Grants | Opportunities | Resources | The Power of Teamwork

Leona Staples, Jungle Farms: An engaging and passionate speaker, don't miss the chance to hear the Jungle Farms story and how a group of small local producers harnessed teamwork to gain market share in a highly competitive market.

Local Vegetable Producers: Hear local producers stories of success. The mistakes, the victories, the journey.

Alberta Agriculture and Forestry: Discover the support and resources the Government of Alberta is able to provide those looking to enter local food production.
