

MUNICIPAL DISTRICT OF GREENVIEW No. 16

MEDIA RELEASE

Greenview Reeve Dale Gervais Resigns

May 14, 2019

Greenview, Alberta

On May 9, 2019 Dale Gervais tendered his resignation as Reeve for the Municipal District of Greenview. Dale will remain as a Councillor with Greenview and continue to represent the constituents of Little Smoky, Ward 2. Dale's service as an elected official includes over 16 years on Council, serving in excess of six years as Reeve. As a husband, father and grandfather, Dale's family has always been a top priority. His desire to spend more time with family and friends, along with his long list of recreation interests has made stepping down a satisfying decision for him.

Dale has served with several Councils that have a long list of accomplishments. The ongoing investments and improvements to the Forestry Trunk Road, and the realization of a Multiplex in Valleyview show the balance of industry and residential support which speaks to Dale's desire for responsible investment in Greenview. The initial formation of the Tri Municipal Industrial Partnership with the City of Grande Prairie and the County of Grande Prairie is a great example of Dale's foresight to work in collaboration with neighbouring municipalities. Greenview is exploring a newly identified geothermal project with Dale's support and enthusiasm, confirming his ability to lead with innovative but cautious style.

Confident in the direction that Council and Administration are moving, Dale has expressed his satisfaction in the overall health of the organization and is confident that a continued influence and impact as a Councillor will create a work/life balance conducive to his personal goals.

"Looking back over the past six years as Reeve, I'm proud to have shepherded the Valleyview Multiplex through to completion. It's heartwarming to see the facility being utilized by the community." Dale commented. "I will continue to advocate for further investment to the Forestry Trunk Road; I value the working relationship Greenview has with Industry, and I hope to eventually see that important resource road paved."

As former Reeve, Dale Gervais is looking forward to providing ongoing support to his replacement and as a member of Council, he will continue to serve in the best interests of the Municipal District of Greenview.
