

MUNICIPAL DISTRICT OF GREENVIEW No. 16

MEDIA RELEASE

March 20, 2020
FOR IMMEDIATE RELEASE

Greenview Office Closures Effective Immediately

Due to the ongoing developments with COVID-19, the Province of Alberta's Chief Medical Officer has advised that social distancing be practised across the province to help prevent the spread of the COVID-19 virus.

In support of the provincial government's objectives, the MD of Greenview would like to notify residents and visitors of the additional closures of all Greenview buildings and offices effective immediately.

Our staff will continue to work diligently behind the scenes to continue to provide services to residents and our phone lines will remain open during regular business hours to answer any questions that residents may have during this time. We would also like to remind residents that any payments can be made online, over the phone, or via the drop box at the front door of the Valleyview Administration building.

The health and safety of our staff, residents, and communities remain our top priority. All updates regarding our public facilities will be posted here as they become available.
