By signing below, I acknowledge and agree to the following conditions:

- Greenview does not guarantee effectiveness of the dust control agent.
- The primary dust control agent to be used is calcium chloride and once applied, no refunds will be made.
- Greenview reserves the right to maintain or rework the application as required.
- Greenview is not responsible for any damage or loss to private property, vegetation, landscaping, or any other personal assets resulting from the application, presence, or effects of the dust control product. Application is performed at the property owner's request or consent. The property owner assumes full responsibility for potential impacts, including environmental or aesthetic effects.

Note: If industrial applicants provide dust control services for a residential property, they must complete a separate Residential Dust Control Application for each property, signed by the resident. Once completed, all signed residential applications must be attached to the Industrial Dust Control Application.

Multi-Parcel Residential Applications with Adjacent Landowners

Adjacent Landowners (For multi-parcel subdivisions only)

- All adjacent landowners must be in agreement with this application and must sign below before this application will be accepted.
- Where a single application will serve adjoining residences, it is the responsibility of the landowners to work out the distribution of costs. We will only accept one payment.

An Agreement has been reached with adjacent landowners for the distribution of costs and approval of the dust control agent application.
