

# MUNICIPAL DISTRICT OF GREENVIEW No. 16

## MEDIA RELEASE

March 16, 2020  
FOR IMMEDIATE RELEASE

Due to the ongoing developments with COVID-19, the Province of Alberta's Chief Medical Officer has announced the cancellation of classes for K-12, post-secondary schools, and licensed daycares across the province to help prevent the spread of the virus.

In support of the provincial government's objectives, the MD of Greenview would like to notify residents and visitors of the additional closures of the Greenview Regional Multiplex, the Grande Cache Tourism and Interpretive Centre, and the Grande Cache Recreation Centre effective as of 12:00 Noon on March 16, 2020. All listed facilities will remain closed until further notice.

All monthly member payments are being suspended as of today, March 16, 2020. Any paid-in-full memberships will be put on pause until further notice, and expiry dates will be extended accordingly. We look forward to reopening our doors when we have assurances that public safety is not at risk.

We will continue regular communication as we sort through the many issues that accompany this type of challenge. In the meantime, we would like to encourage all in our communities to remain active by getting outside and utilizing the many incredible outdoor recreation areas and opportunities throughout Greenview.

The health and safety of our staff, residents, and communities remain our top priority. All updates regarding our public facilities will be posted here as they become available.
