

GREENVIEW REGIONAL MULTIPLEX SWIMMING LESSONS NOVEMBER & DECEMBER 2023

SWIM FOR LIFE®

	Parent & Tot	Preschool	Swimmer
Water Smart education is incorporated into all swim levels to support swimmers in learning how to keep themselves safe in, on and around the water.	The Parent & Tot Program Structure interactions between parent/caregiver and child to stress the importance of play in developing water-positive attitudes and skills. Levels in Parent & Tot are age based.	Preschool is a 5-level program that gives children an early start on learning to swim. Children will have fun while gaining foundational water skills and become comfortable in the water.	Swimmer is a 6-level, success-oriented learn to swim program. There is a prominent focus on in-water swimming practice as swimmers learn fundamentals strokes and skills, mastering them as the progress through the program.
