

MUNICIPAL DISTRICT OF GREENVIEW No. 16

MEDIA STATEMENT

Chief Administrative Officer Appointed

April 8, 2019

Greenview, Alberta

Council is pleased to welcome Ms. Denise Thompson to Greenview as the new Chief Administrative Officer (CAO). Denise has been working with Greenview as the interim CAO since January 2019.

“On behalf of the Municipal District of Greenview Council I am pleased to announce the appointment of Ms. Denise Thompson as the Chief Administrative Officer, Ms. Thompson has been the Interim CAO since early January and Council has appreciated the style of management and commitment that Ms. Thompson has brought to the office of the CAO. Greenview Council is looking forward to working with Denise Thompson as we move the municipality forward and establish Greenview as a leader in municipal excellence.” Reeve Dale Gervais

Denise’s career includes a mixture of private business and local government. Once a co-owner of a trucking and road construction company, Denise brings with her a solid understanding of the industry. Denise and her husband raised three children while farming in the Warburg area with a complimented household of oil and gas income and Denise’s municipal work. Denise’s career in municipal government spans over 15 years and she came to Greenview in 2012 as a Communications Officer. In 2013, she went on to serve as an Administrator at a Metis Settlement and shortly from there, she returned to municipal government. In her last tenure before returning to Greenview, Denise strategically led the Town of Grande Cache as the CAO and was instrumental in the dissolution process for the Town.

“My solid working knowledge of local government, coupled with my industry knowledge in oil and gas, farming and construction, I hope will prove to be valued attributes in my role as Chief Administrative Officer. My promise to the organization, ratepayers and Council is this: I will work hard every day to be an ambassador for Greenview. I will lead the organization in fairness and accountability, and administer the programs, services and support set out by Council. I am looking forward to working with Council and Staff, serving the ratepayers of the Municipal District of Greenview.” CAO Denise Thompson
