

PUBLIC NOTICE

MUNICIPAL DISTRICT OF GREENVIEW NO. 16

ENVIRONMENTAL PROTECTION AND ENHANCEMENT ACT

NOTICE OF APPLICATION

In accordance with the *Environmental Protection and Enhancement Act*, the MD of Greenview No. 16 has applied to Alberta Environment and Protected Areas for the renewal of the existing wastewater treatment plant and the approval of a new wastewater treatment plant to serve Hamlet of Grande Cache located at the same footprint of existing wastewater treatment plant. The Grande Cache Wastewater Plant is located within the Legal Subdivision of West of Section 29 Township 056 Range 08 West of the 6th Meridian. The existing wastewater system consists of a wastewater collection system and a treatment plant consisting of bar screens, aerated basin, and secondary clarifier. The proposed new wastewater treatment plant will consist of a seepage receiving station, equalization ponds, fine screens, grit channels, alum feed system for phosphorus removal activated sludge bioreactors, secondary clarifiers, and UV disinfection units. Treated wastewater will be continuously discharged to the Smoky River via an existing outfall structure. The treatment technology is automated, monitored and controlled. Both the current and proposed systems meet the Standards and Guidelines of Alberta Environmental and Protected Area for a wastewater system.

A directly affected person may provide input into certain regulatory decisions, as allowed by the *Environmental Protection and Enhancement Act* (section 73). Specifically, any person who is directly affected by this application may submit a written statement of concern within 30 days of the date of this notice to:

Environment and Protected Areas
Regulatory Assurance Section
Approvals Unit
5th Floor, South Petroleum Plaza
9915 - 108 ST
EDMONTON, AB T5K 2G8
Fax: (780) 422-0154
E-mail: aep.epeaapplications@gov.ab.ca

The written statement of concern should include the following:

- the application number 008-718
- describe concerns that are relevant to matters regulated by the Environmental Protection and Enhancement Act
- explain how the filer of the concern will be directly affected by the activities proposed in the application
- provide the legal land location of the land owned or used by the filer where the concerns described are believed to be applicable
- state the distance between the land owned or used by the filer and the site in the application
- contact information including the full name and mailing address of the filer.
Please provide a telephone number and/or email address for ease of contact.

Environment and Protected Areas will review each written statement of concern, seek more information if needed, and notify each filer by letter of the decision to accept or reject their written submission as a valid statement of concern. The Public Notice of this application will also be posted on the Department's website at <https://avw.alberta.ca/PublicNoticesViewer.aspx>.

Statements of concern submitted regarding this application are public records which are accessible by the public and the applicant. Failure to file a statement of concern may affect the right to file a Notice of Appeal with the Environmental Appeals Board.

Copies of the application and additional information can be obtained from:
