

ALBERTA MUNICIPAL AFFAIRS APPROVED ACCREDITED AGENCIES

After obtaining a *development permit* from Greenview, you may require other permits such as building, electrical, plumbing, gas and sewage permits from an agency such as those listed below.

Remember: A development permit from Greenview is **not** a building permit. Greenview does **NOT** issue building, electrical, plumbing, gas or sewage permits.

What type of work requires a permit?

The Safety Codes Act requires that all contractors and homeowners in Alberta obtain permits prior to commencing work on buildings covered by the Alberta Building Code or work governed by the Canadian Electrical Code, the Alberta Gas Code or the Alberta Plumbing Code.

Benefits of obtaining a permit:

Obtaining a permit confirms that installation will conform to the safety standards that have been adopted under the Safety Codes Act; and that inspection(s) will be provided by certified safety codes officers.
