GREENVIEW LAUNCHES NEW ECONOMIC DEVELOPMENT INVESTMENT PORTAL

March 4, 2019 – The Municipal District of Greenview’s Economic Development Office has launched a new online tool to support business and investment within Greenview. This resource will help existing and potential businesses, as well as site selectors, access information about Greenview’s local economy and business environment.

“This exciting new tool is a great initiative that Greenview is providing to support Economic Development in our region. The portal features a convenient site to find local data and trends as well as relevant tools and resources to facilitate investment in Greenview.” – Kevin Keller, Economic Development Manager

The online tool provides ‘how-to’ information so that businesses know how to proceed with their planning and make better business decisions. Investors, entrepreneurs, and existing businesses will be able to review the business climate, discover industry trends, evaluate the workforce, examine the environment, and access a number of additional resources.

The online portal is available at <https://expandyourvision.ecdev.org/ca-csd-greenview-no-16> or through our corporate website at www.mdgreenview.ab.ca or www.ExpandYourVision.ca.

Greenview is a key driver of Alberta’s economy with a highly skilled workforce and a business-friendly environment. Find out why you should invest in Greenview.
