

UPDATED COVID-19 PROGRAMMING PROTOCOLS

Welcome to the Greenview Regional Multiplex Summer programming! Our goal is to make a safe, fun filled summer for your children. We do all kinds of activities that enforce leadership, creativity and an active lifestyle for your children.

Safety expectations regarding COVID-19:

- Children will be screened for symptoms and have their temperature taken when they are dropped off. (Parents are encouraged to screen children before bringing them to camp)
- If a child develops symptoms during camp, staff members will isolate the child and call his/her parent/guardian to pick him/her up.
- **Programs connected to a confirmed or probable case of COVID-19 will be required to participate in contact tracing processes that may include program closure if required by Alberta Health Services.**

Important Information:

- Please be advised of the ages of programming, we won't be able to make exceptions on age restrictions at this time.
- Our programming will be running rain or shine so please dress for the appropriate weather.
- One parent or guardian must sign their children in and out of each program. Photo id may be requested upon pickup.
- All programs are co-ed
- All programs will start at the Greenview Regional Multiplex unless otherwise posted.
- Your child is responsible to have their own water bottle, hat, sunscreen and bug spray.

We are very excited for these years programming and cannot wait to have your children in our programs!

For more information or any questions regarding the summer programs please feel free to contact Erin Witty at 780-524-4097 or email erin.witty@mdgreenview.ab.ca
