REQUEST FOR DECISION

SUBJECT: Business Licensing Bylaw Options
SUBMISSION TO: COMMITTEE OF THE WHOLE
MEETING DATE: July 18, 2023
DEPARTMENT: PLANNING & EC. DEVELOPMENT
STRATEGIC PLAN: Governance

REVIEWED AND APPROVED FOR SUBMISSION
CAO: **MANAGER:** LG
DIR: MAV **PRESENTER:** KT
LEG: SS

RELEVANT LEGISLATION:

Provincial - Municipal Government Act (MGA), RSA 2000

Council Bylaw/Policy - Bylaw 00-324

RECOMMENDED ACTION:

MOTION: That Committee of the Whole accepts the Business License options for information, as presented.

MOTION: That Committee of the Whole recommend to Council that they deliberate Option two (2), a Business License Bylaw addressing Hawkers, Peddlers and Mobile Vendors with mandatory licensing within the Hamlet's of Greenview, at a Regular Council Meeting.

BACKGROUND/PROPOSAL:

Business licensing is a prevalent and advantageous practice in most municipalities in Alberta. However, the Municipal District of Greenview No. 16 (Greenview) does not require business licenses to operate within its jurisdiction. The Town of Grande Cache had a mandatory Business Licensing program in the past that facilitated tracking, advertising, and support for local businesses by providing a platform for disseminating information to them. When the Hamlet of Grande Cache joined Greenview, Business Licensing became completely voluntary. After several years, this has led to a need for more knowledge at the administrative level regarding the businesses operating or requiring support from the Economic Development department.

During a repealing bylaw for an out-of-date Hawkers and Peddlers Bylaw, the following motion was moved:

MOTION: 22.09.578 Moved by: COUNCILLOR SALLY ROSSON

That Council direct Administration to review licensing Bylaw 00-324 and include a provision for hawkers and peddlers for the purpose of Council discussion and further direction.

For: Reeve Olsen, Deputy Reeve Bill Smith, Councillor Delorme, Councillor Ratzlaff, Councillor Rosson, Councillor Berry, Councillor Dale Smith, Councillor Burton, Councillor Scott, Councillor Schlieff, Councillor Didow

CARRIED

As Hawkers and Peddlers regulation can only effectively function with being mandatory, a complete review of the Business Licensing Bylaw options available to Greenview has been undertaken, and several options exist for consideration.

A business license has numerous and varied advantages, allowing Greenview to support its business sector by:

1. Collecting information to determine the most appropriate standards that would qualify businesses for small business tax incentives, should they be created;
2. Maintaining a comprehensive Business Directory for Greenview businesses that can be used by ratepayers, tourists, and regional customers and promoted on our website and other media;
3. Updating local businesses directly on bid opportunities for municipal work, up-to-date information from provincial and federal governments, as well as grant opportunities, contract opportunities, bidding opportunities or incentive programs; and
4. Promoting opportunities on various platforms, including the Canadian International Trade Commissioner List, the GIG Business Vendor Directory, and regional business mapping.

Administration is providing three (3) bylaw options to the Committee of the Whole to address the licensing of businesses:

Option 1 requires a Business License within all of Greenview;

Option 2 requires a Business License within all of Greenview's Hamlets, where it is believed the majority of small businesses are located; or

Option 3 where there are no changes to the Business Licensing requirements except for Mobile Vendors, Hawkers and Peddlers

A detailed explanation of each of these options and draft bylaws were provided at the April 18th, 2023, Committee of the Whole in Grande Cache.

At April 25, 2023, Regular Council meeting, it was confirmed that a Business License does not increase taxes, as assessments are based on the activities undertaken on a property and the value of that property, not the licensing of the business. Development Permits are a separate process and are regulated under a different bylaw unrelated to Business Licensing.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Committee of the Whole accepting the recommended action is Administration will have a direction that aligns with Council's expectations for business licensing when presenting the new Business Licence, Hawkers, Peddlers and Mobile Vendors bylaw at an upcoming regular council meeting. This will allow a more focused discussion by Council.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages of the recommended action.

ALTERNATIVES CONSIDERED:

Alternative #1: Committee of the Whole has the alternative to recommend Council deliberate option one (1) to allow for the regulation of Business Licenses in Greenvew. However, this is not recommended as this may be perceived as a barrier to home-based and agricultural businesses, which historically have never required a permit within Greenvew.

Alternative #2: Committee of the Whole has the alternative to recommend Council deliberate option three (3) to allow for the regulation of Hawkers, Peddlers and Mobile Vendors. This is not recommended as the Hawker, Peddler, Mobile Vendor Licensing Bylaw only regulates these uses and needs to address the needed current Business License Bylaw updates. The current business license bylaw is 23 years old.

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

STRATEGIC PLAN: Governance

REVIEWED AND APPROVED FOR SUBMISSION
CAO: MANAGER:
DIR: EK PRESENTER: SS
LEG: SS

RELEVANT LEGISLATION:

Provincial (cite) – N/A

Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION:

MOTION: That Committee of the Whole accept the presentation on policies for information, as presented.

BACKGROUND/PROPOSAL:

Presently, Greenview divides its policies into two groups, Council and Administrative.

What is a Council policy?

A Council policy at Greenview is defined as “a policy that focuses on Greenview residents, business or the public and their relation to Greenview facilities or the standards Council sets for themselves. These policies:

- Outline services and/or programs performed by Greenview;
- Relate to areas of governance;
- Provide strategic direction; and
- Generally, impact Greenview as a whole.”

Council approves these policies. Through these policies, Council exercises their governance powers to set discretionary duties or standards of performance for Greenview or for yourselves.

The characteristics of a Council policy include the following:

- Externally facing but may have applicability either externally or internally.
- Approved by Council via a single motion or resolution made during a Council meeting.
- Advises Administration on what Council expects for the strategic direction.
- Advises the public on the service that residents can expect from Greenview
- Debated in an open Policy Review Committee and Council meeting where amendments may be directed
- Requires Administration to present to Council via a Request for Decision for the creation of any recommended amendments or repeal.

- Broadly impacts a large portion of residents or businesses or has more wide-reaching ramifications.
- May direct or commit Greenview resources to accomplish the Council Policy's purpose or intent.
- Available on Greenview's public website.
- Maintained by Legislative Services; a master index is maintained.
- Master record is the original copy with the Council resolution number of the resolution that approved the policy.

What is an Administrative Policy?

An Administrative policy at Greenview is defined as "a policy that focuses on Greenview's internal operations. These policies:

- Are internal in nature;
- Deal strictly with administrative matters;
- Relate directly to the operations of Greenview; and
- Generally only impact Greenview employees

These policies are approved by the Chief Administrative Officer (CAO). Administrative policies are more specific than Council policies and generally focus on the internal workings of Greenview as a corporation, addressing and noting the impacts on Greenview employees. Administrative policies are action-oriented documents that specify the process and related high-level procedures for the delivery of administrative programs and activities. They provide a framework for carrying out organizational decisions. They must work within the resources allocated.

The characteristics of Administrative policies are:

- Internally applicable and internally facing.
- Approved and signed by the CAO.
- Not to be used for external users or communicated externally.
- Have no public component.
- Must work within the framework of Bylaws and Council policies.
- Available to staff on the internal SharePoint site.
- Maintained by Legislative Services; a master index is maintained.
- Master record is the original signed copy.

These policies can be accessed upon request by anyone.

Although the term Administrative Policy is newer for Greenview, internal policies have existed previously under the title of Internal Directive. The direction that Administration is striving to take with Administrative policies is to have a Council policy establish the level of service and governance and a complimentary Administrative policy directing staff on how to carry out the expectations set by Council.

BENEFITS OF THE RECOMMENDED ACTION:

REQUEST FOR DECISION

SUBJECT: **Schedule of Fees Discussion**
SUBMISSION TO: COMMITTEE OF THE WHOLE
MEETING DATE: July 18, 2023
DEPARTMENT: CORPORATE SERVICES
STRATEGIC PLAN: Governance

REVIEWED AND APPROVED FOR SUBMISSION
CAO: MANAGER:
DIR: EK PRESENTER: SS
LEG: SS

RELEVANT LEGISLATION:

Provincial (cite) – *Municipal Government Act*, R.S.A 2000, c.M-26, s.8.

Council Bylaw/Policy (cite) – Bylaw 22-930 “Schedule of Fees.”

RECOMMENDED ACTION:

MOTION: That Committee of the Whole accepts the presentation on the Schedule of Fees bylaw for information, as presented.

BACKGROUND/PROPOSAL:

At a previous Council meeting, Councillor Dale Smith expressed concerns regarding the complexity, process, and size of the *Schedule of Fees Bylaw*. Administration is bringing a presentation and conversation forward to receive direction on how best to move forward with the annual process of Greenview setting the rates and fees for the municipality.

After conducting thorough research and consulting with numerous municipalities, Administration recommends continuing with the established process.

Firstly, it is worth noting that out of the 20 municipalities we surveyed, a significant majority of 18 had adopted all-encompassing bylaws similar to ours. This demonstrates that our approach is aligned with the industry standard and is widely recognized as an effective method for managing fees for services and licenses. By following the practices of other successful municipalities, we can leverage their experiences and best practices to streamline our own processes.

One of the key advantages of having all the rates outlined within the bylaw is the increased ease and efficiency it brings to the Finance Department’s ability to prepare the annual budget. With the revenue pre-established, both finance and Council can plan and allocate resources effectively. This stability allows for better long-term financial planning, making prioritizing projects and investments that benefit our community easier. On the other hand, if individual managers are free to set their own rates, the revenue is subject to frequent changes, causing uncertainty and hindering the budgeting process.

Moreover, retaining all fees within the bylaw ensures that council members have a direct say in setting the rates. This level of oversight and involvement is necessary as it allows Council to accurately reflect our constituents' needs and aspirations. By maintaining control over the fees, Council can actively shape the financial policies of our municipality and ensure that they align with the community's goals and values.

While it is true that our bylaw may be extensive in terms of its length, it is important to consider that many other municipalities that own and operate recreation facilities face similar challenges. Their bylaws range in length from 37 to 47 pages. Those without recreation facilities are much smaller. Greenview's is currently 33 but can be made smaller through formatting and the consolidation of recreation fees.

Most surveyed municipalities bring amendments throughout the year and consolidate them into one comprehensive bylaw. This consolidation allows for better organization and clarity, making it easier for both staff and the public to understand and navigate the fee structure in a single bylaw.

On the other hand, municipalities are not required under the *Municipal Government Act* to create bylaws for the establishment of rates and fees outside of *8(1)(c)(i) establishing fees for licences, permits or approvals*. It is simply a practice that has become commonplace across Alberta municipalities. The length of bylaws, what they contain, and the process of similar municipalities can be found in the table below.

The *Schedule of Fees Bylaw* plays a crucial role in ensuring the efficient and effective management of our municipality's finances. By aligning our practices with the majority of successful municipalities and maintaining control over the fee-setting process, we can better serve our community and contribute to its growth and prosperity. While some complexities may exist, they are manageable and well worth the benefits gained through the maintenance of this bylaw.

Table 1.

Municipality	Encompasses all their fees?	Page length
County of Grande Prairie No. 1	No – recreation fees are set by the contracted company that operates the facilities.	15
City of Grande Prairie	Yes	38
Municipal District of Smoky River No. 130	Yes	12
Big Lakes County	Yes	8
Lac La Biche County	No – includes snowplow signs but not the cost of snowplow services.	29
Northern Sunrise County	Yes	4
Birch Hills County	Yes	5
Parkland County	Yes	37
Town of Slave Lake	No – only provides corporate service fees.	3
Brazeau County	Yes	19
Clear Hills County	Yes	8

Town of Bonnyville	Yes	36
Saddle Hills County	Yes	7
Yellowhead County	No – have fees within each individual bylaw.	N/A
Mackenzie County	Yes	43
Town of Westlock	Yes	46
Town of Vulcan	Yes	18
Town of Gibbons	Yes	6
Town of Bon Accord	No – fees are split between two separate bylaws.	N/A
Flagstaff County	Yes	11
City of Camrose	Yes	47

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of accepting the presentation is that the Committee of the Whole will have a complete picture of how other municipalities handle implementing service fees.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. There are no perceived disadvantages to the recommended motion.

ALTERNATIVES CONSIDERED:

Alternative #1: Committee of the Whole has the alternative to make an additional motion recommending Council direct Administration to limit the fees contained within the Schedule of Fees bylaw.

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

There are no staffing implications to the recommended motion.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

(i) establishing fees for licences, permits and approvals, including fees for licences, permits and approvals that may be in the nature of a reasonable tax for the activity authorized or for the purpose of raising revenue;

BYLAW NO. 22-930 of the Municipal District of Greenview No. 16

A Bylaw of the Municipal District of Greenview No. 16, in the Province of Alberta for the purpose of establishing rates and fees for the provision of goods and services, or on behalf of Greenview, as attached to this bylaw as the Schedules of Fees.

Whereas, pursuant to section 7 of the Municipal Government Act, R.S.A. 2000, Chapter M-26, a Council may pass bylaws for municipal purposes respecting the following matters:

- (a) People, activities and things in, on or near a public place or place that is open to the public; and
- (b) Services provided by or on behalf of the municipality;

Whereas, pursuant to section 8 of the Municipal Government Act, R.S.A. 2000, Chapter M-26, a Council may pass bylaws for municipal purposes respecting the following matters:

- (a) Provide for a system of licenses, permits or approvals, including any or all of the following:
 - i. Establishing fees for licenses, permits and approvals, including fees for licenses, permits and approvals that may be in the nature of a reasonable tax for the activity authorized or for the purpose of raising revenue.

Whereas, The Council of the Municipal District of Greenview No. 16, duly assembled deems it expedient to revise the Schedules of Fees for the Municipality;

Therefore, the Council of the Municipal District of Greenview No. 16, duly assembled enacts as follows:

1. Title

- 1.1 This bylaw may be cited as the “Schedule of Fees Bylaw”.

2. Definitions

- 2.1 **Greenview** means the Municipal District of Greenview No. 16.

3. Application

- 3.1 This Bylaw establishes the rates, fees and charges for certain goods and services provided by Greenview.
- 3.2 This Bylaw and the attached Schedules will be reviewed as required and amendments to any of the rates and fees must be made by Council bylaw in accordance with Section 191(1) of the Municipal Government Act.

BYLAW NO. 22-930
of the Municipal District of Greenview No. 16

3.3 All fees, fines, rates, and penalties provided for in other current bylaws shall remain in full force and effect and may be charged in addition to the provisions stated in this Bylaw.

4. Rates and fees

4.1 The rates and fees are established in the attached Schedules 'A' through 'K' and form part of this Bylaw.

5. Severability and Effect

5.1 If any provision of this Bylaw is declared invalid for any reason by a court of competent jurisdiction, all other provisions of this Bylaw shall remain valid and enforceable.

5.2 Bylaw 22-900 and any amendments thereto is hereby repealed.

6. This Bylaw shall come into force and effect upon the day of final passing.

Read a first time this 22nd day of November, 2022.

Read a second time this 13th day of December, 2022.

REQUEST FOR DECISION

SUBJECT:	Township Road 702 – Oxbow Discussion		
SUBMISSION TO:	COMMITTEE OF THE WHOLE	REVIEWED AND APPROVED FOR SUBMISSION	
MEETING DATE:	June 20, 2023	CAO:	MANAGER:
DEPARTMENT:	INFRASTRUCTURE & ENGINEERING	DIR: RA	PRESENTER: RA
STRATEGIC PLAN:	Governance	LEG: SS	

RELEVANT LEGISLATION:

Provincial (cite) – N/A

Council Bylaw/Policy (cite) – N/A

RECOMMENDED ACTION:

MOTION: That Committee of the Whole accepts the report, regarding the natural drainage from the Oxbow on Township Road 702, for information, as presented.

BACKGROUND/PROPOSAL:

Administration would like to notify Committee of the Whole of the possible political implications of the following Environment and Protected Area (EPA) suggested direction.

In 2022, two culverts on Township Road 702 were failing causing road damage. The Operations department responded immediately and started planning for the replacement. The culvert and road repairs were being addressed at the same elevation as the previous one.

Ratepayers in the area contacted EPA, formerly known as Alberta Environment and Parks, stating that Greenview was draining the Oxbow. EPA then contacted Administration and operations ceased on culvert and road repairs and Expression of Interest (EOI) contractors were sent home for a week while an investigation took place. EPA made site visits and had discussions on the activity and in the end, Operations was allowed to finish the work as planned, as EPA agreed that the culverts had failed.

EPA sent aerial photos of the area dating as far back as 1950, where you can clearly see that when the Twp Rd 702 was built, it impeded the natural flow of the Oxbow at the bottom end. The approval for building a roadway crossing the wetlands was a little more relaxed back then but would still have been an application. Administration has searched for approval but has yet to find documentation.

Administration has recently received an e-mail from EPA (see attached) that is looking to see if Greenview is willing to perform the work again, to help re-establish the Oxbow back to its original state (at the time of investigation, EPA was acting on a complaint that Greenview was harming the environment). The e-mail sent

insinuates that no compliance orders are being issued at this time but may come in the future. The ratepayers' complaints were based on present and not historical knowledge. The complaints received were as follows;

- Lowering the Oxbow water level
- Taking away their scenery/view
- Lowering the value of homes in the area
- Removing wildlife in the area
- Removing the natural nesting of the swans

Administration has a good working relationship with EPA and usually is more than willing to address all concerns, but Administration feels there is a need for more discussion.

BENEFITS OF THE RECOMMENDED ACTION:

1. The benefit of Committee of the Whole accepting the report is that they will have a clearer understanding of the natural drainage from the Oxbow on Township Road 702.

DISADVANTAGES OF THE RECOMMENDED ACTION:

1. The disadvantage of the recommended action is the political implications may reflect negatively on Greenview.
2. The disadvantage of the recommended action is that Greenview may appear to not be cooperative with other Governmental departments.

ALTERNATIVES CONSIDERED:

Alternative #1: Committee of the Whole has the alternative to recommend to Council to lower the Oxbow culverts on Township Road 702.

Alternative #2: Committee of the Whole has the alternative to recommend to Council to take no action at this time.

FINANCIAL IMPLICATION:

There are no financial implications to the recommended motion.

STAFFING IMPLICATION:

To date, it is estimated Administration has spent 10 hours on complaints from the ratepayers and an additional 35 hours from multiple departments.

PUBLIC ENGAGEMENT LEVEL:

Greenview has adopted the IAP2 Framework for public consultation.

Hello Roger,

Back in the fall, we had a few conversations regarding Township Road 702, and the impacts that this road has had on the surrounding environment. At the time, Alberta Environment and Protected Areas (EPA) completed a review of historical aerial photos to determine how the road has impacted the oxbow and the lands surrounding the oxbow.

- Aerial photos show that the road was constructed in the late 1970's or the early 1980's.
- Prior to construction of the road, the volume of water in the oxbow appears to be less. Construction of the road has increased the volume of water to the North of the road, and has also resulted in a small portion of the East side of the oxbow to dry up South of the road.
- The construction of the road appears to have resulted in the impoundment of water to the North of the road.

Work completed to replace or to install additional culverts or drainage structures would likely result in water levels being restored to more of a natural or pre-disturbance state. However, the presence of the road will always result in an alteration of the drainage in the area, and it would be ideal to restore the lands to their original state that existed prior to the construction of Township Road 702. While it is EPA's preference to maintain natural drainage, no compliance action is being contemplated at the present time.

Please contact me if you would like to discuss further. Thank you.
