed for consistency with other Municipal, Provincial and Federal standards.
