CHAIR

# **REQUEST FOR DECISION**

SUBJECT:	Grande Cache Community Events Foundation Presentation			
SUBMISSION TO:	COMMITTEE OF THE WHOLE	REVIEWED AND APPR	OVED FOR SUBMISSION	
MEETING DATE:	December 21, 2021	CAO:	MANAGER: KK	
DEPARTMENT:	ECONOMIC DEVELOPMENT	GM: MH	PRESENTER: LL	
STRATEGIC PLAN:	Level of Service	LEG:		

RELEVANT LEGISLATION: **Provincial** (cite) –N/A

Council Bylaw/Policy (cite) -N/A

#### **RECOMMENDED ACTION:**

MOTION: That Committee of the Whole accept the presentation from the Grande Cache Community Events Foundation for information, as presented.

#### BACKGROUND/PROPOSAL:

A representative from the Grande Cache Community Events Foundation will provide a summary of 2021 with figures related to cost and attendance, discuss future goals, and provide a summary of the 2022 capital grant request.

In 2020 Greenview sponsored the Grande Cache Community Events Foundation in the amount of \$3,000.00 for an outdoor large-scale holiday event in partnership with the Grande Cache Tourism & Interpretive Centre. A similar sponsorship is requested in 2021 in the amount of \$2,500.00.

#### BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of accepting the presentation is that the Committee of the Whole will have the opportunity to obtain a clear understanding of the request and it's intended use when discussing the 2022 capital grant request.

#### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

#### ALTERNATIVES CONSIDERED:

Alternative #1: Committee of the Whole has the alternative to amend or take no action to the recommended motion.

#### FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

#### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

#### PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

#### **INCREASING LEVEL OF PUBLIC IMPACT**

Inform

#### **PUBLIC PARTICIPATION GOAL**

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

#### **PROMISE TO THE PUBLIC**

Inform - We will keep you informed.

#### FOLLOW UP ACTIONS:

There are no follow up actions to the recommended motion.

RELEVANT LEGISLATION: **Provincial** (cite) –N/A

Council Bylaw/Policy (cite) -N/A

#### **RECOMMENDED ACTION:**

MOTION: That Committee of the Whole accept the presentation from the Grande Prairie Regional Agricultural and Exhibition Society for information, as presented.

#### BACKGROUND/PROPOSAL:

A representative from the Grande Prairie Regional Agricultural and Exhibition Society, operating as Evergreen Park, will provide a summary of their 2022 capital grant request for matching grant funding support for major renovations to the Lewis Hawkes Community Facility at Evergreen Park.

Greenview supports Evergreen Park annually with an operating grant, the 2022 proposed operating request is \$25,000.00. Greenview also provides annual sponsorship of the North Wing of the Tara Centre at Evergreen Park in the amount of \$8,500.00, ending in 2023.

#### BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of accepting the presentation is that the Committee of the Whole will have the opportunity to obtain a clear understanding of the request and it's intended use when discussing the 2022 capital grant request.

#### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

#### ALTERNATIVES CONSIDERED:

Alternative #1: Committee of the Whole has the alternative to amend or take no action to the recommended motion.

#### FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

#### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

#### PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

• Evergreen Park Power Point Presentation

Evergreen Park

MD OF GREENVIEW PRESENTATION

DEC 21, 2021

 Firstly, thank you to the MD for your continued support over the past number of years.

 We greatly appreciate it, and wished to take this opportunity to give you a very brief update on Evergreen Park while we made our Proposal to you

# Evergreen Park 2021 Update YTD

- Although we had significant less events in 2021 again, and our Casino and Lounge were closed for ½ of the year, there were still many things that we were able to do to remain connected to the Community, and still generate some income.
- It is important to note that many areas of the Park still needed to be kept open and maintained in spite of the lower Events (ie- TARA Centre, etc,) We are also a designated EVAC Centre for the Region.
- There were a number of ways that we were able to creatively still be that presence for the Region, and serve the area:

#### Evergreen Events - 2019

TARA Centre	217 Events
Clarkson Hall	39 Events
Pines/Casino	96 Events
Gordon Badger	40 Events (+ 230 Kid Zone parties
Arenas (L. Hawkes & Drysdale)	152 Events
OldTimers	57 Events
Sub-Total Events	601 Events

Additional Events : Campground (168 days, & 8000 people)

Above doesn't include: 8 Weekends + of Minor baseball tournaments & Clubhouse Events, Game country Archer days and Tournaments, Centre for Resource Excellence ( tours with children & others), Outdoor Arena Clinics, Tournaments- Gymkhana & SPHC, Peace Draft Horse Club Events, Blachford Halloween Field of Horror days, Stompede Cabin Meetings & gatherings, etc.

14

#### TOTAL Events/year at the Park - over 1200

#### Evergreen Events – 2021

TARA Centre	63 Events
Clarkson Hall	19 Events
Pines/Casino	12 Events
Gordon Badger	8 Events
Arenas (L. Hawkes & Drysdale)	24 Events
Old Timers Off-site Catering Tara Takeouts	2 Events 32 Events 32 Takeout Days
Sub-Total Events	192 Events

# **Outdoor Movie Experience**

- This is our second year of partnering with "Grand Sunset Theatre" to create an OUTDOOR Movie Theatre Experience at the Park. This involves Movies, Concerts, and many outdoor "Safe" Fundraisers for Groups in the Community and surrounding areas.
- A good portion of the Net proceeds (after costs) from the many FUNDRAISING Events at the Grand Sunset Theatre at the Park this past year (2020) were given to the Fundraisers. It was our way to help them survive through Covid too. We did charge a fee in 2021 to cover all of our hard costs, and generate some revenue.

# Grande Sunset Theatre – PWA GRAD

All net proceeds from these Events went directly to the fundraisers who booked the Event with us

THE

19

 Sled Dog Adventures Dec. 3 - Jan. 3. Reserve @ elevationsleddogs.ca
 Northern Spirit Light Show 6-10 p.m. Thursday, Friday, Saturday & Sunday and then daily starting Dec. 10 (except Dec. 25) to Dec. 31.
 TARA Energy Services Community Rink. Coming soon!
 Outdoor Christmas movies. Coming soon!

For updates on all events and activities at Evergreen Park visit: www.evergreenpark.ca

....experience it!

We partnered with Elevation Sled Dogs ( who competes in the Iditarod in Alaska annually) for the first time at EGP in 2020 Starting in December, 2020, Elevation Sled Dogs gave private tours throughout Evergreen Park on their sleds. It was a wonderful family-oriented outdoor experience, which was experienced by many.

With the popularity and success, we have committed to a long-term partnership with them. (5-year deal)

This deal includes a yearly land-use fee to EGP, Plus participation in the new User Group Annual fees per person.

We were able to retain our title sponsors (such as Tara Energy who sponsors our Convention Centre), and even partnered with them on an outdoor arena this past winter for the public.

We were able to provide some of the local schools with booking our Rink for their fitness programs and classes, all while maintaining current safety protocols.

# WE HAVE THE AND STAY APART AT EVERGREEN PARK

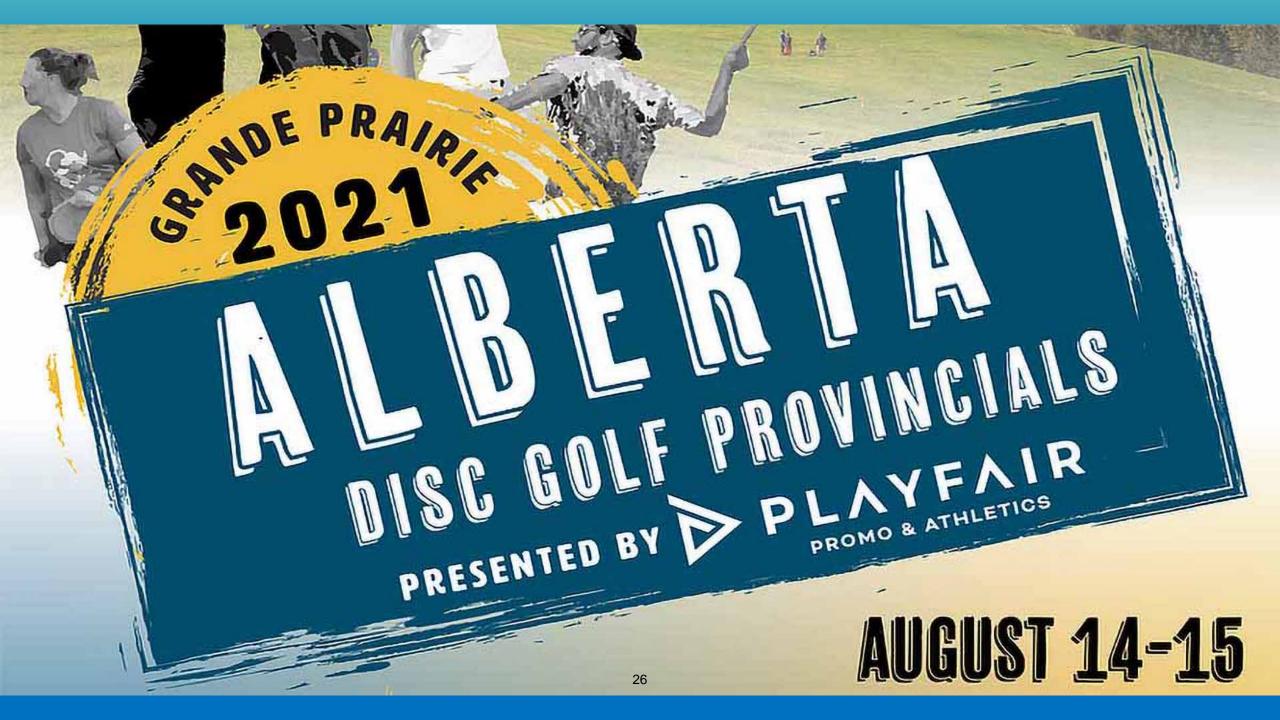

# Weddings during a Pandemic:

Our outdoor wedding pergola area offered an opportunity for small sociallydistant weddings at the Park this past summer- more are booked in 2022 & 2023

19-27 Hole Disc Golf Course was finished at Evergreen Park, and became a very popular safe outdoor experience for many

# SUNDAY

# JUNE 14 BEEF STRIP LOIN

# CELEBRATE EASTER WITH A TRADITIONAL TURKEY DINNER DELIVERED TO YOUR DOOR GOOD FRIDAY OR EASTER SUNDAY

# Phone 780-532-3279

Deadline For Ordering Wednesday, April 8 At 11 a.m.

 We are pleased to announce that DUCKS UNLIMITED has taken over the EVERGREEN LEARNING AND INNOVATION CENTRE areas at Evergreen park, and will be upgrading and initiating new Environmental Projects at Evergreen Park over the next few years. These would include a Wetland Road Demonstration area, (Showing visitors wetland road construction techniques, etc.)

• We were able to stay open and viable because of the continued support of the County of GP, the MD of Greenview and others during COVID. And with the creative efforts of our Evergreen Park Team, we were recently awarded a special Innovation Award, given out by the Alberta Association of Agricultural Societies, and the Alberta Government :

Alberta

# Agricultural Society Innovation Awards

2021 - REGIONAL AGRICULTURAL SOCIETY AGRICULTURAL SOCIETY INNOVATION AWARD Grande Prairie Regional Agricultural & Exhibition Society

32

# EGP's 2022 Vision (now & Moving forward):

- With Safety Protocols & Social Distancing still in place for some of the next year or so, we have re-strategized our approach to Events & Activities moving forward:
- Adapting to the new REP vs 1/3 capacity Protocols now in place. We are using a hybrid of both of these, as well as other designations: (ie- Festival of Trees REP- Christmas Craft Show is 1/3 capacity)
- Marketing & Promoting both our SAFE off-site Catering, as well as on-site training & catering

## **Other User Groups currently on-site (or using site):**

- E.L.I.S (Evergreen Learning & Innovation Society)
- GP Minor Ball (Clubhouse & Diamonds)
- GP Archery Club (Clubhouse and Targets)
- Peace Draft Horse Club (Barn & Attachments)
- Swan City Snowmobile Club (Clubhouse & Shop)
- South Peace Horse Club (& Gymkhana) Riding Arenas & Clubhouse
- Disc Golf Course & Clubhouse

- 4H Clubs of the Peace Region
- Team Sorting Organizations
- Team Roping Associations
- Barrel Racing Groups
- PBR
- Peace Country Ag Show
- Critters & Craft Shows
- Horse Boarding Program
- Horse Racing Stabling

 Lewis Hawkes Arena is a building that has been used at Evergreen Park for almost 50 years. It still has a very strong base, but it is very tired, and needed significant upgrades and renovations.

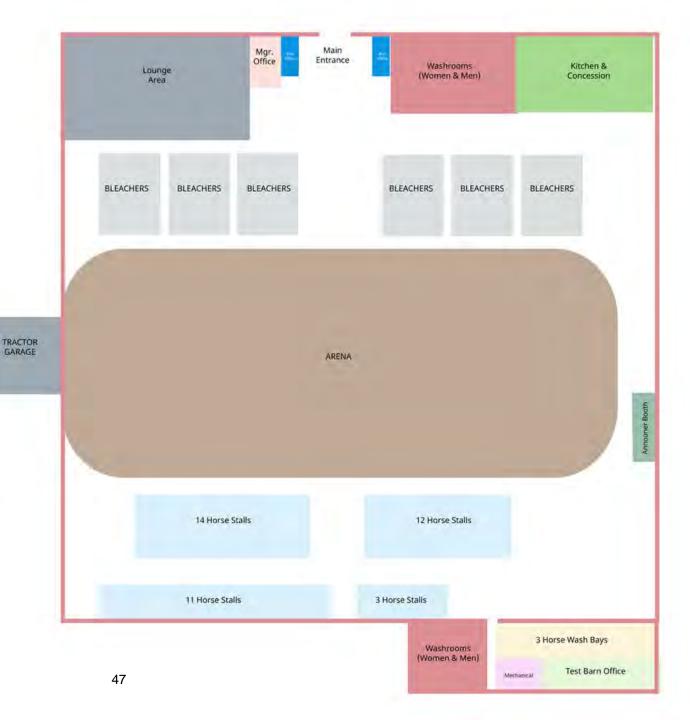

# LEWIS HAWKES Renovation

### The new Arena Upgrades will include:

- New LED Lighting (including Parking Lot Lighting)
- New tin exterior and interior
- New Washrooms
- Significant Seating upgrades and additions
- Horse Wash Bays
- Concession
- Lounge and Bar area
- Announcers booth
- Tractor Storage Shed
- New Front entrance
- Wheelchair accessible entrance

Prior to Covid we had applied for (and now received) a Matching CFEP Grant for an upgrade to the Lewis Hawkes Arena-

Matching Grant amount - \$437,000 (We have raised approx. - \$275,000 of the matching funds, and are actively working on raising the rest)

• Please note- as a significant part of the cost savings for this renovation project, we have been able to utilize our staff for the demolition portion of the project.

- Many Businesses and Organizations had agreed to help support our Matching grant Monies once we received the approval from the Alberta Government
- However shortly after we received the Grant news, COVID hit. A great number of those that said they would support our renovation Financially, we now unable to do so. Many of them were doing their best just to survive.
- We completely understood this of course, and have worked very hard to find others to help us with the Matching Funding
- To date we have raised over \$275,000 of the matching \$437,000 that we need. We are approx. \$162,000 short, and are asking you to please help us. (The County has given us \$150,000, and also continued to support us additionally since COVID hit)

- We are asking the MD to please contribute \$75,000 towards the matching Renovations costs for the Lewis Hawkes upgrades.
- We sincerely believe this renovation will enhance the experience of many Regional Groups and Associations at the Lewis Hawkes, similar to what we experienced with the Clarkson Hall Renovations

## It is very much appreciated!

## Thank you and are there any questions?

### **REQUEST FOR DECISION**

SUBJECT:	Safer Alberta Roads
SUBMISSION TO:	COMMITTEE OF THE WHOLE
MEETING DATE:	December 21, 2021
DEPARTMENT:	ECONOMIC DEVELOPMENT
STRATEGIC PLAN:	Level of Service

REVIEWED AND APPROVED FOR SUBMISSION CAO: SW MANAGER: GM: PRESENTER: LEG:

RELEVANT LEGISLATION: **Provincial** (cite) –N/A

Council Bylaw/Policy (cite) -N/A

### **RECOMMENDED ACTION:**

MOTION: That Committee of the Whole accept the presentation from the Safer Alberta Roads Coalition for information, as presented.

### BACKGROUND/PROPOSAL:

A representative from Safer Alberta Roads will be presenting information on their non-profit communitybased organization that brings industry, government, and community partners together to prevent highway fatalities through education and advocacy.

### BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of accepting the presentation is that the Committee of the Whole will have the opportunity to obtain a clear understanding of the coalition and their goals for 2022.

### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

### ALTERNATIVES CONSIDERED:

**Alternative #1:** Committee of the Whole has the alternative to amend or take no action to the recommended motion.

### FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

### **INCREASING LEVEL OF PUBLIC IMPACT**

Inform

### **PUBLIC PARTICIPATION GOAL**

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

### **PROMISE TO THE PUBLIC**

Inform - We will keep you informed.

### FOLLOW UP ACTIONS:

There are no follow up actions to the recommended motion.

### ATTACHMENT(S):

- Power point presentation

**MD of Greenview** Presentation **December 21, 2021** 

### **About the Coalition**

- Non-profit community-based organization lacksquarethat brings industry, government, and community partners together to prevent highway fatalities through education and advocacy.
- We are fully funded fully by our industry ulletmembers and community partners
- ulletover 11 years.
- Our education and advocacy outreach to ulletcommunities helps people develop safer driving habits.

Focused on community-based road safety for

- National, independent road safety research institute
- Registered charity
- Focus on road users
- Governance
- Staff
- Funding

## Action2Zero **Pilot Project**

## **Overview**

- Action2Zero introduction
- Fox Creek key takeaways
- Next steps
- The importance of road safety in the community

## **ACTION 2 ZERO**

## Action2Zero What is it?

### **Action2Zero utilizes:**

- A 5-star road safety community rating in • which 5-stars means an activity has been or is being completed in accordance with research and international best practice.
- Questions are organized according to three ● priority areas:
  - Knowledge about evidence-based practices. ●
  - ulletthe community.
  - ulletsafety.

Action that is planned, underway, or completed in

Commitment among partners to improve road

## Action2Zero What is it?

## The tool was designed to empower communities to:

- Track progress to achieving their strategic road safety plan and assess their community rating.
- Determine what strategies and initiatives have been implemented in the community and are working well.
- Prioritize improvements to address gaps ● and 5-star community status.

and achieve their strategic road safety plan

## Action2Zero What is it?

Three Alberta communities:

- Fox Creek (N=13)
- Highway 40 (N=18) ullet
- Lac La Biche (N=14) lacksquare

Average number of years with organization:

- Fox Creek: 14.2 years
- Highway 40: 8.7 years ullet
- Lac La Biche: 11.2 years •

## **Key Takeaways**

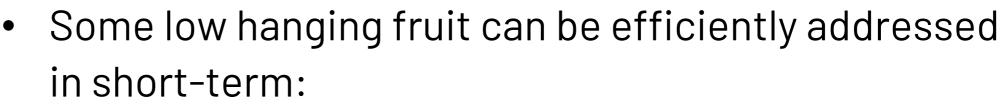

- Greater understanding of Safe System approach is needed to create a common
- A shared vision is required as well as a designated agency to lead a road safety plan.
- More exploration of road safety data is ● needed:
  - data that is accessible and relevant (3.5).
  - Sharing data, however, was weak.
  - All communities indicated data is not available (1.5).

understanding and guide the road safety plan.

All communities indicated agencies collect crash, injury

External partners and stakeholders lack access (2.3).

## **Key Takeaways**

- Increase understanding of Safe System approach as a ulletbasis for road safety planning.
- Cultivate leadership for road safety strategies.
- Develop mechanisms to coordinate, share, amplify efforts to increase awareness and effectiveness.
- Document data availability and explore opportunities to create/gather baseline data to guide road safety planning and identify priorities.
- Coalition can provide leadership/facilitate engagement with TIRF's support re knowledge/expertise.

### **Next Steps**

- Share results with individual communities as • basis to discuss the status of road safety in community.
- Clarify results with contextual knowledge and ulletestablish common understanding of issues.
- Explore data sources/access to refine results.
- Draft report for community/Coalition review. ullet

## **Next Step Hwy 40**

Engage with community to begin collaboration on action plan, beginning with:

- Strengthen Peace Officer Program thru strategic planning, partnerships, training and community education activities.
- Work with community to coordinate building • common base of knowledge around effective road safety planning and issues.
- Share and promote results in partnership with TIRF, Desjardins and each community – local, provincial and national.

### Why continue to be a member?

- Surprising facts about COVID and driver behaviour
- Road safety gains made in communities can be lost
- Communities bear the heaviest burden. emotionally and financially, for road fatalities
- The greatest influence in driver behaviour and road safety happens at the community level
- The Alberta Peace Officer program is a terrific mechanism to raise awareness about road safety risks, and reshape and influence driver behaviours in a positive way.

## Why continue to be a member?

- Members have increased recognition as leaders in road safety with communities, stakeholders, and all levels of government.
- Strength in numbers, our collective voice has greater influence and is much stronger together than individually.
- We are the lead champions in communities, supporting and providing evidence-based resources and programs.
- Sharing resources is cost-effective and creates cohesive and stronger messaging.
- Brand and logo recognition for members on website and all materials, resources and programs developed by the Coalition.

# Action2Zero benefits for members

- Members have access to road safety professionals with proven experience.
- Community members have ongoing support following their assessments (action plans and communications tools).
- Ability to benchmark their road safety data.
- Support and assistance in becoming a 5-star road safety community.

## **REQUEST FOR DECISION**

SUBJECT:	<b>Corporate Services Delegation</b>
SUBMISSION TO:	COMMITTEE OF THE WHOLE
MEETING DATE:	December 21, 2021
DEPARTMENT:	CORPORATE SERVICES
STRATEGIC PLAN:	Level of Service

REVIEWED AND APPROVED FOR SUBMISSION CAO: SW MANAGER: GM: EK PRESENTER: LEG:

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) - N/A

#### **RECOMMENDED ACTION:**

MOTION: That Committee of the Whole accept the Corporate Services Department presentations for information, as presented.

### BACKGROUND/PROPOSAL:

Administration will provide to Committee of the Whole an overview of the Corporate Services Department. Throughout Council Orientation and budget, Council learned some of the processes, responsibilities, and service levels for each area.

The following presentations will provide an opportunity to meet some of the people behind the scenes.

#### BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of accepting the presentation is to inform Council about the people, the department, and the levels of service.

### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

#### ALTERNATIVES CONSIDERED:

Alternative #1: Council may choose not to accept the presentation.

#### FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

### PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

### **INCREASING LEVEL OF PUBLIC IMPACT**

Inform

### **PUBLIC PARTICIPATION GOAL**

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

### **PROMISE TO THE PUBLIC**

Inform - We will keep you informed.

### FOLLOW UP ACTIONS:

There are no follow up actions to the recommended motion.

## **Information Systems**

## December 21, 20212

## **Department Organization**

 Mandate: Information Systems is responsible for the delivery of service and management of Information Technology, business systems, and assisting the MD of Greenview in the creation, storage, and retrieval of data and information. The IS department is also responsible for the business analysis, project management, and organizational change management functions.

## Municipal District of Greenview 16 Staff

Ensures that departmental program delivery is supported by stable and effective technology which meets business needs. Responsibility for the acquisition, maintenance, and replacement of all technology within the Organization.

IS Manager	Leadership Prepare various reports for budgets, SLT and council Planning Procurement Escalations Serves as a technician Action Incidents/Requests Service Quality Business Analyst for	Respond to service issues Respond to requests Account administration Software deployment Hardware deployment Project Implementations	Service Desk Technician 2 technicians share the load
	departments requests General Admin duties	Desktop support Computer install/moves Executive support	Worksite Support Technician

Training

## Average per month activity:

**Incidents:** 184 (20 percent handled by MD IS Team) Tickets are handled by the MD Technicians and Yardstick

**Requests:** These are submitted via a smartsheet form. We average 8 a month. This mostly requires onsite work or backend configuration in various locations within the district.

**Onboarding/Offboarding:** Handled mostly by MD Technicians. These are submitted via smartsheet form. We average 21/month. The onboarding process includes standard workstation build, cell and deskside phone, active directory configuration and permissions applied depend on the role and requests. This also include user job modifications. IE: Operator to Supervisor.

This departments also manages 20 meeting/conference rooms throughout the entire district plus Council Chambers. Each room is equipped with standard technology and is totally maintained and supported by the IS Dept.

There are 313 mobiles devices, 200 workstations, 76 printers, approximately 200 deskside phones and 280 user/vendor accounts managed by IS with support from Yardstick<sub>85</sub>

MUNICIPAL DISTRICT OF GREENVIEW No. 16

Our employees are the most important resource of the organization.

## What is Human Resource Management?

Human Resource Management is "the planning, organizing, directing and controlling of the procurement, development, compensation, integration, maintenance and separation of human resources to the end that individual, organizational, and social objectives are accomplished."

Success for the organization depends on finding employees with the skills to successfully perform the tasks required to attain the organization's strategic goals.

The Human Resources department balances the needs of the employer and the employee throughout the employee lifecycle.

3

## **Employee Lifecyle**

Focusing on doing the best we can at each stage, we are much more likely to attract and retain a fantastic team.

## **REQUEST FOR DECISION**

SUBJECT:	2022 Community Grant Requests
SUBMISSION TO:	COMMITTEE OF THE WHOLE
MEETING DATE:	December 21, 2021
DEPARTMENT:	ECONOMIC DEVELOPMENT
STRATEGIC PLAN:	Level of Service

REVIEWED AND APPROVED FOR SUBMISSION				
CAO:	SW	MANAGER: KK		
GM:	MH	PRESENTER: LL		
LEG:				

### RELEVANT LEGISLATION: **Provincial** (cite) –N/A

Council Bylaw/Policy (cite) – Policy 8002- Community Grants

#### **RECOMMENDED ACTION:**

MOTION: That Committee of the Whole recommend that Council award the approved January 2022 Community Grants.

#### BACKGROUND/PROPOSAL:

The 2022 Community Service Miscellaneous Grant program includes a proposed budget of \$1,500,000.00 out of which community grants and sponsorship funding is allotted. There are two separate funding disbursement dates which are awarded in January and June of each calendar year.

In an effort to aid Council in the grant review process, Administration is recommending that a decision framework be established. The following questions may be considered.

- 1) What types of groups or organizations should Greenview fund?
- 2) What is the criteria used when funding events?
- 3) Will Greenview fund charitable organizations?
- 4) Will Greenview fund groups competing with private industry?
- 5) Is there a degree of consistency and fairness?

A summary of the grant requests have been categorized into a spreadsheet. Administration provided recommendations with the grant applications for Council's consideration.

#### BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of the Committee accepting the recommended motion is that the Committee of the Whole will recommend that Council award the 2022 Community Grants accordingly.

#### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

There are no alternatives to the recommended motion.

FINANCIAL IMPLICATION: Direct Costs: \$1,500,000.00 Ongoing / Future Costs: N/A

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

### **INCREASING LEVEL OF PUBLIC IMPACT**

Inform

### **PUBLIC PARTICIPATION GOAL**

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

### **PROMISE TO THE PUBLIC**

Inform - We will keep you informed.

### FOLLOW UP ACTIONS:

Administration will present the reviewed 2022 grant listing as recommended by the Committee of the Whole to Council in January 2022.

### ATTACHMENT(S):

- Grant Applications
- 2022 Grant Application Listing

#	Name of Organization	Grant Type	Total Amount Requested		Previous Grant from MD	Purpose of Previous Grant			Grant funds applied for from other sources	Donee, Purpose and Amount	Type of Fundraising & Amount Raised	Administration Recommendations
1	Fox Creek Light Horse Association	Capital Grant	\$ 50,000.00	Building a roof over the riding arena. This will impact the town of Fox Creek to include the people in charity events and entertainment so they can hold jackpots in Fox Creek . The total estimated cost is \$128,000.00 + GST.	No				Yes	2021- Applied to Corporate Sponsors - unsuccessful 2022- Will apply to the Town of Fox Creek, additional Corporate Sponsors and will inquire regarding provincial and federal grant funding.	Grande Prairie Casino- \$30,000 Funds Saved- \$20,000	Administration recommends supporting a \$20,000 operating grant contingent on the remaining funding for this project being secured in 2022 and matching funding from the Town of Fox Creek
2	Rising Above Ministry (Grande Prairie)	Operating Grant	\$ 50,000.00	Operational costs including office supplies, lease agreements, staff salaries, maintenance, administrative costs, and insurance.	Yes	These funds supplemented the cost of staff salaries, office supplies, administration costs, and maintenance to Rising Above facilities.	2020 2019	\$20,000.00 \$30,000.00	Yes	City of Grande Prairie - \$50,000.00 Operational - Main Campus County of Grande Prairie - \$30,000.00 Operational - Life- Skills classes Church of the Nazarene - \$5,000.00 Capital - Hope Haven Window Project	September 2021 Share-a-thon Fundraiser: \$152,387.00 Balisky Memorial Fund: \$57,560.00	Administration does not recommend supporting the full grant request for operating as it would be setting a precedent to other organizations. Administration sees the benefit of the services provided by the society. Administration recommends providing a \$20,000 operating grant.
3	Cornwall Community Cemetery (Ridgevalley Area)	Capital Grant	\$ 5,000.00	Removal of 30' dead spruce trees in cemetery, Replace trees (mature spruce) that were "drowned out"/destroyed by flood water (15 of them) in spring of 2020 Estimated completion date: November 15, 2021 - payment is deferred until 2022	Yes	Ride on Lawnmower and Shed	2003	\$ 3,800.00	No		One time donation received from "DADS"(DeBolt Association of Dirt Savers in January 2016 totaling \$5,720.37, used to build and install new steel gates at cemetery.	Administration recommends supporting the capital grant request because it will prevent further damages to a cemetery in Greenview. Greenview provides the Cornwall Cemetery an annual operating grant of \$1,500.
4	Grande Prairie Palliative Care Society	Operating Grant		Operational funding to augment the wages for the position of GPPCS Executive Director. This position is essential in the organization by ensuring programs and services offered to the community are meeting the mandate and strategic plan set out by the GPPCS Board of Directors.	Yes	To augment Executive Director Salary	2021	\$ 35,000.00	Yes	City of GP - Palliative Care Volunteer Programs - \$30,000 County of GP - Palliative Care Volunteer Training - \$30,000 Saddle Hills - Rural Nav-CARE - \$10,000 AB Mental Health - Mental Health Older Adults/Term III Project - \$205,000 (2-year term) Community Foundation - Digital Solutions (Devices only) - \$40,000 CIP-Project Based - Virtual Care Phase 2 - \$75,000	Walk - Hospice Bed - amount pending Donation of Securities specifically earmarked for educational bursaries, conferences, palliative care awareness, contingency fund - \$311,000 (5-year term)	Administration recommends supporting the operational grant in the amount of \$30,000 as the Grande prairie Palliative Care Society supports the quality of life of Greenview community residents.

5	Grande Prairie Regional Agricultural and Exhibition Society	Capital Grant	<ul> <li>\$ 75,000.00 Renovations and upgrades to the Lewis Hawkes Pavilion at Evergreen Park. This includes lighting, washrooms, ventilation, etc.</li> <li>The renovations and upgrades will allow more groups to access the Pavilion and greatly extend the life of this facility, which is in significant need of repair. Upon project completion the Lewis hawkes Pavilion will be able to host a wider variety of public-use events (both local, regional and provincial in scope).</li> <li>The total cost to renovate the Lewis Hawkes is approximately \$900,000.00.</li> </ul>	Yes	Annual Operating Grant 2020	\$ 20,000.00	Yes	Funding Sources for the Lewis hawkes renovation project: - Community Facility Enhancement Program - \$434,000.00 - County of Grande Prairie Grant - \$150,000.00 - Donated Material - \$56,000.00 - Grant Evaskevich Donation - \$25,000.00 Still require \$200,000.00 in matching grant monies because the project has met unexpected over run costs, which were not seen until renovations were started.		Administration recommends supporting the capital grant request in the amount of \$25,000.
6	Rocky Mountain Wilderness Society	Operating Grant	\$ 19,600.00 The RMWS trail crew plans to travel to the end of the Rock Creek Valley and clear the Moose Pasture trail to the Sulphur River. This trail is heavily used throughout the summer by horse back and hikers. The trail starts at the end of the Rock Creek Valley and goes to the Sulphur River at Blue Grouse campground. The plan is to cut to the Glacier Pass Trail near the Sulphur River then towards Brewsters wall as far as time will allow on a 14 day trip.	No			No	In the past we have received grant funds for other projects from WSFA \$15,000.00	We have not been able to hold our annual fundraiser for two years due to COVID	Administration recommends supporting the operating grant request with the condition that all AEP standards and requirement are followed and provide trail GPS data/maps, photo evidence and a final summary report. Greenview recreation and AEP are in full support of this project.
7	Valleyview and District Sun Valley Pioneers Association (Seniors Drop-in Centre)	Capital Grant	\$ 12,250.00 The facility has had a number of additions over the years. The portion used as the meeting/dance and games area is in an older section. The club would like to upgrade this area. The work would entail removing the existing carpeting and installing a more durable material in the games area (pool table area). The walls will also be patched and painted. The remaining flooring will be replaced as funds become available. The proposal also includes new carpet runners for the main entrance.	Yes	We receive an annual operating 2021 budget which is used for utilities and general upkeep and maintenance of the building and grounds.	\$ 10,500.00	No	None in 2020/2021 reporting period. In typical years would receive unsolicited donations and request assistance from service clubs or local businesses for small projects.	1) AGLC - worked casino fall of 2019 §33,283.44 - funds for multiple years 2) spring/fall jamboree - cancelled due to Covid 3) rentals and user fees - \$259 4) 50/50 draws - none since Covid	Administration recommends supporting the capital grant request because it will positively impact the quality of life and social well being of the community. Greenview provides an annual operating grant of \$11,500.00.
8	Grande Cache Community Events Foundation	Operating Grant	\$ 65,000.00       We are requesting funding broken down into the following categories         Employee wages - 30% - \$19,500         Event operations and running costs 20% - \$13,000         Capacity building costs 50% - \$32,500	No			Yes	Participaction Community Better Challenge Grant - \$250	As listed, our concession is a type of fundraiser and has raised around \$5000 of the \$9051 listed on our total report. We have also run a 50/50 for Canada Day next year that has raised around \$200.	Administration recommends supporting the operational grant request in the amount of \$32,500.00 because events of this magnitude will enhance tourist attraction and benefit the local economy in the Grande Cache area.
9	Canadian Shorinryu Karate Association (Valleyview)	Operating Grant	\$ 3,745.00 Operating funding to cover some of the room rentals costs for instruction in Valleyview.	No			Yes	The Town of Valleyview has provided \$1156.62 toward room rental for the club to meet and train.	Other activities are being planned but have not occurred yet.	Administration does not recommend supporting this request as there is a local group that offers a similar service and there is only one Greenview resident that attends this association.

10	Grande Prairie Youth Emergency Shelter Society	Operating Grant	\$ 20,000.00	Front line youth support workers wages.	Yes	This grant was used for Sunrise House Shelter Operations - specifically for front line youth support worker wages. Final Report will be submitted prior to October 15	2021	\$ 20,000.00	Yes	Child & Family Services - \$169,067 (operations) City of Grande Prairie - \$130,000 (operations) County of Grande Prairie - \$20,000 (operations) A Way Home Canada - \$80,000 (family support) CMHA - \$81,000 (Navigator) Home Depot Foundation - \$10,000 (operations) Pembina - \$25,000 (operations) Weyerhaeuser Giving Fund - \$30,000 (operations) RBC Foundation - \$10,000 (Navigator)	Tournament (estimated income \$60,000)	Administration recommends supporting the operational grant request. Greenview has budgeted \$500,000.00 in 2021 for the construction of a new Youth Emergency Shelter, contingent on the security of the balance of the funding for the project.
11	Hinton Adult Learning Society Operating as Grande Cache Community Learning and Employment Resource Centre (CLERC)	Operating Grant	\$ 5,000.00	Funding for a 'reporter' for the Grande Cache Community Mountain Voice newspaper, to help with content and to cover events within the community. The reporter will be paid as a contract worker at \$25 per hour, for 20 hours per issue. This will work out to \$1000 every month. The funding would go directly into operation of the newspaper, to ensure it meeting the needs of the community. The newspaper grant will be funded until March 31, 2022.	Yes	To provide Grief Recovery Method support groups to the community of Grande Cache.	2019	\$ 3,000.00	Yes	Canadian Mental Health Association Community Micro- grant - \$39,760 (to develop, publish and distribute a community newspaper in Grande Cache)	Will be applying in 2022 for the Canadian Mental Health Association Community Micro- grant	Administration recommends supporting this grant request as it significantly benefits the Grande Cache area community and is the only tangible source of community information.
12	Red Willow Players Theatre Association (Valleyview)	Operating Grant	\$ 8,000.00	Assist in paying for utilities and performance expenses which include royalties, scripts, props and sets.	Yes	Operating Expenses	2013-2020	\$ 8,000.00	No		Festival of Trees - Bi Annually (3 times) Valentines Dinner & Dance (3 times)	Council has been approving the operational grant to the Red Willow Players in the amount of \$8,000 annually since 2013. Administration recommends that if Council wishes to continue to provide support that this item be placed in the annual budget rather than going through the grant process
13	Mountain Metis Nation Association (Grande Cache Area)	Operating Grant	\$ 80,000.00	Funds will be used to cover the 2022 Operating Costs of running the Youth Connections Program, targeted for youth ages 6-17.	Yes	2021 Operating Costs for Youth Connections Program	2001	\$ 80,000.00	No			Administration recommends Council defer making a decision on this request until the Association makes a presentation at a Committee of the Whole meeting.
14	Willmore Wilderness Preservation and Historical Foundation (Grande Cache)	Operating Grant	\$ 50,000.00	Funds for operational activities to facilitate the historical research of the MD of Greenview and surrounding area.	Yes	Operational	2019	\$ 100,000.00	No		N/A	Administration does not recommend supporting this request because in 2020 Administration provided Wilmore Wilderness a letter stating the \$100,000 grant issued in 2020 would include the grants for the 2021 and 2022 calendar years per Council direction. Beginning in 2022 the tourism and interpretive centre will collaborate with the Foundation to establish new programs which will create awareness and highlight the foundation through interpretive initiatives.

15	Ridgevalley School Council Society	Capital Grant \$	Purchase and replace the old bleachers in the gymnasium at the Ridgevalley School. The current bleachers have simply become unsafe with sharp metal edges and require repairs. Repairing these bleachers is not an option as they are beyond repair and parts would be outdated.	Yes	The purpose of this application is to purchase and install new bleachers in the gymnasium at the Ridgevalley School. We estimate that these bleachers will serve at least 1500 people annually. With sporting events, assembly, theatre performance, funerals and concerts. We feel the school and surrounding community as whole will benefit from this project. The community has shown great support for this initiative. We have had kids out selling apples, parents and students working the concession stand and brain storming on more fundraising opportunities. In 3 short months, we have managed to raise just under \$20,000. To continue towards our goal, we have planned a raffle, silent auction and to apply for roadside clean up. It is our hope to have these bleachers ready for use at the start of the next school year. If funding is	2009	\$ 20,000.00	Yes	We have reached out to Steel River and Pembina Pipelines but have had no response back at this time.	This past summer we started fundraising for this project. We had the opportunity to cater 2 - STEP Energy barbeques, operate the concession at the Heritage Day Festival & Fair in DeBolt and organize the Davidson Apple Fundraiser. These events raised a combined \$5942.00.	Administration recommends supporting this request in the amount of \$20,000 because it would benefit the area residents as the school gym is used for community events. Ridgevalley has no community hall. Note: If purchased this asset would belong to the Peace Wapiti School Division.
16	Valleyview Riverside Golf Club	Capital Grant \$	Priority Projects include; repairing and rebuilding tee off boxes, including replacing retaining walls that are rotten and rebuilding with materials that will withstand moisture. (est. cost \$6,000.00), Fairway grounds mower (\$40,000.00), replace all divot repair boxes.(\$4,000.00).	Yes	In 2019 was grounds work cart, dump trailer, mower repairs, replaced metal on club house, chemical and fertilizer. In 2021 was greens mower, two oven gas stove, griddle grill, char boiler, sandwich and snack display case and 3 golf carts.	2019 2021	\$25,000.00 2019, \$30,000.00 2021	No			Administration recommends providing a \$50,000 grant in 2022 to be utilized over the next 3 years. No additional funds before 2025. Greenview supports the Gunby Golf Course through the Ag Society but no other golf courses receive annual funding.
17	Alberta Society 568388 DBA. Community Outreach Program Enhancement (C.O.P.E.) (Grande Cache)	Operating Grant \$	Provide life skills and mental wellness programming for Youth in the Grande Cache area.	No				Yes	Alberta Blue Cross - \$5000 We are currently administering funds for the Grande Cache Healthier Together program as per our financial statement, listed as Community Health Initiative.		Administration recommends providing a \$5,000 grant to support the life skills and mental wellness programming for youth in the Grande Cache area.
18	Louis Delorme Memorial Committee (Grande Cache Area)	Operating Grant \$	Assist in hiring two people to help run the Youth Action Club and assist in funding a location to run the club. The club will aim to reach youth ages 7- 17. The Youth Action Club will be a youth-based group that will fundraise and organize community events and local youth field trips.	Yes	To help the organization continue operation through the Covid 19 Pandemic.	2020	\$ 25,000.00	No		The Louis Delorme Memorial Committee does yearly fundraising such as the Rocky Mountain Fall Classic Slo-Pitch Tournament, Death Race Tent City, and The Louis Delorme Memorial Golf Tournament all funds raised go directly back to our community and youth sports. You can see the dollar amounts acquired in the attached Financial Summery for year 2020.	Administration recommends Council defer making a decision on this request until the Association makes a presentation at a Committee of the Whole meeting.

19	New Fish Creek Community Cemetery	Capital Grant	\$ 1	15,000.00	<ol> <li>Double rod iron dual swing gate (7' each) and pilings for the south entrance, estimated \$6,000.00</li> <li>Single rod iron gate (7') and piling for the east entrance, estimated \$2,000.00</li> <li>Load of gravel to repair south driveway (main entrance), estimated \$500.00</li> <li>Cement cemetery runner to set risers and headstones on, 65' long x 2' wide, framing, rebar,, cement, estimated \$3,000.00</li> <li>Labour costs for all projects, \$3,500.00</li> </ol>	Yes	We receive an annual operating grant from the MD of \$1,500.00 each year, but have never applied for capital funding for the cemetery.		\$ 1,500.00	No			Administration recommends supporting the capital Grant request because it is a capital improvement to a Greenview owned cemetery. Greenview provides an annual operating grant of \$1,500.
20	DeBolt and District Pioneer Museum Society	Capital Grant	\$ 3	31,185.00	Preserving Heritage Buildings: 1. Yes	Repair, Maintenance, and Appliances	2021	\$ 70,459.94	No			Administration recommends supporting this grant request as it will provide a safe environment for seniors in Greenview.

SUBJECT:	Appointing Members-at-Large to Boards and Committees for Four Years								
SUBMISSION TO:	COMMITTEE OF THE WHOLE	REVIEWED AND APPR	OVED FOR SUBMISSION						
MEETING DATE:	December 21, 2021	CAO:	MANAGER:						
DEPARTMENT:	CORPORATE SERVICES	GM: EK	PRESENTER: SS						
STRATEGIC PLAN:	Level of Service	LEG: SS							

## RELEVANT LEGISLATION: **Provincial** (cite) – N/A

**Council Bylaw/Policy** (cite) – Bylaw 21-876 Procedural Bylaw, Bylaw 97-224 Agricultural Service Board, Bylaw 14-722, Bylaw 20-861, Bylaw 17-001, Bylaw 13-710, Bylaw 94-045

## RECOMMENDED ACTION: MOTION: That Council accept Appointing Members-at-Large to Boards and Committees for Four Years for information as presented.

### BACKGROUND/PROPOSAL:

It was brought up at the organizational meeting if members at large could be appointed to their respective board for a period of four years rather than the one or two years that they are currently appointed for.

In order to do so, bylaws that govern each Council Committee would need to be amended or repealed and replaced.

Bylaw 97-224 Agricultural Service Board currently appoints 5 members at large for a period of a term of one year. A new bylaw or an amendment bylaw would need to be created.

Bylaw 14-722 Green View Family and Community Support Services creates the FCSS board and the Joint Family and Community Support Services Agreement governs it. Under which one member-at-large is appointed by resolution of each respective Councils for a terms of one year, and may be re-appointed upon the expiry of the term at the pleasure of the Councils. To alter the length of time members-at-large are appointed the Town of Valleyview would need to agree and a new agreement drawn up and signed by both parities.

Bylaw 20-861 establishes the Greenview Regional Multiplex Advisory Board, which states that the board will consist of 5 members-at-large appointed by Greenview at annual organizational meetings. This bylaw would need to be amended or repealed and replaced to increase the length of time members-at-large are appointed.

Bylaw 17-001 Greenview Regional Waste Management Commission appoints members, Greenview has the ability to appoint one Director-at-Large for a term of one year under the bylaw. In order to change the appointment length of directors for this board, Greenview, the Town of Valleyview and the Town of Fox Creek would need to be in agreement and a new bylaw or an amendment to this bylaw would need to be passed and receive ministerial approval from the Minister of Municipal Affairs.

Bylaw 18-805 Municipal Library Board establishes the Municipal Library Board for the MD of Greenview. In which, 5 members-at-large are appointed for a term of one year. An amendment to this bylaw or a repeal and replace would need to be completed and any agreements with surrounding municipalities would also need to be amended.

Bylaw 13-710 Subdivision and Development Appeal Board appoints 5 members-at-large and two members from Council for an annual term. To change this, the bylaw would need to be repealed and replaced with a new one. However, SDAB training is required to be completed every three years, therefore an appointment for an entire Council term is not advised.

Bylaw 94-045 Valleyview and District Recreation Board is established by this bylaw. 3 members-at-large are appointed, the length of time in which they are appointed is not included in the bylaw. An agreement cannot be located in our records at this time, however once located it will need to be updated with the consent of Valleyview to accommodate for a longer appointment.

### BENEFITS OF THE RECOMMENDED ACTION:

1. Council will be able to make an informed decision regarding altering the length of time members-atlarge are appointed to Council Committees and Boards

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. All of the above-mentioned agreements and bylaws will need to be amended to accommodate a new length of appointment.

### ALTERNATIVES CONSIDERED:

Alternative #1: Council may make additional recommendations.

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

### STAFFING IMPLICATION:

Staff time will be needed to amend all of the above mentioned bylaws and agreements

#### PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

### **INCREASING LEVEL OF PUBLIC IMPACT**

# **REQUEST FOR DECISION**

SUBJECT:	<b>Rescinding a Defeated Motion</b>
SUBMISSION TO:	COMMITTEE OF THE WHOLE
MEETING DATE:	December 21, 2021
DEPARTMENT:	CORPORATE SERVICES
STRATEGIC PLAN:	Level of Service

REVIEWED AND APPROVED FOR SUBMISSION CAO: MANAGER: GM: EK PRESENTER: SS LEG: SS

## RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) – Bylaw 21-876 Procedural Bylaw

## **RECOMMENDED ACTION: MOTION: That Council receive rescinding a defeated motion for information as presented.**

## BACKGROUND/PROPOSAL:

I have been asked to provide insight on the process of rescinding a motion. If a motion is carried and no action has been taken regarding the motion, it may be rescinded. However, if a motion is defeated, there is nothing to rescind as the motion did not pass. A decision reached by due process must be recognized and observed as such by all concerned.

The inability to rescind a defeated motion is clear within Robert's Rules of Order, which is followed when a matter arises relating to proceedings not covered by a provision in the Procedural Bylaw or the MGA. However, Municipal Affairs also provided insight, sharing the same sentiment, that "if the motion was defeated, then there is nothing to rescind".

A motion can be brought back. In accordance with section 14.16B of Bylaw 21-876 Procedural Bylaw

A Councillor may only introduce a motion asking Council to reconsider a matter dealt with in a previous motion if: a Notice of Motion is submitted prior to the meeting at which it is to be considered, in which the Councillor sets out what special or exceptional circumstances warrant Council considering the matter again;

The motion for reintroduction will need to be voted on by Council and if carried the original motion will once again be on the floor.

Further, in accordance with section 4.2 of Bylaw 21-876

In the absence of any statutory obligation, any provision of this Bylaw may be temporarily waived, altered or suspended by Special Resolution (two-thirds majority vote)

There are no statutory obligations regarding the parliamentary procedure of reconsidering motions, therefore Council may make a resolution to temporarily suspend section 14.16.D that limits asking Council to reconsider a matter unless six (6) months have passed since the motion was last considered. The vote to do so would need to be passed by a two-thirds majority and if passed, the original motion is on the floor.

#### BENEFITS OF THE RECOMMENDED ACTION:

1. Council may have a better understanding of rescinding motions

#### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED: Alternative #1: N/A

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

#### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

#### PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

# **REQUEST FOR DECISION**

SUBJECT:	Caribou Habitat Recover Program			
SUBMISSION TO:	COMMITTEE OF THE WHOLE	REVIEV	VED AND	APPROVED FOR SUBMISSION
MEETING DATE:	December 21, 2021	CAO:	SW	MANAGER: JS
DEPARTMENT:	PLANNING & DEVELOPMENT	GM:	RA	PRESENTER: JS
STRATEGIC PLAN:	Development	LEG:		

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) – N/A

#### **RECOMMENDED ACTION:**

MOTION: That Committee of the Whole accept the letter and maps from Westcore Contracting Incorporated for the Caribou Habitat Recovery Program located in the Little Smoky Caribou Range for information, as presented.

#### BACKGROUND/PROPOSAL:

Administration received a letter and maps from Westcore Contracting Incorporated regarding the Caribou Habitat Recover Program that was approved from Alberta Environment and Parks in the Little Smoky area, Ward 2, please see Schedule 'A".

Westcore Contracting Incorporated and Woodlands North Incorporation will be implementing the restoration of over 383 kilometers of legacy seismic lines occurring in an area of roughly 15,364 hectares with the Little Smoky Caribou Range from December 1, 2021, to August 31, 2022, please see Schedule 'B' for the map.

As Greenview is a stakeholder within the map boundaries, Westcore Contracting Incorporated is notifying Greenview of the project and would like us to verify if we have any current or future planned operations in their project area, so that they can minimize or mitigate any potential disruption.

Administration has reviewed the map boundary areas and has noted that the Caribou Habitat Recovery Program is located within the green zone and does not impact any current or future plans for Greenview.

#### BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Council accepting the recommended motion is that councillors will be updated on the Caribou Habitat Recovery Program.

#### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

### ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to not accept the recommend motion for information

### FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

### FOLLOW UP ACTIONS:

There are no follow up actions to the recommended motion.

### ATTACHMENT(S):

- Schedule 'A' Letter and maps from Westcore Contracting Incorporated
- Schedule 'B' Caribou Range Map

Alberta Environment and Parks (AEP) has approved a habitat restoration project in the Little Smoky Caribou Range for the Forest Resource Improvement Association (FRIAA). Westcore Contracting Inc. (WCI) and Woodlands North Inc. (Woodlands) will implement the restoration of over 383km of legacy seismic lines occurring in an area of roughly 15,364 hectares (ha) within the Little Smoky Caribou Range (see enclosed map) from December 1, 2021-August 31, 2022.

We have identified the Municipal District of Greenview as a stakeholder with boundaries encompassing our project areas of LSM1 and LSM3. A critical success factor for the project is meaningful involvement of local stakeholders where the operational work will occur. WCI would like to notify you of the project and verify if you have any current or future planned operations in the project area so that we may minimize or mitigate any potential disruption.

Planned project treatment options along these seismic lines are detailed below:

- Mounding compacted wet soils in frozen conditions to prepare the ground for improved growing conditions
- Screefing in drier areas to remove competing grass species before tree planting conifer seedlings
- Planting all prepared soil on seismic lines during summer conditions
- Access management will occur to prevent humans from entering the treated lines. Intensified mounding, tree felling from adjacent forest stands, and project signage will be applied to the legacy seismic lines and at key OHV access points from roads

For questions or concerns about this AEP approved project or to verify that no site-specific concerns are identified that will impact your current or future operations, please contact Project Manager Dale Kramer at <u>dale.kramer@westcore.ca</u> or 780-788-6433 or Project Ecologist Bruce Nielsen at <u>bruce@woodlandsnorth.co</u> or 780-488-1945.We look forward to working together to protect and restore Woodland Caribou Ranges in Alberta.

Respectfully submitted,

SUBJECT:	Greenview Road Network System Within the Cooperatives and Enterprises								
SUBMISSION TO:	COMMITTEE OF THE WHOLE	REVIEW	ED AN	D APPROVED FOR SUBMISSION					
MEETING DATE:	December 21, 2021	CAO:	SW	MANAGER:					
DEPARTMENT:	INFRASTRUCTURE & PLANNING	GM:	RA	PRESENTER: RA					
STRATEGIC PLAN:	Infrastructure	LEG:							

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) – N/A

#### **RECOMMENDED ACTION:**

MOTION: That Committee of the Whole accept the information on the Road Network System within the Cooperatives and Enterprises, as presented.

#### BACKGROUND/PROPOSAL:

On April 13, 2021, Councillor Delorme made the following motion;

That Council direct Administration to engage in a feasibility study into acquiring the road systems in the Co-operatives and Enterprises to create a registered road right-of-way and registered road plans.

On July 19, 2021, Administration held the first of two open houses in Grande Cache to meet with the Coops and Enterprises on a Road Network System. Prior to the meeting a survey was delivered to each home, by a member of Victor Lake Cooperative. This member sat with each home and explained what Greenview was asking and aided in completing the survey.

The first open house was set up so that each member of the Cooperative/Enterprise could share their ideas and concerns for a Road Network System. Administration also engaged with those in attendance, providing information on the process of Greenview acquiring the right-of-way for each of these road networks systems and providing maps of suggested roadways.

Surveys received from the residents of the Coops/Enterprises indicated that the residents were resistant to Greenview acquiring right-of-way. Administration explained that Greenview would need to purchase a right-of-way of 15, 20 or 30 meters.

- 15-meter right-of-way Greenview will only maintain the roads, snowplow, dust control, the possibility of small culverts.
- 20-meter right-of-way Greenview will be limited, dependant on how much fall for the ditching. We have a standard that we follow
- 30-meter right-of-way will get you everything.

Administration also advised that any land purchased by Greenview would be considered public lands.

Overall, this open house was relatively well received, with 28 residents in attendance.

On September 20, 2021, Administration held a second meeting with members of the Coops and Enterprises. This meeting was with members of individual Coops/Enterprises, as to answer questions which pertained specifically to their community. Victor Lake, Muskeg Seepee, Grande Cache Lake and Susa Creek took advantage of the second meeting and received clarification on what Greenview would need to maintain roads within their Coops.

At this time none of the Cooperatives or Enterprises are interested in selling right-of-way for a road network system.

Administration will continue to plow the school bus route within the Cooperatives as per Greenview Policy 4020;

7. An exception is made to this policy for the Grande Cache Co-operatives as follows provided Permission to Enter agreements are signed by each Co-operative.

7.1 Residents of the Co-operatives may purchase, in advance, snowplow flags for residential driveways from the Grande Cache Public Services Building for snowplowing services. The fee is established by Council annually in accordance with the "Schedule of Fees" for Greenview. The fee for one flag shall be for each 400 meters, or portion thereof, of driveway to be cleared.

7.2 Snowplowing is to be provided at no charge by Greenview to the school bus routes located within the Grande Cache Co-operatives.

### BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Council receiving the above information, is that Council will be updated on the request to report on a Road Network System within the Coops and Enterprises.

### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

### ALTERNATIVES CONSIDERED:

**Alternative #1:** Council has the alternative to direct Administration to continue to reach out to the Coopertives/Enterprises.

#### FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

#### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

## PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

### **INCREASING LEVEL OF PUBLIC IMPACT**

Inform

## **PUBLIC PARTICIPATION GOAL**

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

## **PROMISE TO THE PUBLIC**

Inform - We will keep you informed.

### FOLLOW UP ACTIONS:

There are no follow up actions to the recommended motion.

Hello, sorry for the late response. The board of directors met and have decided not to give up the road way allowance but would like to have the water dispenser site on the co-op. I have marked the maps that were provided and have dropped them off at the MD office in town. Thank you for your patience, regards

On Fri, Nov 5, 2021 at 3:59 PM Lianne Kruger <<u>Lianne.Kruger@mdgreenview.ab.ca</u>> wrote:

Good afternoon Mr. Findlay,

Hope this email finds you well.

In September, Roger and I were in Grande Cache and spoke to you regarding a water well and the proposed road network in Muskeg Seepee. We also left some maps of your area for you to take to your Cooperative, to verify where you would like a water well to replace the one that was capped, and to discuss the possibility of a Greenview Road Network within your Cooperative.

I am wondering if you have had a chance to meet with your Cooperative to discuss the above-mentioned topics, and if you have what is the outcome of that meeting?

Please do not hesitate to contact me at 780.524.6113 or by return email.

Respectfully,

### Lianne Kruger

Attachments:	Draft Agreement.pdf

Good morning Alyssa,

Thank you for reaching out.

I have a attached a draft agreement for the Coop to review.

Specifically, Greenview is asking if Susa Creek is willing to sell Right-of-Way. Susa Creek has three options of 15, 20 or 30 meters.

15 meters – Greenview will only maintain the roads, snowplows, grading and general maintenance, and may also allow for the installation of small culverts,

20 meters – Greenview is limited on how much ditching and how many culverts as we have standards that we must follow. 20 meters would still allow for snowplows, grading and general maintenance.

30 meters – Along with installing the appropriate culverts, ditches and drainage, Greenview will be responsible for all road maintenance such as grading, and snowplows.

Dust control may be purchased by the Coop or individuals at a rate of \$150.00 per 200 meters.

**Development within Susa Creek will not change**, any development within the Coop is dependent the Coop and a Development Permit from Greenview's Planning and Development department. Any development outside the Coop is Green Zone (Provincially owned).

Please do not hesitate to contact me should you have any more questions or concerns.

Respectfully,

Lianne Kruger Executive Assistant for Infrastructure & Planning

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe. Hello Lianne,

This email is a follow up regarding the potential Right of Way agreement between Susa Creek and the M.D. of Greenview. I understand that the M.D. wanted an answer sooner than we were prepared to give it, and our community hasn't come to a decision yet. I've been asked to reach out and ask for a draft copy of a potential agreement. We want to see specifically what the M.D. is asking of us, and more so to discuss the impact of conversion of our private roads to public roads, and what that means for development around Susa Creek property.

Thank you,

Alyssa McDonald @gmail.com

Title: Snow Removal Rural Residential Driveways

Policy No: 4020

Effective Date: May 11, 2020

Motion Number: 20.05.280

Supersedes Policy No: OP 24

Review Date: May 11, 2023

MUNICIPAL DISTRICT OF GREENVIEW No. 16

**Purpose:** To establish guidelines under which driveway clearing services may be provided to rural residents of Greenview.

### DEFINITIONS

**Greenview** means the municipal corporation of the Municipal District of Greenview No. 16.

**Hamlet Residential Property** means residential property located within a hamlet within Greenview, including Little Smoky, Ridgevalley, DeBolt, Landry Heights, Grovedale and Grande Cache.

Non-resident means a commercial or institutional property.

Rural Resident means a resident residing outside the boundaries of a hamlet of Greenview.

#### POLICY

- 1. Driveway snow removal for rural residents of Greenview will be provided by Greenview on a low priority basis.
- 2. Rural Residents who wish to have their driveways cleared must first enter into a one-time "Snowplowing Private Driveways" Agreement on the necessary forms releasing Greenview, and Greenview employees and agents from any potential liability arising from snowplow operations on private property.
- 3. The snowplowing service fee will be established by Council in the "Schedule of Fees" for Greenview.
- 4. This policy does not apply to non-residential property and hamlet residential property.
- 5. Private parking areas, granary access, hay access, and other areas are not considered driveways, and will not be cleared.
- 6. The driveway will be cleared only when all other priorities have been completed.
- 7. An exception is made to this policy for the Grande Cache Co-operatives as follows provided Permission to Enter agreements are signed by each Co-operative.

7.1 Residents of the Co-operatives may purchase, in advance, snowplow flags for residential driveways from the Grande Cache Public Services Building for

snowplowing services. The fee is established by Council annually in accordance with the "Schedule of Fees" for Greenview. The fee for one flag shall be for each 400 meters, or portion thereof, of driveway to be cleared.

7.2 Snowplowing is to be provided at no charge by Greenview to the school bus routes located within the Grande Cache Co-operatives.

### PROCEDURE

- 8. The Resident will be issued a snowplow sign indicating the resident's Agreement number. The snowplow sign is to be placed at a location that is easily visible to the operator when the Resident is requesting the snowplow service. The operator will record the agreement number acknowledging that the driveway has been plowed.
- 9. Greenview will forward statements to the Resident showing all charges incurred by the Resident for snowplowing completed by Greenview and the Resident will be required to pay for all charges not later than thirty (30) days immediately following the date of the invoice. In the event that the Resident does not pay his/her account, Greenview will not perform further snowplowing until the account is paid and any account remaining outstanding will be a debt due to Greenview.
- 10. The operator will have the right to refuse to clear a driveway should they have any doubts about safety, equipment damage, or the ability to exit the site.
- 11. If a renter does not pay the required fee, it will be applied to the landowner as per the "Snowplowing Private Driveways" Agreement.

SUBJECT:	Water Points within the Cooperative	es and Enterprises	
SUBMISSION TO:	COMMITTEE OF THE WHOLE	REVIEWED AND AF	PROVED FOR SUBMISSION
MEETING DATE:	December 21, 2021	CAO: SW	MANAGER:
DEPARTMENT:	INFRASTRUCTURE & PLANNING	GM: RA	PRESENTER: RA
STRATEGIC PLAN:	Infrastructure	LEG:	

RELEVANT LEGISLATION: **Provincial** (cite) – N/A

Council Bylaw/Policy (cite) - N/A

### **RECOMMENDED ACTION:**

MOTION: That Council accept the information on the proposed water points within the Cooperatives and Enterprises, as presented.

### BACKGROUND/PROPOSAL:

On February 23, 2021 Council Delorme brought forward a Notice of Motion directing Administration to bring forward an RFD to conduct a feasibility study to provide rural water services to the Co-ops and Enterprises.

On March 23, 2021 Councillor Burton made the following motion;

That Council direct Administration to conduct a feasibility study to provide rural water services to the Co-operatives and Enterprises.

On July 19, 2021 Administration held an Open House in Grande Cache to meet with the Coops and Enterprises on a Water Point in their community. Prior to the meeting a survey was delivered to each home, by a member of Victor Lake Cooperative. This member sat with each home and explained what Greenview was asking and aided in completing the survey.

The open house was set up so that each member of the Cooperative/Enterprise could share their concerns and ideas for a water point. Administration also engaged with those in attendance providing information on the process of Greenview acquiring the right-of-way for the water point.

Surveys received from the residents of the Coops/Enterprise indicated that the residents were resistant to Greenview acquiring right-of-way. Administration explained that Greenview would need to purchase the right-of-way in order to erect a water point.

Greenview also advised that any land purchased by Greenview would be considered public lands.

Overall, this open house was relatively well received, with 28 residents in attendance.

On September 20, 2021, Administration held a second meeting with members of the Coops and Enterprises. This meeting was with individual Coops/Enterprises, as to answer questions which pertained specifically to the community. Victor Lake, Muskeg Seepee, Grande Cache Lake and Susa Creek took advantage of the second meeting and received clarification on what Greenview would need to do in order for each community to have a water point.

Muskeg Seepee and Susa Creek had initially showed interested in working with Greenview on a system in their respective communities. Administration has heard back form Muskeg Seepee stating they are not interested in a water point as it would have limited use. Administration has not heard back from Susa Creek.

### BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Council receiving the above information, is that Council will be updated on the request to report on a water point in the Coop/Enterprises.

### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

### ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to direct Administration to bring back a map strategically placing waterpoints around the Grande Cache area.

### FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

### PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

### **INCREASING LEVEL OF PUBLIC IMPACT**

Inform

### PUBLIC PARTICIPATION GOAL

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

### **PROMISE TO THE PUBLIC**

Inform - We will keep you informed.

### FOLLOW UP ACTIONS:

There are no follow up actions to the recommended motion.

### ATTACHMENT(S):

- Copy of survey's received from the Coops and Enterprises (redacted)
- Map from Muskeg Seepee Representative
- Email form Muskeg Seepee Representative
- Email to Susa Creek Representative

Hello, sorry for the late response as I was away for the past two weeks. The Muskeg See-pee board has decided not to proceed with the water disposal site as there would be limited use and the board felt it would be a waste of taxpayer dollars to put up this building. Thank you

On Thu, Nov 18, 2021 at 8:57 AM Lianne Kruger <<u>Lianne.Kruger@mdgreenview.ab.ca</u>> wrote:

Good morning,

Thank you for your email. I did receive the maps from the Grande Cache office.

In order for Greenview to place the Waterpoint at your suggested site, Greenview will still need to purchase 30 meters of road right-of-way from the highway to the building site as well as 15 meters around the building.

Please speak with your board of directors for approval on selling the road right-of-way and land for the building, and let me know what they decide as soon as possible, so that it can go to Council for decision.

Thank you,

Respectfully,

Lianne Kruger

Executive Assistant for Infrastructure & Planning

Hello, sorry for the late response. The board of directors met and have decided not to give up the road way allowance but would like to have the water dispenser site on the co-op. I have marked the maps that were provided and have dropped them off at the MD office in town. Thank you for your patience, regards

Good afternoon Mr. Findlay,

Hope this email finds you well.

In September, Roger and I were in Grande Cache and spoke to you regarding a water well and the proposed road network in Muskeg Seepee. We also left some maps of your area for you to take to your Cooperative, to verify where you would like a water well to replace the one that was capped, and to discuss the possibility of a Greenview Road Network within your Cooperative.

I am wondering if you have had a chance to meet with your Cooperative to discuss the above-mentioned topics, and if you have what is the outcome of that meeting?

Please do not hesitate to contact me at 780.524.6113 or by return email.

Respectfully,

# Lianne Kruger

Date:	October 13, 2021 11:15:00 AM	
Attachments:	Draft Agreement.pdf	

Good morning Alyssa,

Thank you for reaching out.

I have a attached a draft agreement for the Coop to review.

Specifically, Greenview is asking if Susa Creek is willing to sell Right-of-Way. Susa Creek has three options of 15, 20 or 30 meters.

15 meters – Greenview will only maintain the roads, snowplows, grading and general maintenance, and may also allow for the installation of small culverts,

20 meters – Greenview is limited on how much ditching and how many culverts as we have standards that we must follow. 20 meters would still allow for snowplows, grading and general maintenance.

30 meters – Along with installing the appropriate culverts, ditches and drainage, Greenview will be responsible for all road maintenance such as grading, and snowplows.

Dust control may be purchased by the Coop or individuals at a rate of \$150.00 per 200 meters.

**Development within Susa Creek will not change**, any development within the Coop is dependent the Coop and a Development Permit from Greenview's Planning and Development department. Any development outside the Coop is Green Zone (Provincially owned).

Please do not hesitate to contact me should you have any more questions or concerns.

Respectfully,

Lianne Kruger Executive Assistant for Infrastructure & Planning

Subject: Road Access, Susa Creek

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe. Hello Lianne,

This email is a follow up regarding the potential Right of Way agreement between Susa Creek and the M.D. of Greenview. I understand that the M.D. wanted an answer sooner than we were prepared to give it, and our community hasn't come to a decision yet. I've been asked to reach out and ask for a draft copy of a potential agreement. We want to see specifically what the M.D. is asking of us, and more so to discuss the impact of conversion of our private roads to public roads, and what that means for development around Susa Creek property.

Thank you,

Alyssa McDonald @gmail.com

SUBJECT:	Avetta Contractor Management Software			
SUBMISSION TO:	COMMITTEE OF THE WHOLE	REVIEV	VED AN	D APPROVED FOR SUBMISSION
MEETING DATE:	December 21, 2021	CAO:	SW	MANAGER: LM
DEPARTMENT:	HUMAN RESOURCES	GM:	ΕK	PRESENTER: MM
STRATEGIC PLAN:	Level of Service			

#### RELEVANT LEGISLATION:

**Provincial** (cite) – Occupational Health and Safety Act Part 1 – Obligations of Employers 3(1) Occupational Health and Safety Act Part 1 - Obligations of prime contractors 10(2) Occupational Health and Safety Act Part 2 Purposes of this Act

Council Bylaw/Policy (cite) – EOIP, Equipment Contractors Registry Policy

#### **RECOMMENDED ACTION:**

MOTION: That Committee of the Whole accept the report regarding the recommended contractor management software, Avetta, for information, as presented.

#### BACKGROUND/PROPOSAL:

Currently there is a Contractor Policy and EOIP package for Contractors to send in yearly which includes safety documentation and outlines responsibility. The EOIP package is typically filled out by the owner but the workers who are sent by the contractor to site are not given orientation or providing Greenview with their current certifications and licenses required. There is a large gap in the current process of ensuring contractors are in compliance with provincial laws putting Greenview and Greenview workers in a potential liability situation. This software will ensure we are fulfilling our legislated and legal responsibility and due diligence while also providing our contractors with resources to help educate, protect, and support them and their businesses.

Presentation of software being presented.

#### BENEFITS OF THE RECOMMENDED ACTION:

- 1. The benefit of Council accepting the recommended motion is this software will be supporting Greenview and its contractors to ensure compliance with provincial and federal regulations.
- 2. The benefit to our contractors will be support available to them to build and maintain their safety program requirements and connecting them to a network of other organizations that require this software as well. The benefit to Greenview will be to allow us to monitor our contractors required documentations to ensure they are competent to safely complete work on all Greenview sites. 30% of our current EOI contractors currently are already connected with this software.

# DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

# ALTERNATIVES CONSIDERED:

Alternative #1: Council has the alternative to look at another software program however Administration has done extensive research and received demo's of three other programs and feel that Avetta is best suited for Greenview and its Contractors.

**Alternative #2:** Council has the alternative to look at an internal position that would entail continually reviewing and monitoring our Contractors required documentation however taking this task on internally has the potential to put us in a liability position and an internal software would most likely have to be considered to manage this task.

FINANCIAL IMPLICATION:

# Direct Costs: \$15,000 a year for Greenview. (\$200-\$300 a year to the Contractor) Ongoing / Future Costs: see above

STAFFING IMPLICATION:

The health and safety team will work with departments to set up our health and safety requirements within the program. Avetta monitors for us.

#### PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

# **INCREASING LEVEL OF PUBLIC IMPACT**

Inform

#### PUBLIC PARTICIPATION GOAL

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

#### PROMISE TO THE PUBLIC

Inform - We will keep you informed.

FOLLOW UP ACTIONS: Once Council decides:

• the Contractor Safety Policy 3014 will need to be updated

- the Contractor handbook will be replaced
- the software will be purchased
- Contractors will be notified
- information and support will be provided to Contractors in relation to Avetta sign up

# ATTACHMENT(S):

- Power point
- Relevant Legislation
- List of our Contractors already set up with Avetta

# **MUNICIPAL DISTRICT OF GREENVIEW**

## **Avetta Presentation Relevant Legislation**

- Occupational Health and Safety Act Part 1 Obligations of Employers 3(1) Every employer shall ensure, as far as it is reasonably practicable for the employer to do so, (a) the health and safety and welfare of (ii) those workers not engaged in the work of that employer but present at the work site at which that work is being carried out, and (iii) other persons at or in the vicinity of the work site who may be affected by hazards originating for the work site.
- 2) Occupational Health and Safety Act Part 1 Obligations of prime contractors 10(2) The person in control of the work site shall designate in writing a person as the prime contractor of the work site. (5) The prime contractor shall (a) establish, as far as it is reasonably practicable to do so, a system or process that will ensure compliance with this Act, the regulations and the OHS code in respect of the worksite.
- 3) Occupational Health and Safety Act Part 2 Purposes of this Act 2 The purposes of this Act are (a) the promotion and maintenance of the highest degree of physical, psychological and social well-being of workers, (b) to prevent work site incidents, injuries, illnesses and diseases, (c) the protection of workers from factors and conditions adverse to their health and safety, (d) to ensure that all workers have (i) the right to be informed of work site hazards and the means to eliminate or control those hazards, (ii) the right to meaningful participation in health and safety activities pertaining to their work and work site, including the ability to express health and safety concerns, (iii) the right to refuse dangerous work, and (iv) the ability to work without being subject to discriminatory action for exercising a right or fulfilling a duty imposed by this Act, the regulations or the OHS code.

# **REQUEST FOR DECISION**

SUBJECT:	Health and Safety Orientation
SUBMISSION TO:	COMMITTEE OF THE WHOLE
MEETING DATE:	December 21, 2021
DEPARTMENT:	HUMAN RESOURCES
STRATEGIC PLAN:	Level of Service

REVIEWED AND APPROVED FOR SUBMISSION			
CAO:	SW	MANAGER:	LM
GM:	ΕK	PRESENTER:	MM

#### RELEVANT LEGISLATION:

**Provincial** (cite) – Occupational Health and Safety Act, Regulation and Code. Requirements of COR audit

**RECOMMENDED ACTION:** 

MOTION: That Committee of the Whole accept the Health and Safety Orientation for information as presented.

#### BACKGROUND/PROPOSAL:

Under current legislation, it is stated that a Certificate of Recognition (COR) requirement of which Greenview follows, is that all volunteers, workers, and contractors of Greenview receive a health and safety orientation. As such representatives from the Health and Safety Department will fulfill this requirement as it related to Council members during the December 21, 2021, Committee of the Whole meeting.

#### BENEFITS OF THE RECOMMENDED ACTION:

The benefit of Council accepting the recommended motion is knowledge of Safety responsibilities within Greenview.

DISADVANTAGES OF THE RECOMMENDED ACTION: There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED: There are no alternatives.

#### FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

#### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL: None

# **INCREASING LEVEL OF PUBLIC IMPACT**

Inform

## **PUBLIC PARTICIPATION GOAL**

Inform - To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.

## PROMISE TO THE PUBLIC

Inform - We will keep you informed.

### FOLLOW UP ACTIONS:

The orientation checklist will require signature from each member of Council.

# ATTACHMENT(S):

Council Bylaw/Policy (cite) – N/A

### RECOMMENDED ACTION: MOTION: That Committee of the Whole accept the Action List for information, as presented.

## BACKGROUND/PROPOSAL:

Administration tracks all Council motions with actions on the Action List and assigns them to the relevant departments. A copy of the Action List is provided at each Committee of the Whole with updates on completed, and in progress tasks.

#### BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of accepting the Action List is Committee of the Whole will be up to date on the current status of the Motions they have made, and where Administration is at in completing them.

#### DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED: Alternative #1: N/A

#### FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

#### STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.
