

# PUBLIC NOTICE

## MUNICIPAL DISTRICT OF GREENVIEW NO. 16

### ENVIRONMENTAL PROTECTION AND ENHANCEMENT ACT

#### NOTICE OF APPLICATION

In accordance with the Environmental Protection and Enhancement Act, the Municipal District of Greenview No. 16 has applied to Alberta Environment and Protected Areas for a renewal to the existing approval for the continued operation of the Little Smoky waterworks system. The system is located the Municipal District of Greenview No.16 within the Legal Subdivision of LSD 3 of Section 30, Township 66, Range 21, West of the 5th Meridian.

The water treatment plant consists of a groundwater source, raw water pumps, raw water transmission mains, water treatment plant consisting of manganese greensand filtration, ion exchange, reverse osmosis, chlorination treated water storage and distribution pumps and an automated continuous monitoring system. The approval meets the Standards of Alberta Environment and Protected Areas for safe, secure, and sustainable water supply.

A directly affected person may provide input into certain regulatory decisions, as allowed by the *Environmental Protection and Enhancement Act* (section 73). Specifically, any person who is directly affected by this application may submit a written statement of concern within 30 days of the date of this notice to:

Environment and Protected Areas  
Regulatory Assurance Section  
Approvals Unit  
5th Floor, South Petroleum Plaza  
9915 - 108 ST  
EDMONTON, AB T5K 2G8  
Fax: (780) 422-0154  
E-mail: [aep.epeapplications@gov.ab.ca](mailto:aep.epeapplications@gov.ab.ca)

The written statement of concern should include the following:

- the application number 006-333669
- describe concerns that are relevant to matters regulated by the Environmental Protection and Enhancement Act
- explain how the filer of the concern will be directly affected by the activities proposed in the application
- provide the legal land location of the land owned or used by the filer where the concerns described are believed to be applicable
- state the distance between the land owned or used by the filer and the site in the application
- contact information including the full name and mailing address of the filer.  
Please provide a telephone number and/or email address for ease of contact.

Environment and Protected Areas will review each written statement of concern, seek more information if needed, and notify each filer by letter of the decision to accept or reject their written submission as a valid statement of concern. The Public Notice of this application will also be posted on the Department's website at <https://avw.alberta.ca/PublicNoticesViewer.aspx>.

Statements of concern submitted regarding this application are public records which are accessible by the public and the applicant. Failure to file a statement of concern may affect the right to file a Notice of Appeal with the Environmental Appeals Board.

Copies of the application and additional information can be obtained from:
