

# FROM MOUNTAINS TO MEADOWS

New Greenview entrance signs

## Welcome from Reeve Tyler Olsen

Welcome to Mountains to Meadows, a bi-monthly community newsletter for MD of Greenview residents. The goal of this newsletter is to share relevant and valuable information with our residents to keep everyone informed. Newsletters will also be available on our website at [www.mdgreenview.ab.ca](http://www.mdgreenview.ab.ca) and shared on our Municipal District of Greenview & Grande Cache, MD of Greenview Facebook pages.

Greenview encompasses the rural communities of Grande Cache, Grovedale, DeBolt, Ridgevalley, Crooked Creek, Valleyview, New Fish Creek, Sunset House, Little Smoky and Fox Creek. Our municipality is vast and diverse, and our Council members want to ensure our messages reach as many residents as possible to ensure effective community communications. People have different preferences in how they receive communication, so we want to provide all available methods. News, notices, meeting dates, statutory holiday hours, facility updates and schedules can be found on our website at [www.mdgreenview.ab.ca](http://www.mdgreenview.ab.ca) on the home page and under notices or on our social media pages. You can also download our Greenview App to help keep you informed. We hope you enjoy this first edition and invite you to subscribe in order to receive further mailings.

## Council Highlights Summary - First Quarter 2022

### Valleyview, Alberta

#### **January 11, 2022:** **Wastewater Screening Equipment Contract for Grande Cache Awarded**

As part of the larger project to upgrade the Grande Cache Wastewater Treatment Facility in 2022, Council has granted Zima Corporation the equipment supply contract for wastewater screening equipment in the amount of \$404 622.00 excluding GST with funds to come from the approved Capital budget.

#### **February 8, 2022:** **Greenview Looking at a Staged Approach to Address Creek Stabilization in DeBolt**

In 2021 Administration was looking to obtain a detailed study on creek bank stabilization in the Hamlet of DeBolt and engaged MPE Engineering Ltd to prepare a slope stability/stabilization study and completed report. The report noted that the creek sloughing within the Hamlet of DeBolt is

directly affecting approximately 22 properties comprised of residential, a community centre, water treatment plant, hotel, and a municipal pumping station. Council received the report for information and moved to direct Administration to bring back costs for a staged approach to stabilize the bank for DeBolt Creeks within the Hamlet of DeBolt.

#### **March 22, 2022:** **Greenview Announces Fundraiser Recipients for 2022 Annual Sporting Clay Shoot**

Greenview Council will once again host the popular 2022 Annual Sporting Clay Shoot on Thursday, September 8, 2022. Last year's event raised \$50,000, split into five equal donations and distributed to the five food banks that service Greenview residents. Council voted unanimously to select the Fox Creek, Valleyview, DeBolt, Grande Prairie (Grovedale), and Grande Cache food banks as the donation recipients for this year's fundraising stakeholder event.

#### **April 12, 2022:** **2022 Operating and Capital Budgets Approved by Council**

Greenview Council is focusing on the continued development of critical infrastructure, maintaining and enhancing essential community programs and services, with the continued support of regional partnerships and collaborations. Following deliberations, Council approved the 2022 operating and capital budgets with no projected increase to the municipal tax rates. Residential and non-residential tax assessments will see an incremental increase in the provincial government education requisition and increased funding for senior housing requisitions, which are not governed by the MD of Greenview. The overall \$224.5 million budget includes \$136.6 million for general operations, \$26.6 million for amortization, and \$61.9 million for capital projects, including \$14.1 million in projects carried over from the previous year.

The operating budget saw a slight percentage increase along with

a slight increase in revenue. The capital budget was approached with careful deliberation, without sacrificing any planned infrastructure projects and remains fully funded from restricted reserves.

# DOWNLOAD the MD of GREENVIEW MOBILE APP

- ✓ Get instant updates & alerts to your phone
- ✓ Report concerns or issues through the app

## Greenview Mobile App

The MD of Greenview Mobile App enables users to receive important push notifications, access information at their fingertips, call departments directly, report concerns and access MD of Greenview services and resources (Greenview Regional Multiplex & Grande Cache Recreation Centre programs and schedules) from one easy to use mobile app.

Users can also stay up-to-date with announcements and events, as well as view Public Notices,

share on Social Media and more. The push notification system enables users to receive real-time updates from Greenview regarding emergencies and essential updates. Users will also be able to report a problem or concern to Greenview Administration through an innovative feature built into the application, which will deliver the report directly to the department staff who need to be notified.

The purpose of the App is to simplify and increase the efficiency of communications between the MD of Greenview and the people who live or work within its jurisdiction, increasing time savings for both

administration and residents alike. Continued improvements to vital communications for residents and stakeholders in our municipality is important to Greenview Council. Greenview is pleased to provide this free custom mobile application and hope that this additional method of communication will assist residents and stakeholders to report concerns and issues easily as well as stay up to date with Greenview news and alerts.

The MD of Greenview Mobile App is free to download on both Apple and Android devices and is available for direct download in the iTunes App Store and the Google Play Store.

## Greenview Strategic Plan 2022-2025

MD of Greenview Council worked with Administration to develop and approve a four-year strategic plan in early 2022. This high-level plan provides a long-term vision for the municipality, establishing clear priorities, and strategies that will guide Council and Administration's activities over the next four years.

Reeve Tyler Olsen spoke on behalf of Council in acknowledging the importance of this document in guiding Council decisions.

"This plan will help us be accountable to our community, ensuring that the decisions Council makes and the actions that administration take, are achieving our long-term goals. It sets a vision for where we want Greenview to be in four years and will help future Councils continue that vision for our municipality."

The strategies and goals identified in the plan will help to coordinate the work Administration undertakes over the next four years and be integrated into the annual budgeting process to ensure that approved initiatives and projects will help to achieve the vision for Greenview's future.

## Does your Rural Address Sign need to be replaced?

Did you know that it is mandatory to have a Rural Address Sign?

These signs can be damaged throughout the year due to weather and a variety of other reasons. If your rural address sign has been damaged this past winter, please contact us today at 780-524-7600 and ask to speak with Arron Clark, who will arrange for its replacement for you!

You can also request a rural address sign replacement via email to [info@mdgreenview.ab.ca](mailto:info@mdgreenview.ab.ca) and we will be happy to forward your request.

## Operations update

- Road maintenance work is ongoing in all areas of Greenview throughout the summer. Please watch for crews repairing and installing culverts, line painting, pothole patching, mowing, and grading.
- Rural road re-gravelling is scheduled to start in early July.
- Residential Dust Control is scheduled to start early in June.

## FCSS - New Program

Green View Family and Community Support Services will be offering a new program this fall, **Wise Guyz**.

Created by the Centre for Sexuality the program, for male identified youth 14+ years old, is designed to reduce adolescent dating violence. Over the course of 22 weeks youth will experience interactive sessions that cover sexual health, gender and sexual diversity, and masculinity. Outcomes of the program include improved communication and conflict resolution skills, improved mental health, improved ability to engage in healthier relationships, decrease homophobic attitudes and increased active and positive bystander intervention in response to peer violence. This comprehensive program beautifully compliments the FCSS youth program lineup fostering positive youth development and healthy relationships.

Surrounded by magnificent panoramic views of the Canadian Rockies and located on Hwy 40, the Grande Cache Tourism & Interpretive Centre has plenty to offer travellers, newcomers, and residents alike.

In addition to tourism information, you will find exhibits showcasing local history, including ice-age artifacts, dinosaur tracks, Indigenous heritage, fur trading, local wildlife mounts, and geological and industry information. Inside, you will also find the Bighorn Gallery Gift Shop, Esson Gale Art Gallery, a fully functioning Art Studio, and space available for meetings, events, and conferences. Outside you will discover the Birds' Eye View Interpretive Park featuring walking trails, picnic areas, gazebos, historical buildings, locally painted art murals and a large replica of a 'Cache.' Explore the local history and culture.

The Greenview Industrial Gateway (GIG) was established in Northwestern Alberta, by the MD of Greenview in conjunction and with the support of the Alberta Government through extensive consultation and collaboration to develop a world-class heavy eco-industrial development focused on value-added petrochemical development linked to the Montney's abundant natural gas deposit.

### Location and Natural Gas Feedstock

Located directly on the Montney Natural Gas deposit, in the MD of Greenview, this industrial area offers low cost feedstock for the processing and development of petrochemicals.

### Gateway to the Northwest

With full capacity rail provided by CN, and pipeline and utility infrastructure, the Greenview Industrial Gateway provides efficient access to the Ports of Kitimat, Prince Rupert and Asian market.

For more information and maps, visit <https://www.greenviewindustrial.ca/>

GIG Open Houses were held in Grovedale (March 21, 2022) & Grande Cache (April 19, 2022) to introduce the Greenview Industrial Gateway project. Greenview Councillors and Greenview Industrial Gateway Executive Director Kyle Reiling welcomed Geoff Bury, President & CEO of Northern Petrochemical, who introduced the Northern Petrochemical Corporation Project.

## SIGN OUT AN EXPERIENCE:

### A DAY AT THE PHILIP J. CURRIE DINOSAUR MUSEUM

## Sign Out an Experience!

Families located within the MD of Greenview are invited to explore local experiences!

Most people are familiar with public library services - sign out a book, access computers and online resources. Wouldn't it be great if you and your family could sign out an experience? More than read about it – experience it! For Greenview residents in the hamlets of Grande Cache, and DeBolt, AB – it is that easy.

The Philip J. Currie Dinosaur Museum partnered in 2020 with Grande Cache Municipal and DeBolt Public Libraries to bring the experience of “A Day at the Museum” to families in these Greenview communities.

Each library was gifted and will host two Family Membership cards (\$90 value each) that library patrons can sign out like they would a book or other library resource. The Family Membership card provides one day,

unlimited entry for one family of two adults and up to four children. It also grants 10% off dining at the Café on 43 Restaurant, 10% off gift shop purchases, and discounts on theatre bookings.

Museum representatives recommend checking their website or calling the museum for current information before visiting. During the visit, families can say hello to Peanut, the museum's corn snake, visit the Nature Room and participate in self-guided activities. If visiting during the winter, bring your skates! Remember to schedule family time on the Ice Age Rink with a family fire to warm up. It is the perfect end to “A Day at the Museum.”

The Phillip J. Currie Dinosaur Museum is located in Wembley, County of Grande Prairie, and is approximately 81 km from DeBolt and 206 km from Grande Cache. Just 20 minutes away from Grande Prairie.

## Greenview Positive Ticket Program

Greenview's Enforcement Services Department has launched a Positive Ticket Program to recognize youth who are positive influences in our communities. Tickets can be issued for many positive "infractions" from young people caught doing great things, such as wearing a helmet while riding, properly putting away garbage, helping a community member, lending a hand to those in need, or other actions which bring positive changes to our communities.

Reeve Tyler Olsen believes in this feel-good program and stated,

"Greenview's Positive Ticket Program is a win-win scenario because it allows Enforcement Services Officers to recognize good behaviour and create positive interactions with our youth."

Youth receiving a Positive Ticket will also be rewarded with coupons donated by local businesses, including Crooked Creek Store, The DeBolt General Store & Feedlot Cafe, Chalet Foods (Grande Cache), and Tim Hortons Valleyview, who also believe this program will have a positive impact on youth in our area.
