Firefighters to be Honoured with Recognition

The recent wildfires in Greenview have been devastating, causing extensive damage and stressful times for our communities. In this time of crisis, we were fortunate to witness the incredible bravery, dedication, and selflessness displayed by our own fire crews of GFRS Station 31, 32 and 33, our regional crews of Sturgeon Lake Cree Nation, Town of Valleyview, Town of Fox Creek and firefighters from across the globe who stepped in to assist us. Their unwavering commitment and tireless efforts deserve to be acknowledged and celebrated. Council directed Administration to proceed with the development and implementation of a digital recognition campaign and season-ending appreciation BBQ to acknowledge and honour the exceptional service of firefighters during the 2023 Greenview Wildfires with a budget of \$5,000.00, with funds to come from Council's Hospitality Budget.

DeBolt Senior Housing Project Update

The objective of the DeBolt Seniors Housing Project was to replace the two four plexes located in the Hamlet of DeBolt that were closed due to slope stability issues. The project is to construct up to (8) apartments to operate under the Province of Alberta Senior Self-Contained Apartment Program. This program offers subsidized apartment-style housing designed for seniors who can remain in their homes and do not require day-to-day care. Council accepted the report for information and approved additional funding to a maximum of \$179,580 to Grande Spirt Foundation to complete the DeBolt Senior Housing project in 2024 with funds to come from the Unrestricted Reserve.
