VALLEYVIEW, ALBERTA T0H 3N0

PHONE: 780-524-2183 FAX: 780-524-2476

DATE: July 28, 2020

We are excited to announce that we have been approved to provide **COVID-19 ASYMPTOMATIC testing** in our community!

In order to be tested by a pharmacist, the presenting patient must be asymptomatic, not travelled in the last 14 days, and cannot have had a positive test in the last 14 days. Non-qualifying patients will continue to be referred to 811 to be tested by Alberta Health Services.

We take the utmost precautions to ensure the safety of all our patients and staff. If a screening indicates the patient is symptomatic or high-risk for previous exposure, we have extensive cleaning and environmental controls to help reduce the risk of transmission to others in our community.

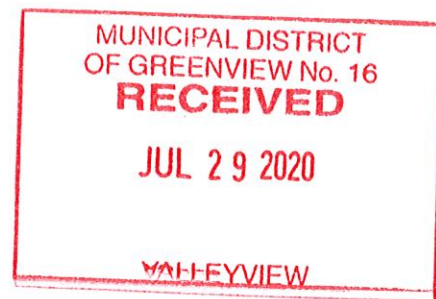

If you feel you would benefit from this test, please contact our pharmacy for an assessment.

Any questions or concerns regarding our provision of this service can be discussed directly with myself at 780-524-2183.

Thank you.

Kind regards,

Jessica Hadfield
Owner Pharmasave Valleyview & Junction Point
