

Grande Cache Dinosaur Tracks – Board of Directors

A new Board of Directors is being organized with the goal to:

“Develop the Grande Cache & Area Dinosaur Tracks as a historic and tourist resource by creating a low impact environmentally friendly world-class tourism experience.”

Key players have been meeting over the past few months to determine the best way to proceed with developing the Dinosaur Tracksite, and the next step is to create a 5-member board to govern the planning process. Working Committees will be formed under the Board of Directors to involve all interested parties and to ensure that all key players are involved and participate in the strategic plan.

Currently, we are seeking Two (2) Board Members:

- 1) Grande Cache Community Member at Large
- 2) Grande Cache Business Representative

RESPONSIBILITIES & DUTIES:

- To help determine (and support) the overall Vision, Mission, and Objectives of the group
- To assist with creating the Terms of Reference, ByLaws, and structure of the Board and Working Committees
- To attend board meetings on a regular and consistent basis
- To maintain active participation in the affairs of the organization including membership in at least one working committee

SELECTION CRITERIA:

A combination of the following assets are of particular interest to the Grande Cache Dinosaur Project:

- Strong strategic & systems thinking skills, ability to see big picture and lead through change
- Expertise / Involvement in one or more of the following skills: strategic planning, creative thinking, leadership, willingness to create change, tourism and/or business development
- Strong understanding of and experience in the tourism and /or business sector
- Knowledge of Grande Cache history and the Grande Cache dinosaur tracks
- Understanding of the strategic needs and issues of a small community-led society
- Previous experience on a committee or Board of Directors
- Ability to commit a minimum of 4 hours per month

FOR MORE INFORMATION:

If you have any questions, or would like to learn more about the project, please contact one of the following:
