OPEN HOUSE

Grovedale Area Structure Plan

Come out and make your voice heard! An open house is being held at the Grovedale Hall in order to provide you with information regarding future growth within the Grovedale Area Structure Plan (ASP) plan area and provide you with a copy of the Draft Plan information.

The open house will provide an opportunity for the community to comment on the draft Plan for the Grovedale area and associated policy direction.

Help us plan your community!

If you would like more information or a copy of the Plan, please contact Planning & Development, Development Officer Lindsey Lemieux at 780-524-7643 or by email at lindsey.lemieux@mdgreenview.ab.ca
