

MUNICIPAL DISTRICT OF GREENVIEW No. 16

COVID-19 AQUATIC RULES

- All swimmers must pre-book their time slot. A maximum of thirty-seven (37) spots are available per time slot.
- Masks are not permitted to be worn in the water by swimmers, as they present a safety risk. Swimmers may wear masks on deck and in other areas of the facility.
- One-way traffic measures are in place with signage
- There are twelve (12) available spots during some swims for lane swimmers – see the aquatic schedule for more information.
- The diving board will be open during some swim times. Physical markers are placed on the floor to show where divers may line up – see the aquatic schedule for more information
- There is limited locker use available in the change rooms, and swimmers are permitted to bring their items onto the pool deck.
- Change stalls are available, with some being closed to ensure proper social distancing.
- All showers in the change rooms are unavailable for use.
- All swimmers must take a cleansing shower on deck before entering the pools.
- Swimmers must follow directional signage when entering and exiting the pool area.
- The center of the pool deck between the leisure and lane pool is off-limits for public use.
- To ensure proper social distancing measures are followed, it is encouraged that only one family or cohort be in the wading pool.
- To ensure appropriate social distancing measures, it is encouraged that only one family or cohort be in the lazy river at a time.
- All hot spots are closed (hot tub and steam room).
- Lifejackets are available upon request. Swimmers may bring their lifejackets from home, providing they are clean and in safe working order.
- No equipment will be available for use during any swim. Swimmers may bring their equipment (fitness, toys, etc.) from home, providing they are clean.
- Swim diapers are available for purchase at Guest Services for a cost of \$3.00
- The aquatic viewing area is unavailable for use.
- All other facilities and aquatic area rules are to be followed.

LANE SWIM GUIDES

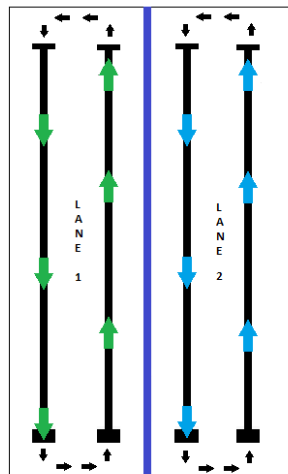

- Lane swim etiquette is expected.
- Lane swimmers will swim using the right side of the lane and follow the black lines on the floor and swim in a circle formation while maintaining social distancing of two (2) meters.
- A maximum of six (6) swimmers can share a lane.
- Twelve (12) available spots are available in the lane pool during lane swim. See schedule “Lane Pool Activity”.
- Booking a lane guarantees you access to the entire pool area and guarantees your shared lane.
