RELEVANT LEGISLATION:
Provincial (cite) – N/A

Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION:
MOTION: That Committee of the Whole accept the presentation from the Rural Health Professions Action Plan for information, as presented.

BACKGROUND/PROPOSAL:
Reeve Dale Gervais requested that a representative from RHPAP attend the Committee of the Whole meeting to speak to Council about the Rural Health Professions Action Plan and all of the work that we are doing across rural Alberta as well as the supports that is offered. RHPAP works with most of the communities in NW Alberta to support them in their efforts in attracting and retaining qualified health providers. Typically work is done with an Attraction and Retention committee that has been established through or connected to the municipal councils in some way and most of the groups worked with are collaborative/regional based with municipalities working together. Initially these committees were created to assist with the recruitment of physicians but most committees of these have expanded to include attraction and retention efforts for all health providers.

BENEFITS OF THE RECOMMENDED ACTION:
1. The benefit of accepting the presentation is to confirm receipt of the Council update on the Rural Health Professions Action Plan.

DISADVANTAGES OF THE RECOMMENDED ACTION:
1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:
Alternative #1: Council has the alternative to not accept the recommended motion for information.

REQUEST FOR DECISION

SUBJECT: Community Development Agreement

RELEVANT LEGISLATION:
Provincial (cite) – NA

Council Bylaw/Policy (cite) – NA

RECOMMENDED ACTION:
MOTION: That the Committee of the Whole Recommend that Council adopt the following principles during Community Development Agreement negotiations with the Towns of Valleyview, Fox Creek, and Grande Cache:

That Greenview is committed to entering into a long-term agreement (5-10 years);
That Greenview would like to see a significant percentage of the funding be used for Capital works;
That Greenview would like to see the funding amount tied to increases/reductions in assessment;
and,
That the current provisions regarding reporting, annexation, dissolution, etc. remain in place.

BACKGROUND/PROPOSAL:
The Community Development Agreement (attached) expired in 2017. Greenview and the three Towns are soon to embark on the negotiation of a new agreement. At present, the intent is that the new agreement would be generally the same as the recently expired agreement.

The funding provided under this agreement is substantial. In 2017 alone, each Town received over $2.4 Million in funding under this agreement. This is independent of any other funding for shared programs such as Recreation, etc.

It should also be noted that Greenview has previously conveyed its intent to continue this general funding arrangement, particularly that it was a requirement of the Town of Valleyview when the partnership to build the Greenview Regional Multiplex was being created.

Staff would suggest that the agreement has functioned well for the most part, but is recommending that Council consider some changes in addition to preserving some current provisions. Specifically:
1. That Greenview is committed to entering into a long-term agreement (5-10 years)
   The current agreement was for a five-year span. If terms are agreeable, Administration believes that a longer agreement would provide stable and reliable funding.

2. That Greenview would like to see a significant percentage of the funding be used for Capital works
   Currently, there is no requirement as to what the funding is to be used for. If part of the funding’s intent is to help alleviate asset management demands, Administration is recommending that it be mandatory that a set percentage of the funding be used for capital works. Administration is not recommending that Greenview control the specifics or approve those projects, but simply that they be capital in nature.

   Administration also feels that it is valuable to have some of the funding available for non-capital projects or programs. This helps to achieve a second intent of the funding which is to help the urban centres deal with impacts from activity in Greenview, such as added pressures from industry. This intent can likely be made clearer in the document.

3. That Greenview would like to see the funding amount tied to increases/reductions in assessment
   This has served the parties will in that the funding is able to float up or down depending upon Greenview’s assessment. The current method allows for the natural expansion/contraction of the agreement based on what is happening externally.

   The only change to this that Administration is recommending is that lag time of one year be considered. Currently, when all of the parties budget, the funding amount is a best estimate for which accuracy varies. By using the assessment of the year past, rather than estimating the assessment of the year upcoming, a firm number can be used for budgeting. Greenview will know the exact expenditure when passing its budget and the Towns can budget for the exact amount and not be left short of funds if the estimate was higher than it should have been. This adds certainty for all parties.

4. That the current provisions regarding reporting, annexation, dissolution, etc. remain in place.
   These provisions are already in place and Administration is recommending that they remain as they are safeguards for Greenview. They are also not cumbersome to fulfill.

BENEFITS OF THE RECOMMENDED ACTION:
1. By having this discussion and solidifying Council’s philosophies regarding the funding agreement, Council will be better able to engage the respective Towns with clarity.

DISADVANTAGES OF THE RECOMMENDED ACTION:
1. There are no perceived disadvantages.

ALTERNATIVES CONSIDERED:
Alternative #1: Council may opt to adopt different strategies regarding this agreement.

FINANCIAL IMPLICATION:
Direct Costs: NA
**Ongoing / Future Costs:** Future costs will be dependent upon the eventual agreement.

**STAFFING IMPLICATION:**
Necessary meetings required with renewing this agreement were anticipated as normal requirements of staff time.

2. Each Town shall receive TWO MILLION DOLLARS ($2,000,000.00) in Regional Community Development Funding from the MD of Greenview for the calendar years of 2012 and 2013. For 2014-2017, inclusive, each Town shall receive funding from the Municipal District, each year based on the following:

   • Each year, starting in 2014, for which year the 2013 non-residential assessment is used for calculating taxation for the MD, the total non-residential assessment amount used to calculate taxation for that year shall be compared with the 2012 non-residential assessment for the Municipal District, and a percentage increase or decrease, as the case may be, will be derived from this comparison;
   • The base contribution of $2,000,000 shall be adjusted applying this derived percentage increase or decrease, as the case may be, as that percentage is derived each year.

3. The Towns agree to provide the Municipal District with a report by July 1 of the following year to indicate how the funds provided in the previous year by the Municipal District were used. This report shall be received by the Municipal District for information purposes only.

6. During the term of this agreement, specific capital funding requests can be made to the Municipal District by any of the Towns and such a request will be reviewed and considered on a case by case basis by the Municipal District.

7. This Agreement shall expire on December 31, 2017. Prior to that date, this Agreement may be terminated by either party giving six (6) months notice in writing to the other party. Termination will be effective on the 31st day of December, first occurring after the expiry of the six (6) month notice period. Notwithstanding the generality of the foregoing, in the event that one or more of the Towns serves notice to terminate this agreement, the agreement shall continue to be valid and apply for the remaining town or towns which have not served notice.

8. During the term of this agreement it is agreed that annexation or dissolution shall not be pursued by the Towns unless there is mutual agreement of the Municipal District and the Town or Towns in question.

9. In the event that any of the Towns applies to the Province of Alberta for any annexation or dissolution without first obtaining the expressed written consent of the Municipal District, the agreement to provide funding to that municipality will be immediately terminated and the Town in question shall return any funding received during the current year and fifty (50%) of the previous year’s funding to the Municipal District within 30 days of such an action. The amounts owed by the Town in question to the Municipal District are a debt owed to the Municipal District.

10. Notwithstanding Clause 7, funding during the term of this agreement shall terminate immediately if in the sole opinion of the Municipal District there are legislative or regulation changes that negatively affect the assessments or the municipal taxes collected within the Municipal District and the Municipal District provides written notice of that opinion to the Towns.

11. The Towns shall indemnify and hold harmless the Municipal District, its employees or agents, from any and all claims, demands, actions and costs whatsoever that may arise, including solicitor client costs, directly or indirectly out of any act or omission of the urban municipality, its employees or agents, resulting directly or indirectly from receiving payment from the Municipal District or resulting from or related to any services to be provided by the urban municipality pursuant to this agreement. SUBJECT: Grovedale Daycare Facility
SUBMISSION TO: COMMITTEE OF THE WHOLE
MEETING DATE: January 15, 2018
DEPARTMENT: COMMUNITY SERVICES

REVIEWED AND APPROVED FOR SUBMISSION
CAO: MH

PRESENTER: DM

RELEVANT LEGISLATION:
Provincial (cite) – N/A
Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION:
MOTION: That Committee of the Whole accept the Grovedale Daycare Facility Report as presented for information.

BACKGROUND/PROPOSAL:
The Grovedale Daycare Society made a presentation to Council on December 11, 2017 requesting funding for the establishment of a daycare facility to be located in Grovedale. The Society submitted a proposal which outlined the operational and the management plans for the proposed facility. Council made the following motion:

MOTION: 17.12.525. Moved by: COUNCILLOR BILL SMITH
That Council direct Administration investigate the cost of a stick built building for the Grovedale Daycare to be brought back for the January 15th, 2018 Committee of the Whole Meeting. CARRIED

The Society had obtained two quotes from contractors for a proposed 1920 square foot facility which ranged from $204.00 - $300.00 per square foot. Administration has made the following inquiries as to acquire an estimated square footage cost for the general construction of a facility of this nature:

- Jenco Construction - $200 - $225 per square foot.
- Jandel Homes - $150 per square foot plus transportation etc. ($12,000.00)
- Scott Builders - $225 - $250 per square foot.
- DevCo - $200 - $225 per square foot.
- Turcon Construction - $200 - $225 per square foot.
- HWD Construction – estimate pending.
- Nelson Lumber – estimate pending.

General discussions with the Grande Prairie Chamber of Commerce and the City of Grande Prairie Economic Development Officer resulted in estimates ranging from $200 - $225 per square foot. The square footage estimates have many intangibles such as the quality of the interior finishings requested etc. It should be
noted that the square footage costs are only for the construction of a facility and do not include FF&E (Furniture, Fixtures and Equipment) or any utility services that would be required.

**BENEFITS OF THE RECOMMENDED ACTION:**

1. The benefit of Council accepting the recommended motion is that Council would be made aware of the general square footage costs for a proposed Grovedale Daycare Facility.

REQUEST FOR DECISION

SUBJECT: Tri Municipal Industrial Partnership
SUBMISSION TO: REGULAR COUNCIL MEETING
MEETING DATE: January 15, 2018
DEPARTMENT: CAO SERVICES
STRATEGIC PLAN: Intergovernmental Relations

REVIEWED AND APPROVED FOR SUBMISSION
CAO: MH
GM: PRESENTER: MH

RELEVANT LEGISLATION:
Provincial (cite) – NA
Council Bylaw/Policy (cite) – NA

RECOMMENDED ACTION:
MOTION: That Committee of the Whole accept the information on the Tri-Municipal Industrial Partnership Agreement for information, as presented.

BACKGROUND/PROPOSAL:
The Agreement for the Tri Municipal Industrial Partnership (TMIP) is nearing completion. One outstanding item contained in the Agreement pertains to reparations owed in Greenview was to terminate the partnership.

As has been discussed with previous Council, the partnership must contain some form of protection for the other parties should Greenview end the partnership, given that Greenview would still potentially be deriving benefit from the partnership after it was dissolved. This is by virtue of any development that occurred would be within Greenview’s borders and contributing directly to Greenview’s tax base after the other municipalities were removed.

The Agreement was an agenda item at the December 20th, 2017 TMIP Meeting. Due to time constraints, the item was subsequently tabled prior to any discussion taking place. The copy of the agreement that was on the agenda contains provisions indicating that the other municipal partners would still receive their share of the net revenues for three years after the partnership was terminated by Greenview.

A concern from the parties has been received indicating that this provision may not be satisfactory to the other parties, as it’s possible this may not provide enough compensation to cover costs incurred. As such, Administration wishes to discuss this with Council before the next TMIP meeting occurs so that both Administration and the Council representatives on the Committee have an idea of what Greenview would find acceptable during the discussion. It has been suggested that some form or repayment for past years’ investments also take place.

BENEFITS OF THE RECOMMENDED ACTION:
1. This discussion will provide some clarity for Administration and Greenview’s elected members regarding what Greenview would be willing to consider regarding the Agreement’s termination clause.

DISADVANTAGES OF THE RECOMMENDED ACTION:
1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:
Alternative #1: NA

FINANCIAL IMPLICATION:

REQUEST FOR DECISION

SUBJECT: RCMP Meeting at AAMD&C
SUBMISSION TO: COMMITTEE OF THE WHOLE
MEETING DATE: January 15, 2018
DEPARTMENT: CAO SERVICES
STRATEGIC PLAN: Level of Service

REVIEWED AND APPROVED FOR SUBMISSION
CAO: MH
GM: PRESENTER:

RELEVANT LEGISLATION:
Provincial (cite) – N/A
Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION:
MOTION: That Committee of the Whole discuss meeting with RCMP K Division while attending the Alberta Association of Municipal Districts & Counties (AAMDC).

BACKGROUND/PROPOSAL:
Greenview has received an invitation from Staff Sergeant Carolin Respet, to meet with the RCMP while attending the AAMDC Spring Convention. This is a standard invitation sent out each year prior to the Convention.

These meetings are generally short in duration and targeted towards issues that are larger than can be dealt with at the local detachment level.

Currently, Administration has no outstanding issues to recommend a meeting with the Commanding Officer of K Division (K Division is Alberta). Our main involvements with the RCMP revolve the amount of crime, and our ongoing applications/filling of enhanced officer positions. Both issues have been brought up previously.

BENEFITS OF THE RECOMMENDED ACTION:
1. The benefit of accepting the presentation is to confirm receipt of the Council update on a meeting with the RCMP while attending AAMDC.

DISADVANTAGES OF THE RECOMMENDED ACTION:
1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:
Alternative #1: Council has the alternative to not accept the recommended motion for information.

FINANCIAL IMPLICATION:
There are no financial implications to the recommended motion.
STAFFING IMPLICATION:
There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:
Greenview has adopted the IAP2 Framework for public consultation.

RELEVANT LEGISLATION:

Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION:
MOTION: That Committee of the Whole accept the Members Business Form and Presentation Request Form as information, as presented.

BACKGROUND/PROPOSAL:
At the Council Orientation, Administration informed Council that they will be creating the Members Business Form and the Presentation Request Form for Council’s consideration.

The Members Business Form may effectively make the Regular Council meeting move more quickly and efficiently whereby Members Business will be available for review as part of the Agenda package prior to the meeting. The form has been personalized to each council member. Councillors would be required to fill out the form and email it to the Executive Assistant to be added to the agenda package. The form is designed to allow Council to report on events attended as well as list key topics or information items, thus fulfilling both the accountability and liaison intentions of Members’ Business.

The Presentation Request Form will enable delegations to supply Council with all information and materials to be included in their presentation. This form would be distributed to delegates when they call for a time and date, and would be available on the website.

Should Council not have concerns with the proposed forms, Administration will be recommending that they be enshrined in the Procedural Bylaw.
