CHIEF ADMINISTRATIVE OFFICER

REEVE

SUBJECT: CAO & Corporate Services and Council Department's Consolidated Budget Review **REGULAR COUNCIL MEETING REVIEWED AND APPROVED FOR SUBMISSION** SUBMISSION TO: September 24, 2018 MEETING DATE: ACAO: RO MANAGER: DD **DEPARTMENT:** FINANCE GM: RO PRESENTER: RO STRATEGIC PLAN: Level of Service

RELEVANT LEGISLATION: **Provincial** (cite) – Sections 242(1), 245 and 248(1)

Council Bylaw/Policy (cite) – Policy 1016 Budget Development Policy

RECOMMENDED ACTION:

MOTION: That Council review and provide input to Administration regarding the proposed 2019 to 2021 Council, Operational Budget.

MOTION: That Council review and provide input to Administration regarding the proposed 2019 to 2021 CAO and Corporate Services Consolidated (Operational and Capital) Budget.

BACKGROUND/PROPOSAL:

The Municipal Government Act (MGA) requires Council to adopt an Operational Budget annually for the upcoming year. This enables Greenview Administration to work and pay for services rendered to the municipality. Otherwise, Administration has no authority to pay for supplies, staff, or contractors, etc.

Council will recall that Administration proposed changes to the way the budget is going to be presented to Council this year, with the hopes that the budget presentations will not be too cumbersome for Council. All budget presentations to Council will go forward at either a regular meeting or committee of the whole meeting. The first presentation by CAO & Corporate Services was scheduled for September 17th at the Committee of the Whole Meeting in DeBolt, however, due to limited time available Council did not review the budget at the Committee of the Whole Meeting. As such, Administration is requesting Council's input on the CAO & Corporate Services and the Council 2019 to 2021 Consolidated Budgets at this meeting.

The Manager of Finance and Administration, Information Systems Technician, Safety Officer, CAO and I will present the 2019 CAO and Corporate Services and Council proposed budget. The Communication's Officer is away on medical leave and asked that I present the Communication's area of the budget on her behalf.

Budget preparations for the 2019 consolidated budget started in June this year and staff has participated in many hours of planning and data entry as a result. Of note, the overall 2019 proposed revenue is at \$130,909,192.00. The proposed revenue has increased by \$10M over the budgeted 2018 revenue. The projected increase is based on the 2018 actual revenue plus a 2% overall increase. The property tax portion

of the revenue is based on maintaining the 2018 mil rates. Tax revenue includes the educational and seniors requisitions.

The Organizational wide Operational Expenditure Budget has increased by \$7,798,334.00 or 8.9% in comparison to the 2018 Operational Budget. The 2019 Capital Budget has decreased by \$24,144,153.00 or 35.19% compared to the 2018 Capital Budget. Each manager, as they present their proposed budgets to Council will highlight the changes in their area that has created the change in the overall budget compared to the 2018 budget.

The following is a list of the budget meeting dates scheduled with the managers and general managers:

October 9th, Regular Council Meeting: Recreation Services and Economic Development and Facilities Maintenance

October 15th, Committee of the Whole, Grande Cache: Protective Services, Agriculture Services and Community Services

October 22nd, Regular Council Meeting: Family and Community Support Services and Construction & Engineering

November 13th, Regular Council Meeting: Operations and Roads

November 26th, Regular Council Meeting: Environmental Services

All Administration budget presenters has created Power Points summarizing the changes in their area of the budget that contributed to the overall change in the 2019 budget compared to 2018 budget.

BENEFITS OF THE RECOMMENDED ACTION:

 The benefit of Council members following the recommended motion is that Council members will have reviewed and provided direction to Administration regarding each budget area. Thus providing Administration with the opportunity of making any Council requested adjustments prior to the final budget presentation on December 10th.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to review the CAO & Corporate Services and Council area budgets without providing input to Administration. This is not recommended by Administration due to the lack of efficiency that this would create in the budget process.

FINANCIAL IMPLICATION:

Direct Costs: \$139,399,129.00 (total Consolidated Budget – Operational and Capital)

Ongoing / Future Costs: N/A

The funding for the proposed budget will come from 2019 property taxes, provincial grant funding, revenue in relation to services provided by Administration and an approximate \$9.4 M withdrawal from reserves to deliver a balanced budget.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

INCREASING LEVEL OF PUBLIC IMPACT

Inform

PUBLIC PARTICIPATION GOAL

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

PROMISE TO THE PUBLIC

Inform - We will keep you informed.

FOLLOW UP ACTIONS:

Once the Council has provided direction or changes to the proposed budget, Administration will create a tracking list of the governance changes and email Council the list to ensure that COW/Council members are able to catch any changes that Administration may have missed. Further, Administration will make the required changes in the budgeting software and provide a listing of the changes during the final budget presentation to Council on December 10th.

MUNICIPAL INVERSE OF GRUINNED VIEW	GREENVIEW SERVIC	CE ENHANCEMENT FORM				
Department:	CAO & Corporate Services					
Area:	Information Systems	Service Title: Information System	s Technician			
	Service Des	cription & Benefits				
This service enhancement proposes a newly created position of Information Systems Technician. This proposal was made in light of the continuing expansion of services in many of the existing Greenview Departments and the hiring of more staff to ensure those services are provided in a timely manner. A qualified IT position would ensure that the Information Systems Department can continue to provide on-site support to all of Greenview's Offices and personnel as expected. This service enhancement is not intended to serve as a replacement for Greenview's third party desktop support provider.

The collected data will be processed to provide GIS (Geographical Information Systems) Asset information such as bridges, culverts, road types and other items. This data is then loaded to the Greenview Munisight ES Application for quick access by Greenview personnel. The benefits associated with having asset information is quote significant for municipalities. Having accurate asset information is beneficial for the act of asset lifecycle planning, and for maximizing the value received from an asset. Specifically, broad asset collecting programs, such as VDC, helps Greenview to: Maintain an accurate Asset Inventory - know what assets exist in a jurisdiction, and where they are; Maintain Tangible Capital Asset database - comply with Tangible Capital Asset regulations; Maintain physical assets - repair/upgrade/replace existing assets that are defective or deficient; and to Implement asset management - A municipality must know what assets they have, before implementing an asset management plan, around how to achieve their community objectives. For municipalities as large as Greenview, VDC is the only way to efficiently collect asset information.

Adoption of operating budget

242(1) Each council must adopt an operating budget for each calendar year.

245 Each council must adopt a capital budget for each calendar year.

Expenditure of money

248(1) A municipality may only make an expenditure that is

- (a) included in an operating budget, interim operating budget
- or capital budget or otherwise authorized by the council,
- (b) for an emergency, or
- (c) legally required to be paid.

SUBJECT: Infrastructure and Planning Administration 2019 – 2021 Operational Budget Review

SUBMISSION TO:REGULAR COUNCIL MEETINGMEETING DATE:September 24, 2018DEPARTMENT:FINANCESTRATEGIC PLAN:Level of Service

REVIEWED AND APPROVED FOR SUBMISSIONCAO:MHMANAGER:GM:ROPRESENTER:RO

RELEVANT LEGISLATION: **Provincial** (cite) – Sections 242(1), 245 and 248(1)

Council Bylaw/Policy (cite) – Policy 1016 Budget Development Policy

RECOMMENDED ACTION:

MOTION: That Council review and provide input to Administration regarding the 2019 to 2021 Infrastructure & Planning Administration Operational Budget.

BACKGROUND/PROPOSAL:

The Municipal Government Act (MGA) requires Council to adopt an Operational Budget annually for the upcoming year. This enables Greenview Administration to work and pay for services rendered to the municipality. Otherwise, Administration has no authority to pay for supplies, staff, or contractors, etc.

Council will recall that Administration proposed changes to the way the budget is going to be presented to Council this year, with the hopes that the budget presentations will not be too cumbersome for Council. All budget presentations to Council will go forward at either a regular meeting or committee of the whole meeting. The second budget presentation by Infrastructure & Planning Administration is scheduled for September 24th at the Regular Council meeting.

The General Manager of Infrastructure & Planning will present the 2019 Infrastructure & Planning 2019 to 2021 proposed budget. This area of the proposed budget has increased by \$12,579.00. The general manager will provide Council with an overview of this area of the budget and the rationale as to why the proposed budged has changed.

As noted in the first budget presentation by CAO and Corporate Services, budget preparations for the 2019 consolidated budget started in June this year and staff has participated in many hours of planning and data entry as a result. Of note, the overall 2019 proposed revenue is at \$130,909,192.00. The proposed revenue has increased by \$10M over the budgeted 2018 revenue. The projected increase is based on the 2018 actual revenue plus a 2% overall increase. The property tax portion of the revenue is based on maintaining the 2018 mil rates. Tax revenue includes the educational and seniors requisitions.

The Organizational wide Operational Expenditure Budget has increased by \$7,798,334.00 or 8.9% in comparison to the 2018 Operational Budget. The 2019 Capital Budget has decreased by \$24,144,153.00 or 35.19% compared to the 2018 Capital Budget. Each manager, as they present their proposed budgets to Council will highlight the changes in their area that has created the change in the overall budget compared to the 2018 budget.

The following is a list of the budget meeting dates scheduled with the managers and general managers:

October 9th, Regular Council Meeting: Recreation Services and Economic Development and Facilities Maintenance

October 15th, Committee of the Whole, Grande Cache: Protective Services, Agriculture Services and Community Services

October 22nd, Regular Council Meeting: Family and Community Support Services and Construction & Engineering

November 13th, Regular Council Meeting: Operations and Roads

November 26th, Regular Council Meeting: Environmental Services

All Administration budget presenters has created Power Points summarizing the changes in their area of the budget that contributed to the overall change in the 2019 budget compared to 2018 budget.

BENEFITS OF THE RECOMMENDED ACTION:

 The benefit of Council members following the recommended motion is that Council members will have reviewed and provided direction to Administration regarding each budget area. Thus providing Administration with the opportunity of making any Council requested adjustments prior to the final budget presentation on December 10th.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to review the Infrastructure & Planning - Administration area budget without providing input to Administration. This is not recommended by Administration due to the lack of efficiency that this would create in the budget process.

FINANCIAL IMPLICATION:

Direct Costs: \$139,399,129.00 (total Consolidated Budget – Operational and Capital)

Ongoing / Future Costs: N/A

The funding for the proposed budget will come from 2019 property taxes, provincial grant funding, revenue in relation to services provided by Administration and an approximate \$9.4 M withdrawal from reserves to deliver a balanced budget.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

INCREASING LEVEL OF PUBLIC IMPACT

Inform

PUBLIC PARTICIPATION GOAL

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

PROMISE TO THE PUBLIC

Inform - We will keep you informed.

FOLLOW UP ACTIONS:

Once the Council has provided direction or changes to the proposed budget, Administration will create a tracking list of the governance changes and email Council the list to ensure that COW/Council members are able to catch any changes that Administration may have missed. Further, Administration will make the required changes in the budgeting software and provide a listing of the changes during the final budget presentation to Council on December 10th.

Council Bylaw/Policy (cite) – Policy 1016 Budget Development Policy

RECOMMENDED ACTION:

MOTION: That Council review and provide input to Administration regarding the 2019 to 2021 Planning & Development Consolidated Budget.

BACKGROUND/PROPOSAL:

The Municipal Government Act (MGA) requires Council to adopt an Operational Budget annually for the upcoming year. This enables Greenview Administration to work and pay for services rendered to the municipality. Otherwise, Administration has no authority to pay for supplies, staff, or contractors, etc.

Council will recall that Administration proposed changes to the way the budget is going to be presented to Council this year, with the hopes that the budget presentations will not be too cumbersome for Council. All budget presentations to Council will go forward at either a regular meeting or committee of the whole meeting. The next budget presentation by Planning & Development is scheduled for September 24th at the Regular Council meeting.

The Manager, Planning and Development along with the General Manager of Infrastructure & Planning will present the Planning & Development 2019 to 2021 proposed budget. This area of the proposed budget has decreased by \$178,947.00. The Manager, Planning and Development will provide the rationale regarding the change in this area of the proposed budget.

As noted in the first budget presentation by CAO and Corporate Services, budget preparations for the 2019 consolidated budget started in June this year and staff has participated in many hours of planning and data entry as a result. Of note, the overall 2019 proposed revenue is at \$130,909,192.00. The proposed revenue has increased by \$10M over the budgeted 2018 revenue. The projected increase is based on the 2018 actual revenue plus a 2% overall increase. The property tax portion of the revenue is based on maintaining the 2018 mil rates. Tax revenue includes the educational and seniors requisitions.

The Organizational wide Operational Expenditure Budget has increased by \$7,798,334.00 or 8.9% in comparison to the 2018 Operational Budget. The 2019 Capital Budget has decreased by \$24,144,153.00 or 35.19% compared to the 2018 Capital Budget. Each manager, as they present their proposed budgets to Council will highlight the changes in their area that has created the change in the overall budget compared to the 2018 budget.

The following is a list of the budget meeting dates scheduled with the managers and general managers:

October 9th, Regular Council Meeting: Recreation Services and Economic Development and Facilities Maintenance

October 15th, Committee of the Whole, Grande Cache: Protective Services, Agriculture Services and Community Services

October 22nd, Regular Council Meeting: Family and Community Support Services and Construction & Engineering

November 13th, Regular Council Meeting: Operations and Roads

November 26th, Regular Council Meeting: Environmental Services

All Administration budget presenters has created Power Points summarizing the changes in their area of the budget that contributed to the overall change in the 2019 budget compared to 2018 budget.

BENEFITS OF THE RECOMMENDED ACTION:

 The benefit of Council members following the recommended motion is that Council members will have reviewed and provided direction to Administration regarding each budget area. Thus providing Administration with the opportunity of making any Council requested adjustments prior to the final budget presentation on December 10th.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to review the Planning & Development area budget without providing input to Administration. This is not recommended by Administration due to the lack of efficiency that this would create in the budget process.

FINANCIAL IMPLICATION:

Direct Costs: \$139,399,129.00 (total Consolidated Budget – Operational and Capital)

Ongoing / Future Costs: N/A

The funding for the proposed budget will come from 2019 property taxes, provincial grant funding, revenue in relation to services provided by Administration and an approximate \$9.4 M withdrawal from reserves to deliver a balanced budget.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

INCREASING LEVEL OF PUBLIC IMPACT

Inform

PUBLIC PARTICIPATION GOAL

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

PROMISE TO THE PUBLIC

Inform - We will keep you informed.

FOLLOW UP ACTIONS:

Once Council has provided direction or changes to the proposed budget, Administration will create a tracking list of the governance changes and email Council the list to ensure that COW/Council members are able to catch any changes that Administration may have missed. Further, Administration will make the required changes in the budgeting software and provide a listing of the changes during the final budget presentation to Council on December 10th.

Municipal Government Act Revised Statutes of Alberta 2000, Chapter M-26 – July 1, 2018

Adoption of operating budget

242(1) Each council must adopt an operating budget for each calendar year.

245 Each council must adopt a capital budget for each calendar year.

Expenditure of money

248(1) A municipality may only make an expenditure that is

- (a) included in an operating budget, interim operating budget
- or capital budget or otherwise authorized by the council,
- (b) for an emergency, or
- (c) legally required to be paid.

SUBJECT: TERRAPIN GEOTHERMICS INC. PROPOSAL

	REGULAR COUNCIL MEETING	REVIEWED AND APPROVED FOR SUBMISSION	
MEETING DATE:	September 24, 2018	CAO:	MANAGER: KK
DEPARTMENT:	ECONOMIC DEVELOPMENT	GM: SW	PRESENTER: KK

RELEVANT LEGISLATION: **Provincial** (cite) – *NA*

Council Bylaw/Policy (cite) - NA

RECOMMENDED ACTION:

MOTION: That Council accept the Geothermal regulatory and funding options for the Greenview Geothermal Project Developments for information, as presented.

BACKGROUND/PROPOSAL:

Terrapin Geothermic Inc. has been the lead consulting firm on potential geothermal development opportunities within Greenview over the past 18 months.

Research completed by Terrapin in 2017 and 2018 lead to the submission of an Emerging Renewables Power Program (ERPP) grant application in April 2018. Both Greenview and Terrapin were advised in July 2018 that the Greenview application was presently declined due to a lack of provincial regulatory infrastructure within Alberta, regarding geothermal projects. In response to this decision, Terrapin took action to meet with members of Alberta Energy to discuss options to truncate the timeline to develop regulatory approval for geothermal projects in Alberta and specifically the Greenview projects. As a result of this effort, Alberta Energy proposed putting a "demonstration project" proposal for the Greenview project before the Legislature of Alberta in late 2018. Should the proposal be approved, Terrapin will notify the ERPP of the change in regulatory processes, with the understanding the last barrier to approval has been removed prior to the awarding of the spring 2019 ERPP grants.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of accepting the recommended motion is that Council will be provided with information that will aid in decisions regarding the continuation of this project and the affiliated funding necessary to move it forward.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to alter or deny the recommended motion.

FINANCIAL IMPLICATION:

Direct Costs:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

INCREASING LEVEL OF PUBLIC IMPACT

SUBJECT:	Conseil de development economique de l'alberta – Funding Request			
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APPROVED FOR SUBMISSION		
MEETING DATE:	September 24, 2018	CAO:	MANAGER: KK	
DEPARTMENT:	ECONOMIC DEVELOPMENT	GM: SW	PRESENTER: KK	
STRATEGIC PLAN:	Regional Cooperation			

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) - N/A

RECOMMENDED ACTION:

MOTION: That Council appoint a Member of Council to sit on the Steering Committee for the Northern Alberta Hemp Processing Initiative.

MOTION: That Council approve the membership cost of \$10,000.00 to retain a seat on the Steering Committee for the Northern Alberta Hemp Processing Initiative for two years, with funds to come from Council's Membership Seminars Conferences Budget.

BACKGROUND/PROPOSAL:

The conseil de développement économique de l'Alberta presented to Greenview Committee of the Whole on September 17, 2018. During the presentation a request was made for Greenview to join the Northern Alberta Hemp Processing Initiative (NAHPI) steering committee of this initiate for the next 2 years, to assist in promoting and planning for a hemp decortication facility to be developed in Northwestern Alberta. A cost of \$5,000.00 per year is associated with holding a seat in the steering committee and Council will need to appoint a member to attend meetings and events.

The proponent has already engaged numerous neighbouring municipalities to sit on the steering committee for this venture to support the diversification of the agricultural sector in northwest Alberta.

BENEFITS OF THE RECOMMENDED ACTION:

- The benefit of the recommended motion is that Greenview will be a participant in future planning meetings for a hemp processing facility that could benefit producers in Greenview and northwestern Alberta.
- 2. The benefit of the recommended motion is that Greenview would be and engaged partner municipality on a multi-jurisdiction project.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. The disadvantage of the recommended motion is that there are no current producers of hemp crops within Greenview, thus potential local demand for a future facility is unknown.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the option to alter or deny the requested motion.

FINANCIAL IMPLICATION:

Direct Costs: \$5,000.00 per year for 2 years (\$10,000 total (2018, 2019))

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

REVIEWED AND APPROVED FOR SUBMISSION CAO: MANAGER: GC GM: GG PRESENTER: GC

RELEVANT LEGISLATION: **Provincial** (cite) –N/A

Council Bylaw/Policy (cite) -N/A

RECOMMENDED ACTION:

MOTION: That Council accept Administration's update on the DeBolt RV Dumping Station for information, as presented.

BACKGROUND/PROPOSAL:

Administration has been exploring locations and options in providing area residents with a recreational vehicle sewer dump station in the DeBolt area.

Administration identified three potential sites to accommodate this need in the DeBolt area. The first site that was explored at the DeBolt Lagoon and has been ruled out due to the price of providing utilities being cost prohibitive. Bringing in power would have absorbed a large percentage of the budget and water nor sewer were readily available.

The second location that was explored occurred by the lift station in DeBolt, however, this was ruled out by Alberta Transportation due to its proximity to Highway 43 and Highway 736 and the potential for causing access issues.

The third site is located near the Crooked Creek waterpoint/recycle bins. This site is most preferred as there is a good non potable water source and power already available on site and the location is easily accessible and highly visible. Development permits have been acquired from both Alberta Transportation and Greenview to ensure the locations viability. Both development applications were approved for this land usage.

BENEFITS OF THE RECOMMENDED ACTION:

1. A benefit of the recommended motion is that Council will receive updated information on the DeBolt area RV Dumping Stations options.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to not accept the recommended motion for information.

Alternative #2: Council has the alternative to have Administration explore more locations available.

FINANCIAL IMPLICATION:

There are no perceived financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

Permit / File Number	Description	Location
RSDP022808-1	Development of recreational vehicle dump	Highway 43:06 Km 8.70
Development	station located on existing water point site with	NE-26-71-26-5
	access from an existing service road.	

Alberta Transportation Permit No. **RSDP022808** is issued to Municipal District of Greenview No. 16 (Permittee) under the Highways Development and Protection Regulation authorizing the above noted development(s). Issuance of this permit does not excuse violation of any regulation, bylaw or act which may affect the proposed project. This permit is subject to the conditions shown and should be carefully reviewed.

- 1. This permit is subject to the provisions of Section 11-19 inclusive of the Highways Development and Protection Act (Chapter H-8.5 2004), amendments thereto, and Highways Development and Protection Regulation (Alberta Regulation 326/2009) and amendments thereto,
- 2. All highway accesses are to be considered temporary. No compensation shall be payable to the Permittee or their assigns or successors when the Department removes or relocates the temporary access or if highway access is removed and access provided via service road,
- 3. The Department is under no obligation to reissue a permit if the development is not completed before expiry of this permit,
- 4. The Permittee shall not place any signs contrary to Alberta Regulation 326/2009. The separate "SIGN APPLICATION" form shall be submitted for any proposed sign,
- 5. No additional highway access will be permitted.,
- 6. Approval of companies having buried utilities shall be obtained prior to access construction or upgrading.,
- 7. The proposed development is to be set back approximately 85 metres from the highway property line, as shown on the attached site plan,
- 8. The Department accepts no responsibility for the noise impact of highway traffic upon any development or occupants thereof,
- 9. This permit approves only the development contained herein, and a further application is required for any changes or additions,

10. No direct highway access will be permitted. Access shall be via the local municipal road,

Permission is hereby granted to Municipal District of Greenview No. 16 to carry out the development in accordance with the plan(s) and specifications attached hereto and subject to the conditions shown above.

If the development has not been carried out by **August 29, 2019** this permit expires and the Permittee must reapply for a new permit if they wish to proceed.

If you have any questions about the permit or any of the conditions, please contact the undersigned Development and Planning Technologist.

SUBJECT:	Sturgeon Lagoon Expansion Engineer	ing	
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APPF	ROVED FOR SUBMISSION
MEETING DATE:	September 24, 2018	CAO:	MANAGER: GC
DEPARTMENT:	ENVIRONMENTAL SERVICES	GM: GG	PRESENTER: GC
STRATEGIC PLAN:	Infrastructure		

RELEVANT LEGISLATION: **Provincial** (cite) –N/A

Council Bylaw/Policy (cite) -N/A

RECOMMENDED ACTION:

MOTION: That Council accept the Sturgeon Lagoon Expansion Engineering report for information as presented.

BACKGROUND/PROPOSAL:

At the awarding of the Sturgeon Wastewater Lagoon Expansion, Council expressed interest in a report on total engineering fees for the project. The table below presents summarizes the professional fees for the project.

Design Phase	Budgeted	Spent to date
Preliminary and Detailed Design	-	51,800
Site Investigation (Helix and Parkland	-	40,800
Geo)		
Environmental and Regulatory	-	4,600
Sub-total Design	111,600	97,200
Construction Phase Services		
General Engineering, Meetings, and	120,400	-
Resident Inspection		
Materials Testing (Parkland Geo)	57,800	-
Survey Layout	8,900	-
Post Construction Services	9,300	-
Sub-total Construction	196,000	-
Project Management	13,400	6,400
Total	321,400	103,600

Associated Engineering has provided explanation of the engineering fees being such a large percentage of the project for a number of reasons, mainly:

- The site investigation included \$19,800 towards monitoring wells and existing well decommissioning that is required for lagoon operation, not design.
- The field investigations and environmental/regulatory work are not necessarily tied to the size of the project. The fees would be similar for a smaller or larger project.
- This is a modification to an existing lagoon which is more complicated. Significant effort must be put into construction sequencing/logistics, dirt balancing in order to maintain operation of the existing lagoon during construction.
- The largest portion of the fee is for construction phase services. We have considered the option of part-time inspection, say 2-3 days a week, however it does not offer considerable savings and scarifies the quality of the product. We are open to discussing options if the Greenview wants to reduce cost.

It was noted that the contingency of 15 percentage for the entire project is considered standard practice and is not an item that is broke down due to the unknowns that may occur.

Attached Council will find the August 27, 2018 RFD for information purposes.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of the recommended action is that Council will be informed of this information.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to not accept the recommended motion for information.

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

• Previous RFD

SUBJECT:	Contract Award for Sturgeon Heights	Lagoon Expansion	
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND AP	PROVED FOR SUBMISSION
MEETING DATE:	August 27, 2018	CAO: MH	MANAGER: GC
DEPARTMENT:	ENVIRONMENTAL SERVICES	GM: GG	PRESENTER: GC
STRATEGIC PLAN:	Infrastructure		

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) - N/A

RECOMMENDED ACTION:

MOTION: That Council approve Administration to award the Sturgeon Heights Lagoon Expansion Project to Roughrider Civil Infrastructure Ltd. in the amount of \$658,617.00, with funds to come from the Environmental Services 2018 Capital Budget.

BACKGROUND/PROPOSAL:

The proposed Sturgeon Heights Lagoon Expansion project was posted July 17th on the Alberta Purchasing Connection (APC), to obtain bids for construction of an additional storage cell and expanded facultative cell at the current site in Sturgeon Height.

The New West Partnership Trade Agreement allows the municipality to sole source the water treatment equipment if Greenview desired but we chose to invite 4 reputable companies to compete. Only two bids were received for the project and they were opened on August 2 at 2:00 pm in Edmonton at Associated Engineering's office.

The lowest bid, from Kichton Contracting Ltd. at \$514,065, was considered to be a Non-Compliant Bid, for reason of not complying with the "instructions to bidders" and by submitting conditions and exclusions. It was then recommended by Associated Engineering that Kichton Contracting's tender bid be considered non-compliant.

Table 2.0 – Anticipated Project Cost

Item	Estimate (excludes GST)
Construction - Roughrider	\$658,617
Contingency (15%)	\$98,800
Engineering Design and Services during Construction (AE)	\$321,300
TOTAL	\$1,078,717

The 2018 approved funding for this project is \$1,319,000.00.

The bid submitted by Roughrider falls within our budget estimates and would not require additional funds.

Administration feels it prudent to award the contract to Roughrider, as they complied with the submission requirements.

BENEFITS OF THE RECOMMENDED ACTION:

- 1. The benefit of Council accepting the recommended motion will be the needed expansion of the wastewater treatment lagoon in Sturgeon Heights.
- 2. The benefit of Council accepting the recommended motion is project schedules will likely stay on track allowing for the 2018 construction schedule.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to not accept the recommended motion. This will likely not allow administration to meet the 2018 construction schedules

Alternative #2: Council has the alternative to re submit the Request for Bids. This is not recommended as there no guarantee that results would change (could come in higher), and we could lose our 2018 construction window.

FINANCIAL IMPLICATION:

Direct Costs: \$658,617.00 to come from Environmental services 2018 Capital Budget

Ongoing / Future Costs: Long term operating costs associated with an expanded wastewater treatment lagoon are included in upcoming environmental services annual operational budget. No more operating costs due to expansion

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

ATTACHMENT(S):

• Sturgeon Heights Lagoon Expansion Recommendation for Award of Contract

SUBJECT:	Grovedale Public Service Building Do	or Locks	
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APP	ROVED FOR SUBMISSION
MEETING DATE:	September 24, 2018	CAO:	MANAGER: DR
DEPARTMENT:	PROTECTIVE SERVICES	GM: SW	PRESENTER: DR
STRATEGIC PLAN:	Infrastructure		

RELEVANT LEGISLATION: **Provincial** (cite) – *N/A* **Council Bylaw/Policy** (cite) – *N/A*

RECOMMENDED ACTION:

MOTION: That Council accept the Grovedale Public Service Building Installation of Additional Door Locks Report for information, as presented.

BACKGROUND/PROPOSAL:

In 2016, Greenview completed the construction of two Municipal Public Service Buildings, respectively located in the hamlets of DeBolt and Grovedale. The importance of these multipurpose buildings has quickly grown to become a significant component of Greenview's day-to-day operations through the housing of Administration staff, ability to accommodate meetings and public events and of course they are the home of two Greenview Fire Departments.

The Grovedale Fire Department has recently expressed concern regarding non-fire department staff such as contractors working within the building and Administration accessing the kitchen/lounge and truck floor areas of the Grovedale Public Service Building.

On their own accord, the members of the Grovedale Fire Department have invested in the installation of a large screen television and sound system, a pool table, and food and beverage products for use by fire department members only into the kitchen/lounge area. As a result of the investment and concerns, the Grovedale Fire Department have requested that locks be installed to restrict access to the kitchen/lounge and the truck floor areas of the Grovedale Public Service Building. In addition, the Fire Department is basing the door lock request on the fact that they use this area for critical incident stress debriefings after emergency incidents, and have indicated that sensitive call and personal information is left out in the room while the files are being completed. However, it should be noted that the fire department is provided with three (3) individual offices and have access to the training room and small conference room. In addition, the Fire Department feels there may be the possibility for fire apparatus to be tampered with if access to the truck floor is not controlled.

Administration have put procedures in place to inform the Fire Department of when the building is going to be used, the areas that will be utilized, and communicates directly with the Fire Department if the lounge,

truck floor or outside aprons by the truck bays will be used by Administration. The same procedure is in place with the DeBolt Fire Department, although the DeBolt Fire Department has no interest in restricting access to any portion of the building.

Administration has determined that the cost of accommodating the request will be approximately \$14,000.00. The high cost to add the locks can be attributed to the difficulty of accessing existing electrical infrastructure, the kitchen area being an access to egress for emergencies and the integration into the alarm system so the locks are disabled during an alarm.

If Council wishes to proceed with the addition of the door locks funding options can include the reallocation of monies from the capital project PS18003 Grovedale Rope Rescue Anchor Points. This project has an allocation of \$30,000.00 dollars and it is not anticipated to be completed in 2019, therefore, \$14,000.00 can be utilized for the door locks and the remaining \$16,000.00 can be returned to reserves.

If granted, this request will greatly restrict access to Greenview employees to the specified areas in the Greenview Public Service Building. In addition, if granted, this may set a precedent for access restrictions in other Greenview facilities.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefits of the recommended motion is that Council will be informed of a request from the Grovedale Fire Department.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to accommodate the request made by Grovedale Fire Department.

FINANCIAL IMPLICATION:

There are no perceived financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

SUBJECT:Waterpoint Usage ReportSUBMISSION TO:REGULAR COUNCIL MEETINGMEETING DATE:September 24, 2018DEPARTMENT:ENVIRONMENTAL SERVICESSTRATEGIC PLAN:Level of Service

REVIEWED AND APPROVED FOR SUBMISSION CAO: MANAGER: GC GM: GG PRESENTER: GC

RELEVANT LEGISLATION: **Provincial** (cite) – Water Act

Council Bylaw/Policy – Policy 4016 -Bulk Water Usage

RECOMMENDED ACTION: MOTION: That Council receive the Waterpoint Usage Report for information, as presented.

BACKGROUND/PROPOSAL:

Administration continues to work with Council in finding a solution to ensure that water point customers' needs are being met without creating long wait times for other residents when accessing the water points. While finding a solution for this issue Administration must be aware of the well licencing details set forth by Alberta Environment and Parks for each site.

In Alberta, the diverting and usage of ground water requires a licence under the province's Water Act. The licence identifies the location of the diversion site, volume, rate and timing of water to be diverted, priority of the "water right" established by the licence, and any conditions the diversion must adhere to.

Each of the wells that are used for the purpose of water supply at Greenview's Water Points follow this mandate. Annual authorized amounts, average daily amounts, and maximum daily amounts are defined in the Water Licence that must be abided by.

These set volume amounts are calculated on the aquifer recovery time and the "water rights "permitted to other users. These factors determine the maximum pumping rate allowed for water diversion from the aquifer. The diversion numbers are for the raw water being taken from the well, but this does not reflect equal amount of potable water being produced as the RO systems reject approximately 30 percent of raw water during the treatment process.

Attached is a spreadsheet of the allowed water diversion and pumping rates per well as per the Water Act. The second attached spreadsheet indicates the total amount of customers in Greenview, the amount of water used per site per month, the amount of customers per site per month in 2018 to date. Prior to Administration adding the limit restriction to each account through the billing software program in June, Administration used the honor system with the customers and advised them of the daily limit when setting up an account. This helped to ensure water was available to each customer when accessing the water point.

When a situation occurred that there was no water available for a customer, Administration would review the transaction report for the particular water point in question and contact the customer that did not comply with the limit restriction. This would usually resolve the issue with that particular customer taking too much water at one time, but it did not resolve the problem for the customer who arrived on site and was not able to access the water they required.

Due to the over usage and the calls from concerned customers to ensure that there is water available for all customers upon arrival at the water point, Administration set a daily limit per customer of 5 cubic metres through the software program. This is in accordance with Council Direction in Policy 4016 "Bulk Water Usage" which was passed May 14, 2018. Administration has received some calls in regards to the restriction being active on each account, but once a discussion happened with the customer, it was better understood and the problem was resolved.

Customers are being encouraged to call Administration if there is an occasional need for more water than the current 5 cubic meter limit to.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit to accepting the report for information is the understanding of the limits required to be able to provide all waterpoint users the opportunity to get water and allows administration to work with customers that occasionally require higher volumes of water.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1:

Council has the alternative to remove the customer limits from the accounts through the billing software and have administration return to monitoring the site usage as the department did prior to the software upgrades. Although, this option does create the opportunity for customers to take as much water as they want, it has the potential to create long wait times for other residents when accessing a waterpoint.

Alternative #2:

Council has the alternative to request Agriculture Services to investigate alternative water source options for agricultural needs and usages.

FINANCIAL IMPLICATION:

Direct Costs: There are no financial implications to the recommended motion.

Ongoing / Future Costs: There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

Water Point Usage Report

SUBJECT:	Citizen Panel Appointment – Valleyv	iew Intermunicipal De	velopment Plan (VVIDP)
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APP	ROVED FOR SUBMISSION
MEETING DATE:	September 24, 2018	CAO:	MANAGER: SAR
DEPARTMENT:	PLANNING & DEVELOPMENT	GM: GG	PRESENTER: PL
STRATEGIC PLAN:	Development		

RELEVANT LEGISLATION: **Provincial** (cite) –N/A

Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION:

MOTION: That Council appoint the Citizens' Panel Members for the Valleyview Intermunicipal Development Plan review process as listed in Table 1 of the attached Schedule 'A'.

BACKGROUND/PROPOSAL:

A Citizens' Panel of eight (8) members was proposed as part of the Public Engagement process for the Valleyview Intermunicipal Development Plan review, with four (4) members to be appointed from each of the Municipal District of Greenview and Town of Valleyview.

A total of six (6) applications were received for Greenview applications. The applications were reviewed carefully to obtain diverse and knowing input into the review based on the following criteria:

- 1) The general area in which they owned property;
- 2) The age group they fit within;
- 3) Their related experience; and
- 4) Their gender.

Although there were other suitable applicants, the above benchmarks resulted in the members selected as listed in Table 1 of the attached Schedule 'A'.

The Citizens' Panel is only one aspect of the public engagement process and the two (2) applicants not appointed to the panel, along with other interested parties, will have a number of opportunities to have their voice heard and provide input, which include:

- 1) Through the selected panel members;
- 2) At the open house or similar engagement opportunities that will be scheduled and advertised throughout the review; and
- 3) Directly to administration.

One of the objectives of forming a Citizens' Panel is that the process provides an opportunity for the members to learn about the importance of municipal legislation, which policies are required by legislation and how the policies are created. It is a method that allows for constructive feedback from citizens that have a working understanding of the plan and also allows knowledge gained to be shared in the community.

Schedule 'A' provides a list of individuals who have applied to be on the Citizen Panel to assist in the Public Consultation Process, with those recommended by Administration for appointment to the Citizen Panel for the Valleyview Intermunicipal Development Plan included in Table 1, based on the above criteria.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Council accepting the recommended motion is that the selected applicants create a varied group of members for the plan review considering the area, gender, age and background.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. The disadvantage that will result by following the recommended action is that not all applicants are selected, although the number of members on the list is in accordance with previously approved budget and advertised criteria.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to substitute a name from Table 2 with someone listed on Table 1. This option may not provide the balance of members based on the selection criteria, being different areas around the lake, gender, age group, interests, their background and/or expertise.

FINANCIAL IMPLICATION:

Budget has been identified within the Planning & Development Budget.

Direct Costs: Planning Budget provides \$9.000 for the Citizens' Panel for the VVIDP review.

Ongoing / Future Costs: Budget details for the public engagement and Citizens' Panel for the VVIDP Review were established in the 2018-19 Planning Budget in the amount of \$9,000.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

INCREASING LEVEL OF PUBLIC IMPACT

Involve

PUBLIC PARTICIPATION GOAL

Involve - To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered.

PROMISE TO THE PUBLIC

Involve - We will work with you to ensure that your concerns and aspirations are directly reflected in the alternatives developed and provide feedback on how public input influenced the decision.

FOLLOW UP ACTIONS:

Letters will be sent out notifying all applicants of members selected to sit on the VVIDP Citizens' Panel.

ATTACHMENT(S):

SUBJECT:	Municipal Planning Commission Mee	ting	
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APP	PROVED FOR SUBMISSION
MEETING DATE:	September 24, 2018	CAO:	MANAGER: SAR
DEPARTMENT: STRATEGIC PLAN:	PLANNING & DEVELOPMENT Level of Service	GM: GG	PRESENTER: SAR

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION:

MOTION: That Council schedule the Municipal Planning Commission meetings on November 14, 2018 and December 11, 2018, commencing at 9:00 a.m. in the Council Chambers, Administration Building, 4806 - 36th Avenue, Valleyview, AB.

BACKGROUND/PROPOSAL:

The Regular Council Meetings. As per Greenview history, MPC follows the first Regular Council Meeting of the month. In the past, meeting dates were scheduled annually by Council motion from Organizational Meeting to the following Organizational Meeting which does not work well for advanced scheduling. Therefore, it is recommended that at the Council Organizational Meeting all dates be selected for the entire year.

At the October 24, 2017 Organizational meeting Council made the following motion;

That Council hold the Municipal Planning Commission meetings on the following dates commencing at 9:00 a.m. in the Council Chambers, Administration Building, 4806-36th Avenue, Valleyview, AB,: November 1th, 2017 December 12th, 2017 January 9th, 2018 February 13th, 2018 March 13th, 2018 April 10th, 2018 June 12th, 2018 June 12th, 2018 September 11th, 2018 October 10th, 2018 And further that Council cancel the November 8th, 2017 and August 14th, 2018.

Administration is seeking Council's direction to determine the Municipal Planning Commission meetings for the dates of November 14, 2018 and December 11, 2018, respectively.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Council accepting the recommended motion is that Council will have set dates for the November and December 2018 Municipal Planning Commission meetings.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to choose different dates and start times for the Municipal Planning Commission Meetings.

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

INCREASING LEVEL OF PUBLIC IMPACT

Inform

PUBLIC PARTICIPATION GOAL

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

PROMISE TO THE PUBLIC

SUBJECT:	Snipe Lake Boat Launch Developmen	ts	
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APP	ROVED FOR SUBMISSION
MEETING DATE:	September 24, 2018	CAO:	MANAGER: MN
DEPARTMENT:	RECREATION	GM: SW	PRESENTER: MN
STRATEGIC PLAN:	Development		

RELEVANT LEGISLATION: Provincial (cite) - N/A

Council Bylaw/Policy (cite) - N/A

RECOMMENDED ACTION:

MOTION: That Council authorize Administration to develop a plan for the purchase of land located at NW34 -70-19 W5M for the purpose of building a parking lot to accommodate parking for an adjacent boat launch located on Snipe Lake.

MOTION: That Council authorize Administration to develop a plan for a partnership with Big Lakes County to make improvements to a boat launch located on SW34–3–71–19 W5M.

BACKGROUND/PROPOSAL:

Snipe Lake is a 10,998 acre water body in which approximately 95% of it is within Big Lakes County. The approximate remaining 5% of the lake crosses into Greenview and generally speaking, this portion consists of a shallow bay comprised of open water and bulrush with no convenient access from land.

Recent inquiries have been made to Administration regarding the potential for development to increase the usability of a boat launch located adjacent to Greenview prompted a review of the current access points and related conditions.

Development along the lakes shoreline is minimal, however increased interest in camping and lake access continues to grow. Currently, Snipe Lake has three existing boat launches, a formal launch located on the north side of the lake which is associated with a small community ran campground and can be difficult to access in inclement conditions. Another launch occurs near the portion of lake that crosses into Greenview, however, it is part of a private campground and is not open to the public.

The third launch is the one inquired about for possible further development and is perhaps the most popular for general public access. It occurs off of Township Road 710 which is maintained by Greenview and divides the municipality from Big Lakes County. This boat launch is considered informal and is a part of a road allowance that runs into the lake. Two main issues have been identified in relation to the public use of this

launch. The first is the condition of the launch itself. While generally providing fair to good lake access, there is no formal concrete pad leading into the lake or a dock system that can provide temporary mooring. The ability to address this issue is difficult because this portion of land occurs on the Big Lakes County side of Township Road 710. The second issue identified is parking. Due to the lake access occurring on a road allowance there is no room for parking, therefore parking of vehicles along Township Road 710 often results causing safety concerns and grief for Greenview ratepayers.

Addressing this issue is feasible, Administration has identified the opportunity to increase parking space through the purchase of land located at NW 34 -70-19- W5M, which occurs on the south side of Township Road 710 and is within Greenview. The creation of a parking area on this land is projected to alleviate congestion on Township Road 710.

Administration has approached land owners regarding the potential purchase of land to accommodate a parking area and they have indicated that they are amiable to the idea. Improvements to the boat launch area could occur, however, this would require a partnership with Greenview, Big Lakes County, Department of Fisheries and Ocean, Alberta Environment and Parks and a cost sharing agreement would have to be established.

BENEFITS OF THE RECOMMENDED ACTION:

- 1. The benefit of Council accepting the recommended motion is that Administration can enter into negotiations for the purchase of land for the purpose of building a parking lot that will decrease congestion on Township Road 710, while enhancing safety in the area.
- 2. The benefit of Council accepting the recommended motion is that Administration can pursue a partnership with Big Lakes County for the enhancements of a boat launch commonly used by Greenview ratepayers.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. The disadvantage of the recommended motion is that Greenview will be developing land to accommodate a recreation access point that occurs in another municipality.

ALTERNATIVES CONSIDERED:

Alternative #1:

Council has the alternative to alter or deny the recommended motion.

FINANCIAL IMPLICATION:

Direct Costs:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

Staffing implications to the recommended motion include time required to develop a plan for the purchase and design of a parking lot and a plan for the improvements to the boat launch area.

PUBLIC ENGAGEMENT LEVEL:

SUBJECT:Signing Authority PolicySUBMISSION TO:REGULAR COUNCIL MEETINGMEETING DATE:September 24, 2018DEPARTMENT:CORPORATE SERVICESSTRATEGIC PLAN:Level of Service

REVIEWED AND APPROVED FOR SUBMISSION CAO: MH MANAGER: GM: PRESENTER: MH

RELEVANT LEGISLATION:

Provincial (cite) – MGA Section 213(4) and (5) Signing or authorization of municipal documents

Council Bylaw/Policy (cite) – AD 22 Signing Authority Policy

RECOMMENDED ACTION:

MOTION: That Council adopt proposed Signing Authority Policy which replaces Policy AD 22.

BACKGROUND/PROPOSAL:

Policy AD 22 governs the signing of cheques. It does not deal with the signing process or other documents which regularly require signing by Greenview. The proposed Signing Authority Policy broadens signing delegations beyond just cheques and formally captures many current signing processes. Having such a policy clearly establishes Council's delegation of several functions to Administration (which are already happening).

Administration tabled a proposed Signing Authority Policy at the last Policy Review Committee (PRC) Meeting. The Policy Review Committee requested changes to the policy, which were completed by Greenview's Special Projects Coordinator.

The amendment requested by the PRC was to include language indicating that cheques could not be sent until after they have been reviewed by the Reeve. This means that Administration would have to change the Accounts Payables process and insert some form of review prior to cheques being sent out – either after or before those cheques are printed. The rational for reverting to the old process is due to Council members being concerned about their digital signature being on the cheque and the cheque being issued without the Council member's prior knowledge of why the cheque was written.

The following information is for Council's understanding.

- A) each invoice is reviewed, coded and signed by the department Manager; thus indicating that we have received the services and or supplies and are responsible to pay the invoice;
- B) depending on the value of the invoice, the General Manager or Chief Administrative Officer signs it as well;
- C) these signed invoices are sent to Accounts Payables (AP) for processing and payment.

- D) within the AP process, the accounts payables coordinator enters the information into the finance system;
- E) she prints a report and hands off the information (invoices and report) to be checked for potential entry errors,
- F) the batch is checked to review the report in comparison to the information on the invoice (date, invoice number, vendor, GL number, Job ID, object code, activity, amount and whether the right signing authority has signed the invoice);
- G) batch is checked by either another admin support person or the Manager of Finance and Administration or the General Manager of Corporate Services before the cheques are printed or released to vendors;
- H) a copy of the vendor listings with the applicable cheque numbers, vendor name, description and the amount of the cheques are sent to Council for information.

Greenview's Accounts Payable issues approximately 2000 cheques per month. A cheque could include 1 to 30 invoices from the same vendor. Each AP batch is based on printed cheques; changes could mean additional changes in this part of the process as well. The potential delay in the release of cheques is concerning for the AP Coordinator. The AP batches are a continual process at Greenview. She already receives calls regarding when the vendor will receive payment. Some councillors also are asked why a vendor's cheque has not been released in the timeframe the vendor thinks it should be released in. While Greenview has an official 30 days to make payments to vendors, Administration tries to ensure that payments are made within a two week period.

Several alternatives to the proposed wording in the policy are listed below. Alternative #1 is recommended by Administration.

BENEFITS OF THE RECOMMENDED ACTION:

- 1. Administration's recommended amendment will allow concerns regarding the use of electronic signatures to be alleviated while not greatly delaying the process.
- 2. Administration's recommended amendment allows for all of Council to receive information without Council, or individual members of Council, conducting administrative work.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. Issuing of cheques will be delayed by 48 hours above the current process if Administration's recommended change is made. As written, the policy may result in longer delays.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to change the Signing Authority Policy under Procedure 17 to state, "a cheque listing will be forwarded to Members of Council 48 hours prior to the cheques being issued to the vendors. The cheque listing will provide the detailed information of cheque number, vendor, date, amount and description (the reason for the payment). This information being shared before the release of the cheques should eliminate the concerns with the cheques being released before the signatories are aware of why the cheque was sent. Under this alternative Section 18 would be deleted. This is Administration's recommended amendment to the Signing Authority Policy.

Alternative #2: Based on Sections 213(4) and (5) of the MGA Council has the option of changing the signatories on Greenview's cheques and other negotiable instruments to just the CAO or the CAO and another designated officer appointed by Council. (copy of this section of the act is attached for Council's information). This option again would eliminate the concern about cheques being issued before the signatories are aware of why the cheque was sent. This would be the most efficient process.

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

ADMINISTRATION

POLICY NUMBER: AD 22

POLICY TITLE: SIGNING AUTHORITY

Page 1 of 1

11.10.557

Date Adopted by Council / Motion Number:

PURPOSE:

To establish signing authority for all Municipal cheques issued.

POLICY:

The M.D. recognizes the need to safeguard the expenditures of funds when cheques are issued.

- 1. Signing authorities for the Municipality will be:
 - a) for the elected representatives, the Reeve or Deputy Reeve; and
 - b) for the appointed representatives, the C.A.O. or Director of Corporate Services.
- 2. All cheques of the Municipality drawn on its General Account will be signed by the Reeve; in the Reeve's absence the Deputy Reeve; and in the Deputy Reeve's absence, any other Councillor.
- 3. All cheques of the Municipality drawn on its General Account will be counter-signed by the C.A.O., and in his/her absence the Director of Corporate Services, and in their absence, an official appointed by Council.
- 4. This policy will be implemented in accordance with the Accounts Payable and Expenditure Control Policies.

Title: Signing Authority

Policy No:

Effective Date:

Motion Number:

Supersedes Policy No: AD 22

MUNICIPAL DISTRICT OF GREENVIEW NO. 1

Review Date:

Purpose: The purpose of this Policy is to establish signing authorities for agreements, contracts and other municipal documents excluding expenditures. For Expenditures signing authority see Policy 1018 Expenditures and Disbursement. The intent of this Policy is to provide the municipality with flexibility in the signing of various documents to improve the efficiency of business operations, while maintaining effective internal controls and approval processes.

DEFINITIONS

Act means the Municipal Government Act, R.S.A 2000, Chapter M-26. as amended.

CAO means the Chief Administrative Officer of the M.D of Greenview.

G.M means General Manager referring to the General Managers of each of the major departments: Infrastructure and Planning, Corporate Services, and Community Services.

MOU means a Memorandum of Understanding.

Routine Nature means agreements, programs and service that are renewed annually, or that regularly occur throughout the year.

POLICY

- 1. This policy designates the general legal signing authorities for Greenview. Specific signing authorities may be designated in various bylaws and policies.
- 2. The CAO, as per Section 209 of the *Municipal Government Act*, may delegate any of the powers, duties or functions under the *Act* to a designated officer or employee of the municipality. The CAO delegates their authority to sign agreements, contracts and other Greenview documents to the employees indicated in this policy.
- 3. Unless otherwise indicated in this policy, or as required by provincial or federal legislation, a contracting party or financial institution, all documents require a single authorized signature.
- 4. Any employee who is in any of the designated positions in an acting capacity, has been delegated all the powers and responsibilities of that position and may sign Greenview documents as outlined in this policy.
- 5. In the absence of the Reeve, the Deputy Reeve has the authority to sign Greenview documents requiring the signature of the Chief Elected Official as outlined in this policy.
- 6. All individuals authorized as a result of this policy are responsible for:

- a. Being aware of compliance with all relevant bylaws, procedures, as well as external legislative requirements when exercising their authority;
- b. Ensuring that all designated individuals understand the powers, duties and functions that have been delegated to them.

PROCEDURE

Bylaws

7. All enacted bylaws shall be signed by the Reeve and the Chief Administrative Officer.

Council Minutes

8. All Council Meeting minutes shall be signed by the Chairperson presiding at the meeting and the CAO, or in their absence the Designated Acting CAO.

Board and Committee Minutes

- 9. All Board and Committee minutes shall be signed by the Chairperson presiding at the meetings and the Recording Secretary unless otherwise indicated in this policy.
- 10. Municipal Planning Commission Minutes shall be signed by the Chair and the Manager of Planning and Development.
- 11. FCSS Board Meeting Minutes shall be signed by the Chair and the Manager of FCSS.
- 12. Agriculture Service Board (ASB) Meeting Minutes shall be signed by the Chair and the Manager of Agriculture Services.

Agreements and MOUs

- 13. Unless otherwise provided for in this policy, all non-operational agreements approved by Council shall be signed by the Reeve (or the Deputy Reeve in the Reeve's absence) and by the Chief Administrative Officer.
 - a. Inter-municipal agreements
 - b. Inter-governmental MOUs
 - c. Professional services agreements
 - d. Revenue sharing agreements
- 14. Generally all agreements, contracts and MOUs that are not addressed in the Expenditures and Disbursement Policy, require the signature of the G.M of the relevant department with the exception of contracts and agreements of a routine nature which may be delegated to the relevant manager as indicated in Procedure 12.

Routine Service and Maintenance Contracts

- 15. Unless otherwise provided for in this policy or other provincial or federal legislation, all contracts and agreements of a routine nature for the provision of services, maintenance, or municipal programs should be signed by the applicable G.M or the CAO in their absence. General Managers may delegate in writing signing authority for contracts, services and programs of a routine nature to the relevant manager of the department. This includes, but is not limited to the following:
 - a. Janitorial agreements
 - b. Equipment rentals
 - c. Maintenance agreements
 - d. Contractual agreements
 - e. Service agreements

f. MOUs not relating to inter-governmental relations

Cheques and Financial Instruments

- 16. Cheque signing authority is limited to the following people:
 - a. The Reeve, and Deputy Reeve in the Reeve's absence, or any member of Council in the absence of the Reeve and Deputy Reeve; and
 - b. The CAO, and the G.M of Corporate Services.
- 17. Accounts payable cheques and accounts payable electronic fund transfers requires the signature of the Reeve, or Deputy Reeve in the Reeve's absence and the CAO or the G.M of Corporate Services.
- 18. Prior to accounts payable cheques and accounts payable electronic fund transfers being issued, accounts payable summaries require the review of a Member of Council.
- 19. Payroll cheques (cheques issued only in the event of extenuating circumstances) and payroll electronic fund transfers require the signatures of the CAO or their designate, and the G.M of Corporate Services.
- 20. Council authorizes the use of lithographed, printed or digital signatures of the Reeve and CAO for the signing of all cheques as per section 213(5) of the MGA.

Employment Contracts

- 21. All Offers of Employment shall be signed by a Human Resources Officer.
- 22. All approved Recommendations for Hire with the exception of the CAO, shall be signed by the Manager and G.M responsible for the position or the CAO in the absence of either signatory.
- 23. For the hiring of Managers, Recommendations for Hire shall be signed by the G.M responsible for the position and the CAO.
- 24. For the hiring of General Managers, Recommendations for Hire shall be signed by the CAO and a Human Resources Officer.
- 25. The approved employment contract of the CAO shall be signed by the Reeve and Deputy Reeve.

Land Title Documents

26. Land titles documents which are required to be registered at Land Titles, and not otherwise provided for under this policy, such as caveats, development securities, easements, encumbrances, liens, utility right-of-ways, etc., shall be signed by the Reeve or Deputy Reeve in the Reeve's absence, and the CAO, as required or acceptable by the Land Titles Office and should include the corporate seal.

Documents Pursuant to the Land Use Bylaw

27. Documents which are approved subject to Greenview's current Land Use Bylaw, such as subdivision endorsements, development permits, stop orders, etc. shall be signed by the Manager of Planning and Development, upon approval from the Municipal Planning Commission where required.

Documents Relating to Greenview Land

28. Documents relating to the surface rights agreements with oil and gas companies or easement agreements with utility service providers, such as ATCO Gas or ATCO Electric or any similar agreements shall be signed by the CAO or the G.M of Infrastructure and Planning or their designate.

Tax Recovery Documents

29. Documents related to Tax Recovery, Part 10, Division 8 and 9 of the MGA, shall be signed by the G.M of Corporate Services or the CAO.

Other

- 30. All other financial documents, options, agreements, and letters of intent shall be signed by the CAO or designate and the Reeve or Deputy Reeve in the Reeve's absence.
- 31. All signing authorities and approval requirements outlined in this policy are still subject to the requirements set out in the Expenditures and Disbursement Policy when applicable.

★ Dual signing authority: requires signatures of both parties indicated

Municipal Government Act, RSA 2000, Chapter M-20 – current as January 1, 2018

Signing or authorization of municipal documents

Section 213

- a. Signing Authority for agreements and cheques and other negotiable instruments is addressed in Section 213(4) and (5) of the MGA.
- b. Requires the signature of a designated officer appointed by Council. Does not have to be the Reeve.

(4) Agreements and cheques and other negotiable instruments must be signed or authorized

- (a) by the chief elected official or by another person authorized by council to sign them, and
- (b) by a designated officer,

or by a designated officer acting alone if so authorized by council.

(5) A signature may be printed, lithographed or otherwise reproduced if so authorized by council.

SUBJECT:	Manager Request – Disaster Related Overtime				
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APP	ROVED FOR SUBMISSION		
MEETING DATE:	September 24, 2018	CAO: MH	MANAGER:		
DEPARTMENT:	CAO SERVICES	GM:	PRESENTER: MH		
STRATEGIC PLAN:	Level of Service				

RELEVANT LEGISLATION: **Provincial** (cite) – NA

Council Bylaw/Policy (cite) - NA

RECOMMENDED ACTION:

MOTION: That Council provide direction to Staff regarding Management related overtime incurred during Spring 2018 flooding.

BACKGROUND/PROPOSAL:

A request has come forward from a member of the management group asking that Council consider overtime compensation for management for overtime hours worked as a result of the 2018 spring flooding.

The current Staff Agreement states that:

6.9.2

With exception of 6.9, in an emergency, managerial staff may receive overtime compensation for the hours worked in accordance with Article 6 Overtime with Council's approval. This article will be recognized as the Disaster Overtime clause. Council approval will only be granted for significant and extraordinary events of a prolonged and/or extreme nature as determined by Council.

Managerial staff are not normally compensated for overtime hours. Clause 6.9.2 of the Staff Agreement recognizes that there may be instances when overtime requirements of managers exceed what is normally expected of managers. As per the clause, Council is the arbiter of what events meet this criteria.

This request has come forward from a member of the management group and as such it is being forwarded to Council for consideration.

It is difficult to assess the impact of this decision as not all management staff track their overtime. Tracking of overtime is a practice that during emergency/disaster events in the future should be incorporated.

BENEFITS OF THE RECOMMENDED ACTION:

1. Management staff will be compensated for time worked during the 2018 spring flooding.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. It will be difficult to apply this to all managers as not all managers tracked their overtime specific to this event.

ALTERNATIVES CONSIDERED:

Alternative #1: Council may opt to invoke clause 6.9.2 and allow compensation for overtime hours specific to the 2018 Spring Flooding.

Alternative #2: Council may opt to decide that the 2018 Spring Flooding did not meet the criteria of a *"significant and extraordinary events of a prolonged and/or extreme nature"* as outlined in the Staff Agreement.

FINANCIAL IMPLICATION: Direct Costs: Unknown Ongoing / Future Costs: NA

STAFFING IMPLICATION:

SUBJECT:	Intermunicipal Collaboration Frame	eworks	
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APP	PROVED FOR SUBMISSION
MEETING DATE:	September 24, 2018	CAO: MH	MANAGER:
DEPARTMENT:	CAO SERVICES	GM:	PRESENTER: MH
STRATEGIC PLAN:	Intergovernmental Relations		

RELEVANT LEGISLATION: **Provincial** (cite) – Municipal Government Act

Council Bylaw/Policy (cite) - NA

RECOMMENDED ACTION:

MOTION: That Council direct Administration to complete the Intermunicipal Collaboration Frameworks with Yellowhead County, Woodlands County, and Birch Hills County Administratively.

MOTION: That Council authorize the Reeve and CAO to complete the Intermunicipal Collaboration Framework with the County of Grande Prairie.

BACKGROUND/PROPOSAL:

As Council is aware, Greenview is required to complete Intermunicipal Collaboration Frameworks (ICFs) with all neighbouring municipalities. Some of the ICF's, such as those with urban neighbours, will be more complex than others.

In discussions with some neighbouring rural municipalities, there has been mutual interest in completing the ICFs largely administratively as there is little to discuss or review. In these cases, the ICFs will be almost complete simply by gathering the information necessary to begin discussions. Such is the case with Woodlands, Yellowhead, and Birch Hills Counties. With these municipalities there are few agreements or shared services and the municipalities are happy with the status quo. Administration suggests that the ICF document be put together by the respective administrations working together. Ultimately, the document must be brought back to Council for review and approval.

In discussions with the County of Grande Prairie, as well as discussions between Reeve Gervais and Reeve Beaupre, it is believed that a small working group consisting of the Reeves and CAOs (with other staff as required) would be able to successfully and quickly complete the ICF requirements. This document as well would ultimately come back to Council for approval. In talking with the consultants hired by the County of Grande Prairie, much of the work is already completed.

BENEFITS OF THE RECOMMENDED ACTION:

1. This will allow a number of ICF agreements to be completed quickly and efficiently, at lower cost.

DISADVANTAGES OF THE RECOMMENDED ACTION:

There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council may opt to take an approach similar to that taken with Big Lakes County whereby Council or a group of Councillors are appointed to a temporary Board tasked with completing the document.

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion. ICF completion was an anticipated activity.

SUBJECT:	Audit Services
SUBMISSION TO:	REGULAR COUNCIL MEETING
MEETING DATE:	September 24, 2018
DEPARTMENT:	CORPORATE SERVICES
STRATEGIC PLAN:	Level of Service

REVIEWED AND APPROVED FOR SUBMISSIONCAO:MANAGER:DDGM:ROPRESENTER:RO

RELEVANT LEGISLATION:

Provincial (cite) – Municipal Government Act (MGA) s. 280.

RECOMMENDED ACTION:

MOTION: That Council award the external audit service contract for Greenview to Metrix Group LLP for a term of three years 2018 to 2020 inclusively at a cost of \$125,510.00.

BACKGROUND/PROPOSAL:

Greenviews' current contract for audit services will expire on December 31, 2018. As a requirement of the Municipal Government Act (MGA), section 280, Council is required to appoint auditors for the municipality.

On July 30, 2018, Administration posted an open "Request for Proposal" for External Audit Services on the Alberta Purchasing Connection (APC), with a closing date of August 29th, 2018. Greenview received five (5) proposals, two (2) of which were non-compliant. The remaining three (3) proposals were scored and evaluated as per the terms laid out in the RFP and the evaluation criteria. Administration has reviewed and evaluated all proposals, it is Administration's recommendation that the contract for audit services for 2018-2020 inclusively, is awarded to Metrix Group LLP at a cost of \$125,510.

The evaluation results of proposals received were:

Company	Prior	Resources	Confirmed	Professional	Metric	Total	Comments
	Experiences	Available	Dates	Fees	Score	Price	
<mark>Metrix</mark>	30	25	25	20	100	\$125,510	Administrations
<mark>Group LLP</mark>							Recommendation
Fletcher	30	25	25	16	96	\$154,300	
Mudryk LLP							
Collins	25	15	20	4	64	\$202,500	
Barrow LLP							
MNP LLP							Non - Compliant
BDO							Non - Compliant
Canada LLP							

All proposals were from reputable, experienced and professional accounting firms, any one of which could have met the audit requirements for Greenview. Metrix Group LLP has had the contract for audit services with Greenview since 2013.

BENEFITS OF THE RECOMMENDED ACTION:

- 1. The benefit of Council accepting the recommended motion is that as per the MGA s. 280, Greenview will have an appointed auditor in place.
- 2. The benefit of Council accepting the recommended motion is that Greenview is meeting its regulatory obligations in a fiscally responsible manner.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to not accept the recommended motion. This may delay the opportunity to get an audit firm in place prior to December 31, 2018 when the current contract expires.

Alternative #2: Council has the alternative to direct Administration to resubmit the Request for Proposals. This is not recommended as there is no guarantee that the results would change and there could be a delay in the timing of the audit.

FINANCIAL IMPLICATION:

Direct Costs: \$125,510 (Year #1 \$35,000, Year #2 \$36,000, Year #3 \$37,000) funds to come from Corporate Services Operating Budget

Ongoing / Future Costs: The contract will include an option to extend the contract for two (2) additional years.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

Hello;

We have received a request from OPUS/WSP to conduct additional survey work on Pier 3 as noted below. They indicate this work is essential to determine the repairs/replacement options for the structure. Cost implications could be very significant if Pier 3 has shifted.

Additional cost for the survey would be \$5,000 total or \$1,250 per partner. Please review this request and advise us if you will be able to increase your contribution by this amount.

The work will need to be done over the next few weeks, prior to the arrival of even colder weather.

Let me know by September 20th if possible.

Thanks.

Subject: 71663: Survey Recommendation

Kevin,

Based on past and recent inspections, there has been movement of the bridge substructure. However, the extent of the movement does not appear to have been surveyed since 1976. Stability of the piers is critical to the ongoing function of the bridge and it would be beneficial to our assessment to know if the piers have continued to move. The BIM inspection report identifies further investigation of the piers as a high priority to be completed within 6 months. A survey of the bridge would provide insight into the effectiveness of the past repairs and help us evaluate the risk of further movement. The survey would also provide a benchmark for further investigation and be valuable to more in-depth investigation or future assessment. We recommend a survey be completed as extra to our existing agreement. We have the capacity to complete the proposed survey. The total fee, including incorporating results into the assessment report and all disbursements, would be \$5,000.00 (excluding GST). Please consider and let me know if we should proceed.

SUBJECT:	Offices and Meeting Room in Grovedale Shop A					
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND API	PROVED FOR SUBMISSION			
MEETING DATE:	September 24 <i>,</i> 2018	CAO:	MANAGER: GM			
DEPARTMENT:	OPERATIONS	GM: GG	PRESENTER: DB			
STRATEGIC PLAN:	Infrastructure					

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) - N/A

RECOMMENDED ACTION:

MOTION: That Council approve Administration to construct two (2) new offices and one (1) meeting room on the mezzanine in Grovedale Shop A for \$48,000 with funding to come from the 2018 Facilities Maintenance Operational Budget.

BACKGROUND/PROPOSAL:

Grovedale Shop A was constructed with only two offices for the Roads Supervisor and Roads Co-ordinator. With the shop almost fully functional with a CVIP license being pursued and a full time qualified mechanic now hired with the possibility of an approved apprentice in the 2019 budget, functional work space is limited. In addition, office space will also be required for these staff in completing office work such as invoicing, phone calls, filing and meetings.

Prior to the opening of the Public Service Building, Administration conducted a number of work related items such as interviews and meetings in the lunchroom. This resulted in an inconvenience for staff utilizing the facility for coffee breaks or lunch. To mitigate this inconvenience, these functions are now being held at the Public Service Building, however, this creates a disadvantage to the Operations Department due to the nature and content of the meetings, lack of availability to plans, files and existing equipment. As a result, Administration has found that holding staff meetings with the crew or multiple contractors at the Public Service Building within the Grovedale Shop A is cost effective and more convenient.

In an effort to review potential alternatives to this problem, additional office and meeting space in Shop B was briefly examined, however problems identified in this scenario are the relocation of the furnace and duct work, limited space, no make-up air, an extra bathroom would be required, and the establishment of stairs for proper access and egress. In addition, this space is currently being used by the Agricultural Department and displacing them would generate space issues elsewhere. The estimated cost for this project is approximately \$68,000 which includes GST.

As a result, Administration is recommending that additional office and meeting space be constructed in the Grovedale Shop A, with Facility Maintenance staff completing the framing, insulating, wall board, tape, mudding and painting. Electrical and HVAC system will be installed by a contractor to ensure building codes are properly met. The estimated cost completed by facility maintenance which includes furniture is \$48,000.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Council accepting the recommended motion is that current needs of additional office and meeting space will be provided within the Grovedale Shop A.

DISADVANTAGES OF THE RECOMMENDED ACTION:

2. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to deny or alter the recommended motion.

FINANCIAL IMPLICATION:

Direct Costs: \$48,000 funding will come from the 2018 Approved Facilities Maintenance Operational Budget. **Ongoing / Future Costs:** Additional building maintenance costs.

STAFFING IMPLICATION:

Staffing implications include the time required for Facility Maintenance Staff to complete construction.

SUBJECT:	Victor Lake Road Condition Report			
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEV	VED AND A	APPROVED FOR SUBMISSION
MEETING DATE:	September 24, 2018	CAO:		MANAGER:
DEPARTMENT: STRATEGIC PLAN:	CONSTRUCTION & MAINTENANCE Infrastructure	GM:	GG	PRESENTER: GG

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION: MOTION: That Council accept the Victor Lake road condition report for information, as presented.

BACKGROUND/PROPOSAL:

On July 23, 2018 Council directed Administration to complete a report for the September 10th Council Meeting regarding recommendations to address the deficiencies of the Victor Lake access road upon confirming Greenview ownership of the said road.

Administration to date has not confirmed any evidence of Greenview ownership of Victor Lake Road, however administration did acquired an **Agreement of Easement for Construction and Maintenance of a Public Work** signed by Gordon Frank (Greenview's Municipal Manager) signed on July 4, 2000 for the construction of a road extension within the Victor Lake Co-op.

Administration did follow through with the Victor Lake road condition report that was completed on September 4th, 2018. The report identified suggested minor improvements that could be completed i.e. roadside brushing & drainage improvements. Major areas suggested for improvements consisted of raising the road grade in some areas and removing the reverse crown by super elevating the corner off Hwy 40.

If Council were to decide to complete any of the major suggested road improvements, Administration would need to complete a full survey to properly understand the existing elevations for the suggested road repairs and maintenance.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefits of the recommended motion is that Council will be informed of the Victor Lake road condition.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to direct administration to complete the minor brushing and some ditch improvements to keep positive water drainage flows.

Alternative #2: Council has the alternative to direct administration to complete to complete a preliminary road and drainage elevation design in an effort to achieve standard road compliance.

FINANCIAL IMPLICATION:

Direct Costs: \$80,000 estimated for minor brushing and drainage.

Ongoing / Future Costs: possible preliminary design and construction.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

Grant

As requested, we have completed a preliminary inspection and review of the Victor Lake Access Road in Grande Cache, Alberta.

Road Description

The Road starts off of Highway 40, approximately 2.4 km east of the Town Centre and extends 1.9 km to the "fork" in the road.

The attached Figure highlights the section of road and a list of deficiencies that were identified. They are described in further detail below:

Inspection Notes

CL intersection with Hwy 40 is 1+000. All chainages are referenced to this start point.

<u>1+020 to 1+15</u>5

- Crown is reversed on high side of curve. Raise grade on outside of curve.

1+020 to 1138

- Vegetation up to shoulder both sides of road. Clear brush, mow vegetation.

1+138 to 1+317

- Vegetation up to shoulder LHS. Clear brush, mow vegetation.

<u>1+140 to 1+190</u>

- Standing water along road toe RHS. Cut ditch to improve ditch grade to culvert. Soft shoulder RHS.

<u>1+191 600mm culvert</u> - In good condition, remove vegetation from around outlet LHS

<u>1+260 to 1+504</u>
Ditching required RHS. Soft shoulder RHS. Possible culvert required at 1+485.

1+425 to 1+665

- Water being held on road shoulder by vegetation and small windrow left by grader LHS. Clear vegetation and trees, raise grade.

1+680 to 1+930

- Ditch RHS, water not moving due to vegetation. Soft shoulder RHS. Restructure or raise grade.

<u>1+780 to 1+880</u>

- Water on shoulder LHS. Clear trees and vegetation, remove windrow, raise grade

<u>1+880</u>

Low area off of ROW LHS. Appears to drain to the SE. -

<u>1+938 500mm culvert</u> - Good condition. Remove vegetation around inverts.

<u>1+938 to 2+060</u> - Standing water in ditch. Improve ditch grade, cut ditch.

<u>1+962</u>

- Entrance LHS. Has 300mm culvert in good condition.

<u>1+981 to 2510</u> - Water held on shoulder LHS. Cut ditch, raises grade. Remove vegetation and windrow.

<u>2+202</u>
Entrance LHS. Has 300mm culvert in good shape. Culvert too long.

<u>2+310 to 2+830</u> - No ditch RHS, Cut ditch. Install culvert 2+572.

2+683 500mm culvert

In good condition. Clean out ditch around inlet RHS, _

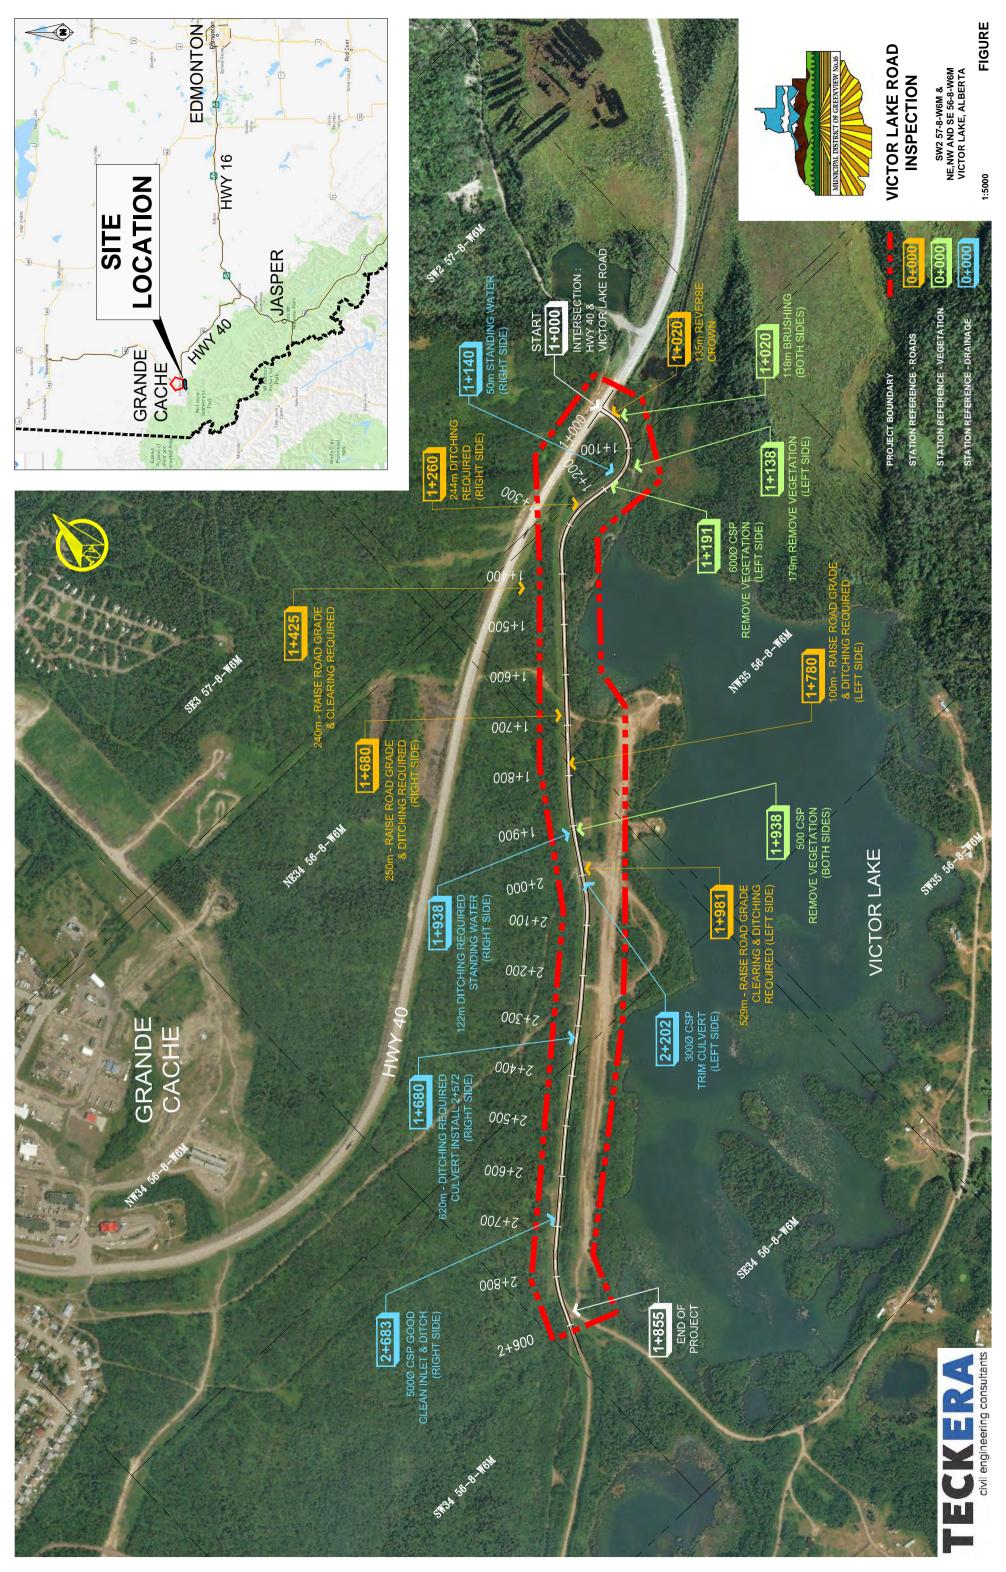

Summary and Recommendations

The Victor Lake Road was inspected on September 4, 2018.

The centerline and travel lanes were found to be in relatively good condition. The left hand side (South) had water laying along the shoulder in multiple locations. This is primarily due to small windrows left by road maintenance activities and overgrown vegetation along the shoulder. Both of these are preventing water from running off of the surface.

The right hand side (North) shoulder was soft almost the entire length of the road. In this instance it is primarily due to minimal ditches along the roadway which allow water to run on to the roadway from the backslopes and also prevents water from running off.

We would recommend that the clearing and vegetation removal and ditching be undertaken soon to assist with water run-off in the spring to prevent further damage. A survey of the existing ROW would be beneficial to give a better indication of the drainage and to better prepare an overall plan for ditching and/or grade revisions. The inspection notes give a good indication of what would be required but was a visual estimation only. No survey was completed.

SUBJECT:	Valleyview Petroleum Association – Sponsorship Request		
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APPI	ROVED FOR SUBMISSION
MEETING DATE:	September 24, 2018	CAO:	MANAGER:
DEPARTMENT:	COMMUNITY SERVICES	GM: SW	PRESENTER: SW
STRATEGIC PLAN:	Level of Service		

RELEVANT LEGISLATION: **Provincial** (cite) –N/A

Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION:

MOTION: That Council approve sponsorship in the amount of \$500.00 to the Valleyview Petroleum Association for the 60th year Curling Bonspiel, with funds to come from the Community Service Miscellaneous Grant.

BACKGROUND/PROPOSAL:

The Valleyview Petroleum Association hosts an annual curling bonspiel at the Valleyview Curling Rink. The event brings participants from surrounding communities together with an opportunity to network.

Funds raised from the Annual Curling Bonspiel event help various community groups, such as Lila's Angels, Stars and Victims Assistance.

The Association is requesting sponsors to support the significant 60th year bonspiel to cover the additional expenses planned for making this a special event.

In 2018, Greenview provided sponsorship to the Valleyview Petroleum Association Bonspiel in the amount of \$500.00

The Community Service Miscellaneous Grant has a balance of \$27,131.57 as of September 23, 2018.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of the recommended motion is that Greenview will be providing support to an event that provides an overall benefit to the community.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. The disadvantage of the recommended motion is that other associations or groups of a similar nature may be requesting sponsorship.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to alter or deny the request for sponsorship funding, however this would be an opportunity for Greenview to support an association's efforts to engage the community.

FINANCIAL IMPLICATION:

Direct Costs: The direct cost of the recommended motion is \$500.00.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

ATTACHMENT(S):

• Valleyview Petroleum Association Sponsorship Request

MD of Greenview 4806-36 Ave. Valleyview, AB. T0H3N0

Dear Board Members:

The Valleyview Petroleum Association has started the planning for their 60th year Bonspiel. The Facility, Band, Comedian (Jimmy the Janitor), Caterer have all been booked. At this time we are notifying our sponsors early so they can help out and budget if they want to. We are a non-profit club that gives money raised from our 2 events a year back into our community. We have recently given funds to Lila's Angels, Stars, and Victims Assistance. These are only a few of the organizations we help out each year. This year we would like to make our 60th Bonspiel a little more special, 60 years of helping our community should be that way, but it does take help from local businesses and community support.

We have some big expenses with such an event like this,

4500.00
3000.00
7000.00
3000.00

These are just a few of the bigger cost items for us. At this time we would like to ask if you could help us out with any of these bigger cost items. It would be greatly appreciated and would help get our funding started for this event.

Thank you, John Simpkins

President 789 552 3441 Box 273 Valleyview,AB T0H3N0

SUBJECT:	DeBolt Harvester's Ball – Sponsorship Request		
SUBMISSION TO:	REGULAR COUNCIL MEETING	REVIEWED AND APP	ROVED FOR SUBMISSION
MEETING DATE:	September 24, 2018	CAO:	MANAGER: SW
DEPARTMENT:	COMMUNITY SERVICES	GM: SW	PRESENTER: SW
STRATEGIC PLAN:	Level of Service		

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) - N/A

RECOMMENDED ACTION:

MOTION: That Council approve Platinum Sponsorship in the amount of \$2,500.00 to the DeBolt & District Agricultural Society for the Annual Harvester's Ball in DeBolt on October 20, 2018, with funds to come from the Community Service Miscellaneous Grant.

BACKGROUND/PROPOSAL:

The Annual DeBolt Harvester's Ball is a primary source of funding for the Agricultural Society enabling them to maintain and provide the community with many services and programs, some of which include: Gunby Ranch Golf Club, the Sports Fields, Minor Ball and Soccer Club, the Fitness Centre, the Curling Rink and numerous activities provided for children throughout the year.

The DeBolt & District Agricultural Society is requesting support in the form of sponsorship packages ranging from \$500.00 - \$2,500.00. Greenview provided Platinum Sponsorship in the amount of \$2,500.00 to the DeBolt & District Agricultural Society for the 2017 Annual Harvester's Ball.

The Community Service Miscellaneous Grant has a balance of \$27,131.57 as of September 23, 2018.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Council accepting the recommended motion is that Greenview will be supporting the DeBolt & District Agricultural Society with maintaining and providing community services and programs in DeBolt and area through the funds collected at the Annual Harvester's Ball event.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to approve, alter or deny the sponsorship to the DeBolt & District Agricultural Society for the Annual Harvester's Ball.

FINANCIAL IMPLICATION: Direct Costs: \$2,500.00 from Community Service Miscellaneous Grant

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

DEBOLT HARVESTER'S BALL 2018

Dear Potential Sponsor,

The Debolt & District Agricultural Society would like to invite you to become a sponsor for our annual Harvester's Ball. This year's Octoberfest is scheduled to happen October 20, 2018 at the Debolt Centre, and will include a catered dinner and silent auction. This annual event is a primary source of funding for the Ag Society and wouldn't be successful without the help from our wonderful sponsors!

The Ag Society is focused on providing the community with many services and programs, some of which are the Gunby Ranch Golf Club, the Sports Fields where we have our annual slo-pitch tournament, Minor Ball and Soccer club, the Fitness Centre, the Curling Rink, and numerous activities provided for kids throughout the year. We rely on our Harvester's event to raise money so that we can continue to maintain and provide these types of services. We could not continue to do these things without the help and support from our community each year. We want to thank all the sponsors who have supported the event in the past years, and hope you will continue to support us as we move forward.

Your donation will help ensure the success of our Harvester's Ball and help continue the growth of our community. Below you can find information on the different sponsorship levels. If you would like to donate items for the silent auction tables, your name will also be listed on our sponsorship board that is displayed though out the year. We appreciate every donation! If you have questions or concerns, please don't hesitate to call. We hope to hear from you soon.

Sincerely,

SUBJECT:December Committee of the Whole Meeting DateSUBMISSION TO:REGULAR COUNCIL MEETINGREVIEWED AND APPROVED FOR SUBMISSIONMEETING DATE:September 24, 2018CAO:MANAGER:DEPARTMENT:CAO SERVICESGM: SWPRESENTER:STRATEGIC PLAN:Level of ServiceImage: Commit and the service

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) - N/A

RECOMMENDED ACTION:

MOTION: That Council hold the Committee of the Whole meeting for December on the third Monday of the month, commencing at 9:00 a.m. at the Administration Building, Valleyview.

BACKGROUND/PROPOSAL:

At the October 24, 2017 Organizational Meeting Council made the following motion:

That Council hold the Committee of the Whole meeting on the third Monday of each month, commencing at 10:00 a.m. at the following locations within Greenview.

December 18th, 2017 Administration Building Valleyview January 15th, 2018 Administration Building Valleyview February 20th, 2018 DeBolt Public Services Building April 16th, 2018 Grovedale Public Services Building May 22nd, 2018, DeBolt Public Services Building June 18th, 2018 Eagles Nest Hall, Grande Cache July 16th, 2018, Grovedale Public Services Building September 17th, 2018 DeBolt Public Services Building October 15th, 2018 Eagles Nest Hall, Grande Cache

And further, that any Committee of the Whole Meetings that fall on a statutory holiday will be held on the Tuesday immediately following that holiday.

And further, that the Committee of the Whole Meeting for the months of March and November be cancelled due to AADMC Convention.

Administration is seeking Council's direction to determine a Committee of the Whole date for December to be able to proceed with the acceptance of presentations.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Council accepting the recommended motion is that Council will have a set date for the December Committee of the Whole meeting.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to not set a date for the December Committee of the Whole meeting, however, Administration does not recommend this as parties are asking to be a delegate to this meeting.

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

INCREASING LEVEL OF PUBLIC IMPACT
