

MEADOWS TO MOUNTAINS

SUMMER 2025 ISSUE #12

Summer is here!

Summer is here and Greenview is full of excitement for everything this season will bring! With long sunny days and warm weather, it's a great time to enjoy the beauty of our communities and all the fun things to do here.

In 2025, Greenview committed over \$40 million towards funding new capital projects in addition to \$50.1 million in project carried over from the previous year that will strengthen and enhance our region. These investments include a variety of important initiatives such as the overlay of Forestry Trunk Road from km 0 to km 5, resurfacing of curbs and gutters in our hamlets to improve local roads and communities and the expansion of the Ridgevalley lagoon to support our growing needs. We are also moving forward with the closure of the Grande Cache landfill to ensure responsible environmental stewardship, constructing a new community facility in Grande Cache to serve as a vital hub for residents, and replacing the wet rescue fire truck at our fire station in Grovedale to support and strengthen our emergency services.

This ambitious Capital Budget reflects Council's and Administration's shared commitment to building resilient infrastructure, supporting community well-being, and preparing Greenview for the future. We remain dedicated to finding efficiencies and managing costs carefully while maintaining the high standard of service our residents expect and deserve.

We were also excited to host our annual Ratepayer BBQs once again! These popular events provide both Council and Administration a valuable opportunity to connect and engage with Greenview residents, hear your feedback, and share updates on local initiatives.

As summer unfolds, we hope you find time to enjoy the beauty of the great outdoors, spend quality moments with family and friends, and take in everything that Greenview has to offer.

Have a wonderful and safe summer!

Reeve Olsen

Council Highlights

June 10, 2025 Greenview Council Approves Tax Recovery Auction

The tax recovery process is a strictly legislated last resort mechanism municipalities use to collect outstanding property taxes. When property taxes remain unpaid for more than one year, a Tax Notification caveat is registered on the Land Title and notification is sent to the landowner and other interested parties advising them of the caveat. If the property tax arrears remain unpaid on March 31 of the following year, the Municipality may sell the property by public auction. The Municipality has one year from April 1 to place the property for sale by public auction.

After approving the reserve bid terms and conditions, Council set the Tax Recovery Public Auction date for **Thursday, September 11, 2025, at 9:00 A.M. Mountain Standard Time**, to be held in Council Chambers of the Valleyview Administration building, located at 4806 – 36 Avenue, for the sale of the listed properties at <https://mdgreenview.ab.ca/council-highlights-june-10-2025/>.

April 22, 2025 Greenview 2025 Tax Rate Bylaw Approved

Council passed the final Operating and Capital budgets on March 25, 2025. In addition to collecting property taxes for municipal purposes, Greenview is also required to collect property taxes for Seniors Foundation requisitions and on behalf of the province for designated industrial properties and education. Council moved to approve the 2025 Tax Rate Bylaw with no changes to the tax rates for Rural Residential, Grande Cache residential, or Non-Residential property taxes.

5:00 - 7:00 pm

► **Monday, July 14, 2025 - Grande Cache**
Grande Cache Recreation Centre
5:00 - 7:00 pm

Out and About

May 20, 2025

May 20, 2025 marked the official groundbreaking of the Maskwa Medical Centre — a historic milestone that will transform healthcare across northwestern Alberta.

Reeve Olsen joined regional municipal leaders to speak about the profound impact this development will have on communities throughout the region. Their words reflected the shared excitement and significance of bringing accessible, high-quality care closer to home.

Also in attendance were Dr. Vanessa Sheane from Northwestern Polytechnic and Dr. Brenda Hemmelgarn, Dean of the Faculty of Medicine & Dentistry at the University of Alberta. They emphasized the incredible educational opportunities this facility will offer — opportunities that will help grow and retain the next generation of healthcare professionals in the north.

The Maskwa Medical Centre is set to become more than just a medical facility. With its modern teaching clinic, it will serve as a centre for hands-on learning and innovation, ensuring that future doctors, nurses, and allied health professionals are trained right here in our region — and inspired to stay.

A heartfelt thank you to Ken and the entire Maskwa Medical Centre board for their unwavering vision and dedication. To our municipal leaders, healthcare advocates, educators, and community supporters — this is your achievement, and your legacy. This assists bringing better care, closer to home for communities like Valleyview, DeBolt, Grande Cache, and across the Peace Country.

June 5, 2025

A Big Thank You from Greenview! We were thrilled to welcome so many community members, partners, and travellers to the Grand Opening of the Greenview–Valleyview & Area Tourist Information Centre! A huge thank you to everyone who joined us for the celebration and to our hardworking staff, who provide a warm welcome to every visitor. Whether you're a local or just passing through, we invite you to visit the new centre. Explore our amenities, gather travel info, and discover the incredible opportunities waiting right here in Greenview!

June 4, 2025

On June 4, 2025, Greenview, along with representatives from the City and County, met with representatives from the GOA to share feedback, voice concerns, and gain a better understanding of the plan. Greenview remains committed to ongoing dialogue with the Government of Alberta and is dedicated to advocating for a subregional plan that reflects a balanced approach—one that supports economic development, acknowledges our region's unique needs, and responsibly manages environmental impacts. Collaboration will be key to shaping a workable and effective plan for the Upper Smoky. Based on that meeting, we have compiled a report of What We Heard, which can be found at <https://mdgreenview.ab.ca/ussrp-what-we-heard-report/>

Green View FCSS

Prevention in Action with Children and Youth

In today's fast-paced digital world, it is critical that children and youth connect with other adults and various supports so they can learn how to navigate the ever-changing landscape of growing up. Green View FCSS helps by delivering programming in schools that teaches skills like conflict resolution, media literacy, and healthy decision-making.

In the 2024/25 academic year, schools from 5 school divisions requested FCSS deliver 15 different programs based on needs identified by each school's faculty. Close to 700 students in grades 1 to 11 increased their knowledge and learned new skills on issues impacting them.

Volunteer Appreciation

Our communities are made stronger and healthier through the valuable time, skills, and passion that volunteers give freely to help others. Green View FCSS honours volunteers each year by hosting Volunteer Appreciation Dinners in Grovedale, Valleyview, and Grande Cache. The evening provides an opportunity to thank and celebrate the kindness and dedication of groups, individuals, and youth who volunteer throughout Greenview.

An impressive number of nominations were received, including 56 individuals, 18 community groups, and 9 youth. Thank you to those who submitted nominations and to those who volunteer. We look forward to seeing you again next year.

Employment Services

In partnership with the Government of Alberta, the Green View FCSS Community Resource Center in Valleyview offers job seekers and employers a wide range of employment services. Job seekers receive assistance connecting to skills training, creating cover letters and resumes, viewing current employment opportunities, and preparing for interviews. Free access to computers, the Internet, faxing, and photocopying further increases success in securing employment. Employers can leverage our network to broaden the reach of their employment ads.

To learn more, please visit the Community Resource Center at 4707 - 50 Street, Valleyview or call 780-524-7603.

Project Management

WD19004 – Distribution Pumphouse Upgrades

The 2025 Distribution Pumphouse Upgrade project includes significant improvements to both the water treatment plant and the distribution system in Grande Cache. Key upgrades include the installation of new sodium hypochlorite injection points and a secondary membrane blower, enabling operators to maintain a more consistent chlorine residual throughout the system. Additional enhancements at the Distribution Pumphouse, such as installing new water mains and valves, pump control upgrades, and power system improvements, are designed to increase pump efficiency, support backup power operations, and improve overall water distribution capacity. These upgrades will enhance system reliability, reduce maintenance issues, and ensure continued safe, high-quality drinking water for the community.

PD24003 – Tower Park Estates

The upgrades at Tower Park Estates aim to improve stormwater management and local access. The project will include the construction of a stormwater retention pond designed to reduce surface runoff and enhance flood protection for the surrounding neighborhood. In addition, a newly paved access road and parking lot will be developed to improve connectivity and support future community use.

SW20001 – Grande Cache Transfer Station

Preparations are underway to develop a new transfer station at the Grande Cache landfill, which will modernize local waste management services and improve operational efficiency. This facility will provide a centralized location for waste collection and transfer, helping to streamline hauling operations and reduce travel time to regional landfills. Designed with safety and environmental considerations in mind, the transfer station will include designated drop-off areas and improved site access.

RD25005 – Grande Cache Phased Rehabilitation

Greenview is moving forward with a phased underground infrastructure rehabilitation project to support future development and long-term growth in Grande Cache along Shand Avenue. This initiative will replace aging water, sewer, and storm systems to improve service reliability and increase capacity. The project will help unlock development opportunities by upgrading essential underground utilities, reducing the risk of infrastructure failures, and enhancing overall community resilience. Work will be completed in phases to minimize disruptions.

Bids & Tenders

Greenview is excited to announce that procurement and bid opportunities will transition to bids & tenders beginning the week of July 2, 2025, with a complete transition expected to occur by the end of August 2025. Notices will continue to be available for viewing on Alberta Purchasing Connection, but a free bid&tenders account will be required to view, download, and respond to procurement and bid opportunities.

Please visit Greenview's bid&tenders portal at <https://mdgreenview.bidsandtenders.ca/Module/Tenders/en> to create your free supplier account and receive notices of opportunities specific to your business area.

Construction & Engineering

There are 3 bridge files within Greenview to be completed in the 2025 construction season. All three bridges have different specifications regarding replacement, timelines and requirements for a detour, no detour.

- ▶ Bridge File 77259 has been awarded to In-Line Contracting Ltd
- ▶ Bridge File 78147 has been awarded to Wild West Dirtworks Ltd.
- ▶ Bridge File 79118 has been awarded to CTR Contracting Ltd.

Asphalt maintenance will occur between Little Smoky, Valleyview, New Fish Creek, and DeBolt between May 16th and June 1st; please be aware of the construction within your area. Knelsen Sand & Gravel Ltd. was awarded the contract.

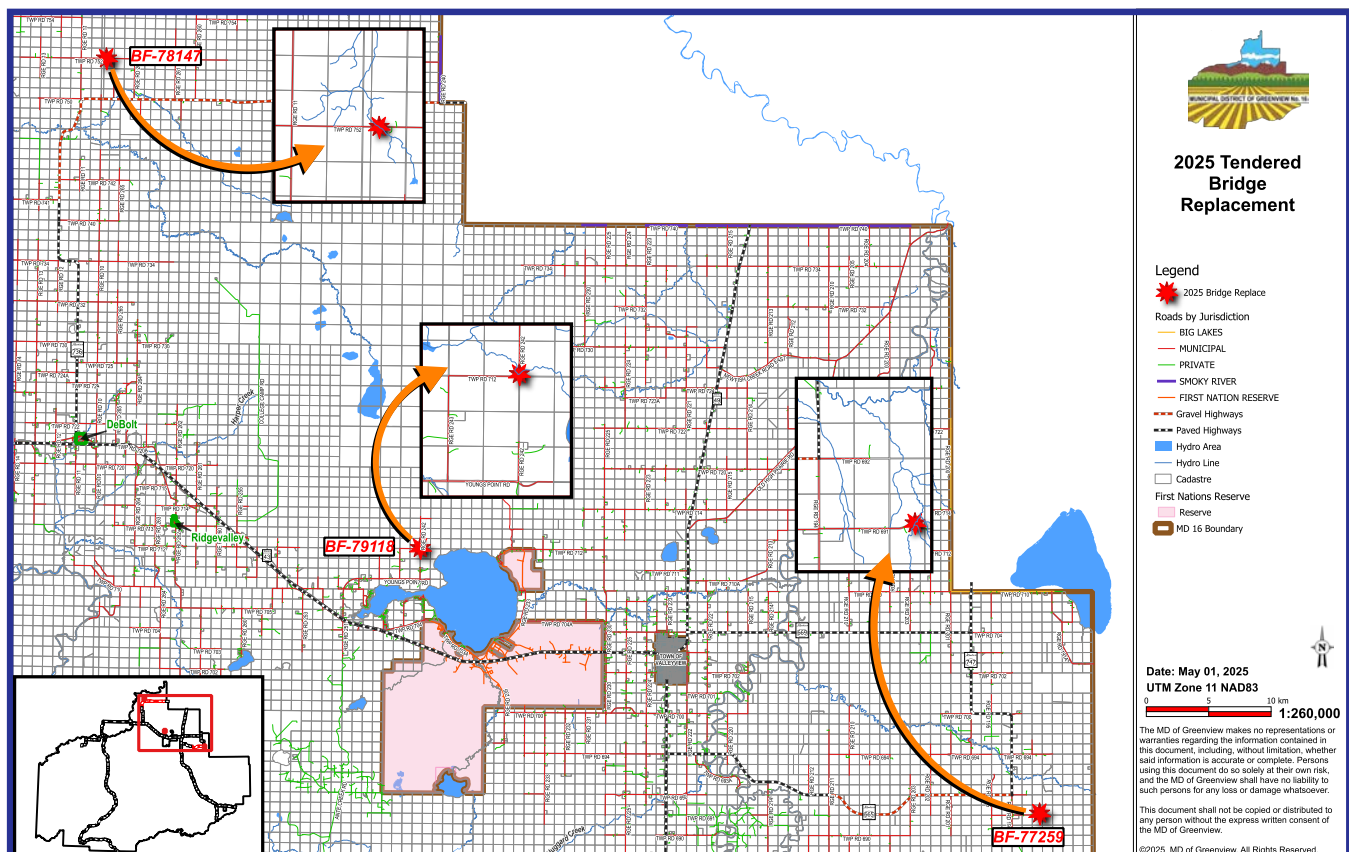

Asphalt maintenance contract work in Grande Cache is tentatively scheduled between mid-June and July 1st. Please be aware of the construction occurring in your area.

The regrade project on Township Road 692 (Grovedale area) was approved within the 2025 construction budget. The contractor awarded is Green Acre Ventures Ltd.

The Forestry Trunk Road KM 0-5 asphalt will be milled and overlayed during the 2025 construction season and has been awarded to Knelsen Sand & Gravel Ltd.

Range Road 225 ditch re-establishment will start after the road bans are removed and will take approximately 25 days, weather permitting.

SB-90 liquid asphalt applications are scheduled for June and July on Range Road 230 (near Valleyview) and Range Road 64 (near Grovedale). This product is an asphalt-based product that will harden the gravel surface. However, it is manageable and pliable to ensure maintenance can be completed. This product will enhance the road surface to be similar to an asphalt surface for a fraction of the cost.

Operations

Roadside Ditch Cleanup Incentive Program

Greenview had 28 successful applicants for the Roadside Ditch Cleanup Incentive Program this year, and we thank all the non-profit organizations for completing their designated areas.

Each year, Greenview Council designates a portion of its budget for the cleanup of designated roadside areas and provides a payment of \$1,000.00 for every 5-kilometer section of road completed by participating groups.

Thank you for participating in Greenview's Annual Roadside Ditch Cleanup and helping keep our roadsides clean!

Did You Know?

On February 11, 2025, Council approved amendments to **Greenview Policy 4020 Snowplowing of Rural Residential Driveways**. Highlights include:

- ▶ Eligible residents seeking driveway snow removal services must apply for or renew the "Snowplowing Private Driveway Agreement" on an annual basis, with the deadline being the last Friday in October. Applications submitted after this deadline may be subject to a processing delay of up to 30 days before services commence.
- ▶ Applicants are responsible for affixing an annual renewal sticker, which will be issued upon application or renewal, to the bottom left corner of their existing snowplow sign in order to maintain service.
- ▶ Seniors and individuals with disabilities are exempt from all associated service fees; however, they are still required to complete the "Snowplowing Private Driveway Agreement" and provide the following documentation to qualify:
 - Seniors must present government-issued photo identification verifying eligibility for the program.
 - Individuals with disabilities must submit documentation confirming eligibility, such as a physician's note or a valid accessible parking placard.

- ▶ Only the applicant's primary residence is eligible, and only one driveway per applicant will be serviced.
- ▶ The property must be at least five (5) acres in size.
- ▶ The driveway must connect to a Greenview municipal roadway.
- ▶ Seniors and individuals with disabilities who were issued snowplow signs under the policy as of August 2023 will remain eligible, and Seniors and individuals with disabilities residing in Co-operatives and Enterprises also remain eligible, notwithstanding the criteria listed below.

Snowplowing services will not be provided to:

- a) Parcels under five (5) acres.
- b) Non-residential properties.
- c) Institutional properties.
- d) High-density subdivisions.
- e) Gated communities.

Application forms are available at the Administration Building in Valleyview and the Public Service Buildings in DeBolt, Grovedale, and Grande Cache. Upon signing the agreement, applicants will receive a snowplow sign and an annual renewal sticker.

For further information, please contact the Valleyview Operations Department at 780.552.0613.

Operations Updates:

- ▶ Road maintenance work is ongoing in all areas of Greenview throughout the summer and fall months. Please watch for crews repairing and installing culverts, line painting, pothole patching, mowing, grading, etc.
- ▶ Roadside ditch mowing began in June and will continue into mid-October.
- ▶ Roadside brushing began in May and will continue until the end of October.
- ▶ Greenview's gravel program typically begins on the Forestry Trunk Road in May and in rural residential areas in July. Please watch for equipment and trucks working.

Outdoor Recreation

2025 Outdoor Survival Camps

The 2025 Outdoor Survival Camp dates have been secured. Nature Alive Adventures will once again facilitate the camps, which are a hit with participants every year. Please watch our website and our Greenview Outdoor Recreation Facebook page for further registration information.

Camp dates are as follows:

- ▶ Johnson Park: (Ages 9-12): July 7-9
- ▶ Johnson Park: (Ages 13-17): July 10-11
- ▶ Swan Lake: (Ages 9-12): July 15-17
- ▶ Johnson Park: (Ladies Ages 18+): July 28
- ▶ Grovedale Fish Pond: (Ages 9-12): July 29-31
- ▶ Grande Cache Lake: (Ages 9-12): August 5-7

Adventure Smart Program

Outdoor Recreation staff are partnering with Greenview Search & Rescue to provide two dates during the summer, focusing on their Adventure Smart program offered for children aged 5-8. The camp date is set for August 13 at Johnson Park.

Please watch our website and the Greenview Outdoor Recreation Facebook page for more information.

Park 'N' Plays

Greenview Outdoor Recreation staff are again partnering with Greenview Regional Multiplex staff to offer Park 'N' Plays at Johnson Park. This is an opportunity for the whole family to come out and enjoy what Johnson Park has to offer.

Park 'N' Play Dates:

July 24 & August 14
10:00 AM – 11:30 AM
Johnson Park

Campgrounds

- ▶ Grande Cache Campground
- ▶ Johnson Park
- ▶ Kakwa River Provincial Recreation Area
- ▶ Moody's Crossing
- ▶ Sheep Creek Provincial Recreation Area
- ▶ Shuttler Flats Provincial Recreation Area
- ▶ Smoky River South Provincial Recreation Area
- ▶ Swan Lake

If you are interested in booking at Grande Cache Campground or Shuttler Flats Provincial Recreation Area, online reservations can be made at

www.letscamp.ca.

Explore a Greenview Recreation Site

- ▶ DeBolt Walking Trails
- ▶ Grande Cache Lake
- ▶ Grovedale Fish Pond
- ▶ Jason Delorme Memorial
- ▶ Johnson Park - Day Use
- ▶ Little Smoky Riverbend Park
- ▶ Ridgevalley Walking Trails
- ▶ Swan Lake
- ▶ Southview Provincial Recreation Area

Geocaching is coming to Greenview Recreation Sites

Geocaches will soon be available at our designated Greenview Recreation sites. The Outdoor Recreation team is excited to get this program up and running.

If you are new to geocaching, you can learn more about it at www.geocaching.com.

Watch our website and the Greenview Outdoor Recreation Facebook page for more information.

Community Services

Did you know there are 13 cemeteries within Greenview, 5 of which are owned by Greenview?

- ▶ Greenview owned cemeteries include Little Smoky, Sunset House, New Fish Creek, Grovedale and Grande Cache.
- ▶ Cemeteries operated by a Council appointed Board include Little Smoky, Sunset House and Grovedale.
- ▶ Grande Cache and New Fish Creek cemeteries are owned and operated by Greenview.
- ▶ You can find a complete listing of Cemeteries within Greenview with contact information at www.mdgreenview.ab.ca.

New Fish Creek Cemetery

Collaborative Communities: Building A Stronger Future Workshop

Greenview hosted a Collaborative Communities: Building a Stronger Future workshop for not-for-profit organizations in Grande Cache on April 14, 2025. This full-day workshop was attended by 27 people, representing 11 different organizations from Greenview and surrounding communities, such as the County of Grande Prairie, Town of Hinton, and Yellowhead County.

This workshop was facilitated by Brenda Robinson from the Robcan Group. She spoke about succession planning, engaging diverse populations over multiple generations, managing change, powerful positive communication, and volunteer engagement through a lighthearted, energized presentation. In addition, Debbie Hagman, a Community Development Officer with the Ministry of Alberta Arts, Culture and Status of Women, presented on building relationships through collaboration and succession planning. Some of the key takeaways received from the participants included:

With the success and positive feedback, we anticipate hosting a spring workshop in 2026. If your not-for-profit organization has any workshop topics you would like to learn more about, please email: greenviewgivesback@mdgreenview.ab.ca.

Summer 2025 - Grande Cache Tourism & Interpretive Centre Summer Programs

Little Cache Cubs Drop-In Group

Date: July 7, 14, 21, 28 August 4, 11, 18, 25
Ages: 0-4 years
Time: 9:00-11:00 am
Cost: FREE
Max: 15 Participants (parent or guardian to be present)

This two-hour program is loosely structured and fits the developmental needs of this age group. It offers minimal transitions, time to explore, and the opportunity to build new skills, all with the safety net of their loving adult. You can expect a relaxed pace, plenty of stories, and sensory-rich play in nature. The Little Cache Cubs group is a beautiful way to build connections with nature and with other families in the community.

Cache Cubs Pop-Up

Date: July 2, 23 and August 6, 20
Ages: 5-12 years
Time: 2:00-4:00 pm
Cost: FREE
Max: 15 participants (Parents must provide transportation to and from group location) (This program is not parented; however, if parents and younger children want to stay and play, that is welcome).

Get to know your community through this fun pop-up group. This 2-hour program fits the developmental needs of this age group, with minimal transitions, child-led flow, and lots of time to imagine, build, and create. Kids can build confidence through team-building activities and games, problem-solving, risk assessment during activities such as rock climbing, and peer play skills, with loving support from highly trained staff. This group will take place in different areas within the community. Light snack will be provided!

Parents/guardians will know the group location upon registration. Locations (dates TBD): Grotto climbing room (Grande Cache Rec Centre), Outdoor fenced area behind the Rec Centre, Bike Park near ball diamonds, Labyrinth Park.

Little Bears

Date: July 8, 22 and August 5, 19
Grades: Kindergarten-Grade 3*
Time: 9:00 am-12:00 pm
Cost: FREE
Max: 15 Participants (not parented)

Go on an adventure with our interpretive programmer! Learn about your local forests and wildlife through games and interactive activities. Registration is required. Register for individual dates or all. *Grade as of Sept. 2025*

Big Bears

Date: July 3, 24 August 7, 21
Grades: 4-6*
Time: 9:00 am-12:00 pm (not parented)
Cost: FREE
Max: 15 Participants

Explore the surrounding forests with our interpretive programmer! Learn about your local forests and wildlife through games and interactive activities. This older group focuses more on bushcraft skills. Registration is required. Register for individual dates or all. *Grade as of Sept. 2025*

Night at the Museum

Date: July 18-19
Grades: 4-6*
Time: 6:30 pm- 9:00 am
Cost: \$30.00
Max: 15 (not parented)

We are excited to host the very popular Night at the Museum overnight experience again this summer! An overnight adventure for kids between the GRADES of 4-6 (grade as of Sept 2025). The sleepover includes games, crafts, cookie decorating, a movie, dinner, snacks and breakfast. Program cost includes all the above! It's going to be a totally ROARSOME time!

For more information, please contact:

Grande Cache Tourism & Interpretive Centre
 ☎ 780.827.3300
 ✉ tourism.grandecache@mdgreenview.ab.ca
 📍 Grande Cache Recreation
 🌐 www.mdgreenview.ab.ca

Fairy Forest

Date: July 17, 31 and August 14, 28

Ages: 3-6 years

Time: 9:30-11:00 am

Cost: FREE

Max: 10 (not parented, however, if parents with younger children want to stay and play, this is welcome)

"The children themselves are this book. We should not learn to teach out of any book other than the one lying open before us and consisting of the children themselves." - Rudolf Steiner.

We are excited to offer a new program at the TIC inspired by Waldorf education. This holistic approach to learning emphasizes experiential learning, creativity, and a focus on the whole child's development. This group will focus on child-led outdoor education, which will naturally encourage creativity and imagination through activities like storytelling, art, music, and drama.

Family Interpretive Hikes

Date: July 29 and August 26

Ages: All ages welcome

Time: 9:00-11:00 am

Cost: FREE

Max: 15 Participants (parent/guardian must be present)

Must call to register in advance to sign a waiver form and find out which trail we will explore.

Explore some local trails at a child-friendly pace and learn about local plants, animals and Grande Cache History! Trails may not be stroller-friendly.

Registration required. Register for individual dates, or all! Please note if you are under the age of 16 you must be accompanied by a parent or guardian.

Wolf Pack Youth Drop-In

Date: July 16, 30 and August 13, 27

Ages: 12-17

Time: 3:00-5:00 pm

Cost: FREE

Max: 15 (not parented)

Through a mixture of indoor and outdoor activities, youth will have the opportunity to participate in loosely structured activities or just a safe place to hang out with their buddies. Some examples of a "drop-in group" include using VR to learn about our local dinosaur tracks, a chance to learn about Grande Cache history through outdoor games in the Birds Eye View Park, and crafts. Light snacks will be provided.

Wildwood Cooking

Date: July 14, 28 and August 11, 25

Ages: 10-17 years

Time: 1:00-4:00 pm

Cost: \$15/date

Max: 20 (not parented)

This unique group is NEW at the Tourism & Interpretive Centre and will offer youth some valuable life skills as they learn new outdoor cooking skills. This two-hour program will be structured with safety measures to ensure this environment is safe for new teachings/skills. Wildwood cooking celebrates the joy of preparing and enjoying meals in the great outdoors. It is an experience that combines the art of culinary practices with the beauty and serenity of nature, transforming simple meals into memorable events. This program is partnered with Grande Cache Recreation Centre, BEST Program and Wellness Navigator.

Raid the Rockies

This event, hosted by Adventure Immersion Lab, will take place in Grande Cache from July 5-8, 2025. Teams of 2 to 4 participants will take on a multi-day adventure packed with exciting challenges such as mountain biking, trekking, pack rafting, and rafting—all set amidst the stunning landscapes of the Rocky Mountains. Without using GPS, teams must navigate the tough terrain using only maps and compasses, putting their navigation skills and teamwork to the test.

Golf Greenview Master 2025

Greenview is thrilled to announce the return of the Golf Greenview Master 2025! This highly anticipated annual event invites golfers to compete for a chance to win \$200 worth of exciting prizes. To participate, players must visit one or more of the six participating Greenview golf courses and accumulate points by golfing. The more points they collect, the better their chances of entering the draws to win the prizes. Join us for another memorable year of golf, competition, and fun!

Golf Greenview Master 2025 participating Golf Courses:

- Grande Cache Golf & Country Club
- Greenview Golf Resort
- Valleyview Riverside Golf
- Silver Birch Golf Course in Fox Creek
- Grovedale Golf & Country Club
- Gunby Golf Course in DeBolt

Greenview - Valleyview & Area Tourist Information Centre

The Municipal District of Greenview is pleased to announce the recent acquisition of the Greenview–Valleyview & Area Tourist Information Centre (formerly known as the Valleyview Information Centre), conveniently located approximately 2 kilometers south of the Town of Valleyview along Highway 43.

We invite you to visit and meet our friendly team of summer Customer Service Representatives, who will be on hand to assist you with warm smiles and helpful information daily from 9:00 am to 5:00 pm, seven days a week, including holidays, until September 30, 2025.

Our wheelchair-accessible public washrooms remain open 24 hours a day, seven days a week for your convenience. Visitors can pick up complimentary, up-to-date travel guides and brochures to help plan their journey through Greenview and beyond.

What's New for 2025?

Facility Improvements: The Tourist Information Centre received a brand-new shingle roof, completed on April 26, 2025.

- **Sustainable Upgrades:** In May, picnic tables were upgraded with eco-friendly materials made from recycled plastics sourced from Alberta landfills.
- **RV Services:** The RV sewage dump station has been inspected and maintained, and water services were activated in time for the May long weekend.
- **Grand Opening:** A ribbon-cutting ceremony was held on June 4, 2025. If there is time/space, we can add photos after the event; otherwise, we can wait until the next edition.

Local handmade merchandise from vendors and small businesses is again available, continuing our tradition of supporting local artisans.

Stay tuned for upcoming events, markets, food trucks, and more at the Greenview–Valleyview & Area Tourist Information Centre throughout the summer season.

We look forward to welcoming you—please stop by and say hello!

2025 Budget At A Glance

The 2025 Operating and Capital Budgets were adopted by Council at the Regular Council Meeting on March 25, 2025.

Scan the QR code or visit the key highlights at:

<https://mdgreenview.ab.ca/md-of-greenview-2025-budget-at-a-glance/>.

Budget highlights are as follows:

Greenview Council remains focused on the continued development of critical infrastructure, maintaining and enhancing essential community programs and services, along with the continued support of regional partnerships and collaborations.

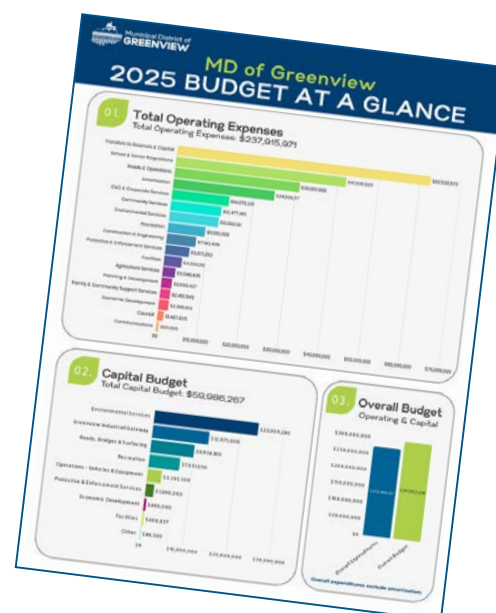

The operating budget of \$237.9 million includes \$108.5 million for general operations, \$24.9 million for amortization, \$62.5 million in transfers to reserves and capital, and \$41.9 million in requisitions, including the Provincial Education and Seniors Foundations requisitions, both of which are mandated by the Province. As part of the operating budget, \$12.4 million has been allocated to municipal partners and non-profit organizations through Greenview's Community Services Grants programs and community partnerships, which includes support for the operations of libraries, museums, and community halls across the municipality as well as the stewardship of the community cemeteries.

Council approved \$100.5 million for capital projects, including \$50.1 million in projects carried over from the previous year. The capital budget was approached with careful deliberation without sacrificing any planned infrastructure projects and remains fully funded from debentures, transfers from the operating budget, restricted reserves, and grant funding.

Key Capital Budget Highlights

In 2025, the MD expects to complete \$100.5 million in capital projects. Major projects include:

- ▶ Grande Cache Sewage Treatment Plant \$20.8 million
- ▶ Township Road 692 Regrade – \$1.4 million
- ▶ Tributary to Sweathouse Creek – \$2.0 million
- ▶ Forestry Trunk Road (km 0 – km 5) Overlay – \$2.5 million
- ▶ Hamlet Curb & Gutter Resurfacing – \$2.0 million
- ▶ New Operations Shop in Grande Cache – \$6.8 million
- ▶ Ridgevalley Lagoon Expansion – \$12.5 million
- ▶ Grande Cache Landfill Closure – \$5.7 million
- ▶ Grande Cache Distribution Pumphouse Upgrades – \$3.0 million
- ▶ Grande Cache Community Facility – \$8.7 million
- ▶ Wet Rescue Replacement – Grovedale – \$1.6 million

Planning & Development Permits

Are you thinking about developing on your property in 2025? Development Permits are required before any construction begins.

Get your project planning started today by scheduling a pre-application meeting to discuss any land use-related and development permit application process by contacting Greenview's Planning & Development Department at 780.524.7639.

Did You Know? Greenview Business Licenses

Business Licenses are required for businesses located within Greenview Hamlets and recommended in other areas of Greenview to ensure local businesses have access to all supports, including the small business tax rebate.

Environmental Services

Grande Cache Wastewater Treatment Plant – Mid-Year Update

The Grande Cache Wastewater Treatment Plant project continues to move forward on schedule, with completion anticipated in fall 2025. This year, the focus has been on advancing structural work, installing major mechanical and electrical systems, and preparing key treatment components for testing and commissioning.

Milestones have been achieved across all areas of the site, including main facility buildings, treatment equipment, pumps and piping, and supporting infrastructure. Testing has begun on some systems, and critical connections are nearing completion. Cleanup and backfilling have also improved overall site conditions and accessibility.

The project remains on track and within budget, bringing Greenview closer to a modernized facility that will support future growth, protect the environment, and ensure reliable wastewater treatment for the Grande Cache community.

Lagoon Desludging - Keeping Our Wastewater System Working Efficiently?

This summer, Greenview will conduct lagoon desludging operations at the Little Smoky and Grovedale wastewater lagoons. This important maintenance work helps ensure these systems operate safely, efficiently, and with enough capacity to serve the community.

What Is Desludging?

Over time, solids naturally build up at the bottom of wastewater lagoons. This sludge reduces the lagoon's ability to hold and treat incoming wastewater if not removed. Desludging involves safely removing these settled solids, restoring capacity and performance.

Why It Matters?

- ▶ Maintains Treatment Efficiency – Removing sludge allows the lagoon to treat wastewater more effectively.
- ▶ Restores Capacity – Ensures there's enough space to manage current and future flows.
- ▶ Prevents Odours & Issues – Helps minimize odour concerns and reduces the risk of system backups.
- ▶ Protects the Environment – Keeps our wastewater treatment compliant and environmentally responsible.

Desludging is part of Greenview's lagoon maintenance program and supports the long-term sustainability of rural wastewater systems. Residents may notice activity near the lagoon sites during this work, but there is no expected impact on local services.

Grande Cache Residential Recycle Collection Fee Removed

As per the amended Bylaw 25-990, Greenview Council has approved the removal of the \$10.25/month Recycle Collection Fee for the Grande Cache residential blue bin program. This change comes as a result of Alberta's new Extended Producer Responsibility (EPR) program, which shifts recycling costs away from taxpayers and onto the producers of packaging and paper products.

Under this framework, Greenview is working with Circular Materials, a non-profit organization coordinating residential recycling collection on behalf of producers across Alberta. As part of this transition, producers are now responsible for the cost of collecting and managing recyclable materials. This shift allows Council to eliminate the monthly utility fee for Grande Cache residents.

This change not only brings immediate cost savings to local households, but it also supports more consistent recycling programs across the province.

What This Means for You:

The \$10.25/month Recycle Collection Fee has been removed from your utility bill.

Recycling collection will continue as usual.

No action is required. Simply continue recycling the way you normally do.

To learn more about Alberta's EPR program, visit:

▶ alberta.ca/extended-producer-responsibility

▶ circularmaterials.ca/alberta

Don't Let Leaks Drain Your Wallet!

Did you know that a seemingly minor leak in your toilet can lead to unexpectedly high water bills? That's right! A small drop can waste gallons of water daily, causing your consumption to soar! Checking for leaks regularly is a simple yet effective way to save money and help our community conserve water. A quick inspection of your plumbing can make a world of difference!

So why not take a few minutes to look for any signs of leaks in your toilets, sinks, and pipes? If you spot a problem, don't hesitate to contact a local and licensed plumber for help! They have the expertise to quickly identify and resolve issues, ensuring your plumbing is in top shape. Taking this step not only protects your home but also contributes to our community's water conservation.

Greenview Digital Sign Advertising

Are you a charity or non-profit organization within Greenview that would like to display their ad on our Grande Cache or Grovedale outdoor digital sign? The Greenview Digital Sign provides government and community information to residents, ratepayers, and visitors to Greenview by displaying events, functions, and messages that inform the community.

The type of advertisements allowed includes community events and messages hosted or sponsored by a non-profit or charity organization. For rules for advertisements/information that can be shared on outdoor municipal digital signs according to Greenview Digital Signs Policy No. 7000, and the fillable Greenview Digital Sign Request Form, visit <https://mdgreenview.ab.ca/greenview-outdoor-digital-sign-advertising/>

For questions, please email:
communications@mdgreenview.ab.ca

8th Annual Greenview Charity Clay Shoot

IT'S BACK! The 8th Annual Greenview Charity Clay Shoot will be held on September 4, 2025

Over the past seven years, this event has raised over \$282,000 for local charities and non-profit organizations across the MD of Greenview.

In 2024, the Clay Shoot raised over \$54,000, with proceeds distributed among the five food banks serving Greenview residents. This year, we remain committed to that mission: every dollar raised will once again be shared equally among these essential community resources.

Greenview Council and Staff are pleased to invite you to a day of friendly competition and fellowship while raising money for a great cause.

Additionally, we are offering various sponsorship levels and opportunities that allow businesses to be recognized on many levels, with some sponsorship levels including free registration for up to four people.

For details, sponsorship opportunities, and registration forms, visit our website or scan the QR code.

Highlight

Annual Paint the Ice Event:

What an incredible turnout for our Annual Paint the Ice Event on April 14, 2025, at the Grande Cache Recreation Centre Arena! Thank you to the 260 participants of all ages who joined us to make it such a memorable event. Your creativity and colorful artwork gave the ice a truly vibrant send-off before it melts away for the summer. Thank you for being part of the fun — we look forward to

Grande Cache Dance Team 2nd Annual Year End Show

On May 3, 2025, the Grande Cache Dance Team wrapped up its season with its 2nd Annual Year-End Show. The dance team has been in Grande Cache for 2.5 years. It started as a one-week trial class with 12 students. It has grown to nine classes with 91 spots filled, and 11 spots were filled with dancers taking multiple classes.

The dancers spent 24 weeks this season learning new techniques, perfecting their skills and understanding the importance of incorporating physical activity into their daily life. Also, they learned and practiced choreography for their year-end show. The show on May 3 was held at the Grande Cache Recreation Centre in the hockey arena. Eighty dancers participated in the show, and 250 audience members supported the team. Dancers aged 3 to 15 performed ballet, tap, jazz, lyrical and hip hop. Congratulations, dancers, on an amazing dance season!

Grande Cache Community Transportation Service

We're excited to share a milestone that continues to enhance mobility in our community! The Grande Cache Community Transportation Services is better equipped to support local programs, events, and residents needing accessible, reliable transit. This vehicle has allowed us to offer more inclusive transportation, connecting youth, seniors, and community members to key destinations and events in Grande Cache, Hinton, and Grande Prairie.

This initiative is just one example of how we're removing barriers and building stronger community connections. Together, we're moving forward—one trip at a time.

For more information or to get involved, contact us at 780.827.2446.

For schedules, routes, and booking details, contact our Customer Service Team at 780.827.2446 or visit our website at <https://mdgreenvview.ab.ca/residents/grande-cache-community-bus>.

Youth Fitness Centre Orientation

Ages: 14 - 17 years

Did you know? Youth ages 14-17 years are required to attend a mandatory orientation prior to utilizing the Fitness Centre. The Orientation will provide participants with the basics of using the weight machines, cardio equipment, machine adjustments, and facility guidelines.

Senior Fitness Centre Orientation

Age: 60+ years

Join us for a complimentary fitness center orientation tailored specifically for seniors. Discover a welcoming and inclusive environment where our experienced trainers will introduce you to the equipment, exercises, and safety tips designed to help you achieve your fitness goals.

Aquatics Programming - Greenview Regional Multiplex continued

Swim For Life Swimming Lessons (all ages)

The Parent & Tot Program structures in-water interaction between parent/caregiver and child to stress the importance of play in developing water-positive attitudes and skills. Age 4 months to 3 years. \$55.00.

The Preschool Program works to ensure children become comfortable in the water and have fun developing a foundation of water skills. Age 3-6 years. \$55.00.

The Swimmer Program uses in-water practice for swimmers of any ability to develop swimming strokes and skills. Age 5-12 years. \$65.00.

The Canadian Swim Patrol Program provides enriched training for those who are ready to go beyond learn-to-swim. Swim Patrol has three levels: Rookie, Ranger, and Star. Recommended that swimmers have passed swimmer 6, but it is not a requirement. All swimmers must be capable of passing a standard swim test (swim 25 meters on front without stopping; exit; jump into water and tread water for 30 seconds). Age 8-15 years. \$80.00.

The Adult Swimmer Program is for beginners or swimmers who want to improve their skills. Within the Adult Swimmer curriculum, participants set their own goals to develop water confidence and recognizable strokes. This program is facilitated over 8 1-hour classes. Age 16 and up. \$85.00.

Private Swimming Lessons cater to all ages and skill levels, offering personalized instruction to meet your unique needs and goals. Whether you're a beginner or looking to improve, our expert instructors provide one-on-one guidance to help you progress at your own pace.

Private: \$25.00/30 minutes

Semi-Private: \$20.00/person/30 minutes

Lifeguard & Instructor Certifications Pathway

1 - Standard (Intermediate) First Aid with CPR C (16 hours)

This Alberta Workplace-approved first aid course will teach you the basics of first aid administration and resuscitation for all age groups. This program is not specific to aquatics. Upon completion, certifications are valid for 3 years.

Pre-requisite: Pre-requisite: None

Dates: July 7 & 8, 2025

Times: 8:30 – 4:30 pm

Cost: \$140.00 + GST

2 - Bronze Medallion (16 hours)

The Lifesaving Society's Bronze Medallion challenges the candidate both mentally and physically. Judgment, knowledge, skills, and fitness - the four components of water rescue - form the basis of Bronze Medallion Training. Candidates acquire the assessment and problem-solving skills needed to make good decisions in, on, and around the water. Bronze Medallion is a prerequisite for assistant lifeguard training in Bronze Cross.

Pre-requisite: Age 13 years; hold at minimum CPR-C certification

Dates: July 14 & 15, 2025

Times: 8:30 – 4:30 pm

Cost: \$160.00 + GST

3 - Bronze Cross (24 hours)

The Lifesaving Society's Bronze Cross begins the transition from lifesaving to lifeguarding and prepares candidates for responsibilities as an assistant lifeguard. Candidates strengthen and expand their lifesaving skills and begin applying active surveillance principles and techniques in aquatic facilities. Bronze Cross emphasizes the importance of teamwork and communication in preventing and responding to aquatic emergencies. Bronze Cross is a prerequisite for advanced training in the Society's National Lifeguard and leadership certification programs.

Pre-requisite: Bronze Medallion (need not be current); Current AB Workplace Approved Standard (Intermediate) First Aid with CPR C .

Dates: July 16 to 18, 2025

Times 8:30 – 4:30 pm

Cost: \$160.00 + GST

4.A - National Lifeguard (40 hours)

The Lifesaving Society's National Lifeguard Certification builds on the fundamental skills, knowledge, fitness, judgment, and values taught in the prerequisite Lifesaving Society lifesaving certifications. The National Life-guard program develops the basic lifeguarding skills, principles, and decision-making process to help life-guards evaluate and adapt to different aquatic facilities and emergencies.

Pre-requisite: Bronze Cross (need not be current); Current AB Workplace Approved Standard (Intermediate) First Aid with CPR C; minimum 15 years of age at the time of the exam.

Dates: August 6, 7, 8, 11, 12, 2025

Times 8:30 – 4:30 pm

Cost: \$360.00 + GST

4.B - Swim Instructor (32 hours)

Swim Instructors are responsible for teaching and evaluating candidates participating in the Swim for Life® and Canadian Swim Patrol programs.

Pre-requisite: Bronze Cross (need not be current); Current AB Workplace Approved Standard (Intermediate) First Aid with CPR C; minimum 15 years of age.

Dates: August 26 to 29, 2025

Cost: \$350.00 + GST

Capture & share your Greenview moments for a chance to win!

Once again, the 2025 Greenview Photo Contest is back. We are looking for photos that capture Greenview's scenery and landscapes, flora and fauna, outdoor recreation and adventures (solo or with family and friends), our industries, our four seasons, traditions, and the world up close.

- ▶ Contest opens February 1, 2025, and closes Tuesday, September 2, 2025.
- ▶ Contest is open to photographers of all ages.
- ▶ All photos must be taken within the MD of Greenview.
- ▶ Each photographer may submit a total of 5 photos, but only one will be eligible to win.
- ▶ ONLY LANDSCAPE sized photos will be accepted.
- ▶ Photos submitted must be:
 - ✓ **Original**
 - ✓ **Landscape (wide)**
 - ✓ **High-resolution, JPG files and be at least 300 dpi (3600 x 2700)**
 - ✓ **Must not be heavily retouched or altered.**

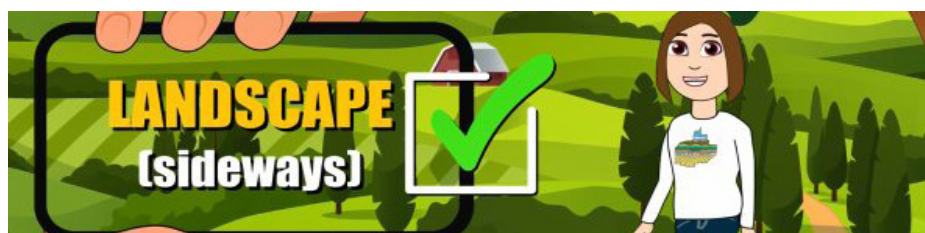

For more information or for help submitting photos, please contact the Greenview Communications Department at:

Phone: 780.524.7600

Email: photocontest@mdgreenview.ab.ca

Submit photos to Smartsheet or by scanning QR code:
